I, Joseph Campbell of Roanoke County, Virginia do make the following as my last Will & Testament
1st All of my sons, with the exception of my son John being provided for and educated, it is not my wish to give to either of them any further portion of my estate except John, to whom I give two hundred dollars to complete his education or to be used by him in any way he may think proper. This sum to be paid him by my Executor as soon after my decease as he may have funds to pay it with.
2d To my youngest daughter Ann Marion I give five hundred and fifty dollars in addition to $450. in a Bond for her benefit making $1000, which will make her equal with her sisters Fanny M and Amantha. This sum to be retained for her benefit in the hands of my Executor, and the principal and interest paid to her on her arriving at lawful age.
3 It is my will that my negroes be hired out, (giving them the privilege of choosing their master) and my real estate rented out (unless it shall be sold by me in my life time) until my youngest child arrives at lawful age, then it is my will that my said negroes, with the increase of the females, be divided equally between my daughters Fanny M, Amantha and Ann Marion (and not to be sold out of the family unless by their own wishes) The real Estate if not sold in my life time, is to be sold by my Executor at the same time, for which purpose I empower him to carry the same to the purchaser and the proceeds, to be equally divided between my three daughters last named. This will not more than equalize them with my daughter Jane, who has received in the way of advancements all of my estate that I design for her to have.
4 The annual rents of the real Estate are hereby appropriated

Negroes until my youngest daughter arrives at age, are to be applied to her education and to the support of herself and her two single sisters above named.
I hereby appoint Philip Read the executor of this my last Will & Testament
