To the Readers of this book:

My purpose of the book is to help you who are working up your family history, who at one time lived in Jasper County, Mississippi. I hope to show you why there are not more records in Jasper County. Just a short history of Jasper Co.

Jasper County was formed in 1833. It was named in honor of Sergeant Jasper. Jasper County was acquired from the Choctaw Indians. The Indians called it the "dancing rabbit territory".

Paulding was the first County Seat of Jasper County. Paulding is called the "Queen City" of the east. Paulding was named in honor of Major Paulding. Paulding Court House was burned in 1841 by one Negro, who was hired by one white man. The Negro was paid one pint of whiskey for burning the court house. The reason was the white man wanted a new one built but the county wouldn't do so. Then he had it burned. It was rebuilt in 1842. Then that one burned in 1932 of unknown origin. It was rebuilt in 1933.

Bay Springs was the second County seat of Jasper County. Bay Springs was established in 1906. All the records were transferred from Paulding to Bay Springs for the west $\frac{1}{2}$ of the County. These records didn't get burned in the fire in Paulding in 1932. Bay Springs is named after the Springs in Jasper County. There are mineral springs around a Bay tree, that is where she got her name.

Jasper County is noted for its Springs. Stafford Springs located $1-\frac{1}{2}$ miles South of Vossburg, sells mineral water world wide. Donald Springs is located $1-\frac{1}{2}$ miles west of Vossburg. The way these minerals were found was that some boys were wadeing in the water and they had some ground itch on their feet. They got well after the wadeing, so the people knew it was medicine. Mineral Springs, near Montrose, is now known for lpher and Alum

I worked every cemetery in the County that I could find for the cemetery records. The wills were copied from the court house in Paulding in 1905. The land grants were in the court house. They were sent to the court houses from Jackson, Miss. from the land grant office.

If you want any record other than what this book has, I will be glad to get it for you if they have it in the county. I have a list of all the land deeds that were transferred to Bay Springs in 1906 and also a list of the ones in Paulding that were re-recorded after the fire in 1933. If I can be of any help write me at this address.
