Men Who Lack Capital

But Possess Brains

Many men of brains need capital. They are ambitious. They know about their business—know how to make it pay. But they lack capital—

There are plenty of men in Phoenix in this position.

Their future depends on capital—and it's hard to get,

unless you know how.
Please let us tell you how.
Just insert an ad in The Republican. Follow the lines of the hundreds you'll find there.

to the fundress you had the series quickly.

But you don't have to advertise, though.

If you read them every day you'll find the ads of men the have capital, and who are willing to "back you."

Read them every day. It will pay.
