[illegible] Here for the cause so dear to [illegible]

[illegible] several years past the leaders of the [illegible] Memorial association have received letters asking [illegible] certain [illegible] appeared on the gravestones [illegible] Hollywood cemetery. Most of these [illegible] were received from Georgia.

[illegible] John Milledge, president of the [illegible] Memorial Association, of Atlanta, [illegible] requested, if possible, to have a list of [illegible] Georgians buried in Hollywood published in a leading daily paper. Mrs. Mil[illegible] asks the list in The Times-Journal.

[illegible] I have found the names of all the [illegible] Georgia regiments who are buried [illegible] the cemetery at Richmond. The [illegible] following each name shows the com[illegible] of the figures the regiment, after which [illegible] the date of interment:

GEORGIA.

Hood's Cures.

In saying that Hood's Sarsaparilla cures, the proprietors make no idle or extravagant claim. Statements from thousands of reliable people of what Hood's Sarsaparilla has done for them, conclusively prove the fact—HOOD'S Sarsaparilla CURES.

HOOD'S PILLS act especially upon the liver, rousing it from torpidity to its natural duties, cure constipation and assist digestion.
