Mercer County set Nov. County Court 1823

The foregoing inventory and appraisement of the Estate of William M. Taylor dec.d was this day produced into Court and ordered to be Recorded, whereupon I have made the same of Record

attest

Wm. Allen C.C.

Account of George C. Thompson Guardian of Joseph A. Thompson & Mary M. Thompson infant heirs of Joseph Thompson deceased. The Guardian begs leave to observe that since the date of his account rendered last year there has been no change in the property of his wards worth noticing. There has been no further division of the Estate. The Guardian has continued for the last year the same agreement with the Mother in behalf of his wards that he mentioned in detail in his account seven years since. He has no doubt they have been provided for in this way much better & more genteely than he could have done it by applying to the use of them separately their respective proportions of the Estate if divided. All which is respectfully submitted to the Court.

28th October 1823. Geo. C. Thompson Guardian &c
