## INTRODUCTORY.

THE publication of a Roster of the Soldiers of Ohio in the War of the Rebellion was authorized by the following resolution, offered by Mr. VAN CLEAF, and adopted by the Legislature, almost without opposition, on May 15, 1884:

*Resolved by the General Assembly of the State of Ohio, That the Governor, Secretary of State and Adjutant-General be and they are hereby authorized to secure the publication, in book form, of the complete Roster of all the Regiments, or parts of Regiments, furnished by Ohio, in the War with Mexico, and in the War of the Rebellion; said publication to contain the main items of the record of each officer and soldier, so far as the same is attainable, from the rolls now in the Adjutant-General's Office, and in the War Department at Washington. And they shall begin said work as soon as practicable, and continue the same until the said printed Roster is complete; the printing and binding to be under the direction of the Commissioners of Public Printing, and the publication, when completed, shall be under the control of the officials first named, for such disposal as the General Assembly may hereafter direct.*

The records of the War with Mexico, and the three-months' troops in the War of the Rebellion, now in possession of the Adjutant-General of Ohio, are so incomplete, and the difficulty of securing the missing rolls from the War Department at Washington so great, that it was thought best to postpone preparing a Roster of those troops until later, and work was commenced at once in preparing a record of the three-years' troops. The first volume, known as "Volume II."—Regiments 1 to 20, inclusive—was issued October 15, 1886; the second volume, known as "Volume III."—Regiments 21 to 36, inclusive—January 15, 1887; the third volume, known as "Volume IV."—Regiments 37 to 53, inclusive—August 15, 1887; the fourth volume, known as "Volume V."—Regiments 54 to 69, inclusive—October 15 1887; the fifth volume, known as "Volume VI."—Regiments 70 to 86, inclusive—February 1, 1888, and the sixth volume, known as "Volume VII."—Regiments 87 to 108, inclusive—August 1, 1888. Volume I., containing the records of the three-months' troops, will be the last volume issued.

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, at its last session, passed on February 20, 1888, the following law (H. B. No. 67), to amend section two of an act entitled an act to provide for the publication and distribution of the Roster of Ohio Soldiers, passed May 12, 1886, and amended February 3, 1887, which reads as follows:

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio*, That section two of the above-mentioned act be so amended as to read as follows:

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each Member of the Sixty-Seventh General Assembly, twenty copies of each volume, inclusive of copies already received, and each Member of the Sixty Eighth General Assembly, twenty copies of each volume; but when any Member of the Sixty-Seventh General Assembly becomes a non-resident of the county, or district he represented, the said copies of each volume may be drawn by his successors.

To the Roster Commission, twenty-five copies of each volume.

To the Adjutant-General, for distribution to the Adjutants-General of each State and Territory, and proper officials of the War Department at Washington D. C., sixty copies of each volume.

To each of the State officers of Ohio, and to each of the various State departments and institutions, one copy of each volume.

To the State Library, fifty copies of each volume for exchanges, and ten copies of each volume to be retained permanently therein.

To each public library of an incorporated city or village of the State, one copy of each volume.

To each post of the Grand Army of the Republic, and to each command of the Union Veterans' Union, on condition that if the post, camp or command be disbanded at any time, the same shall be returned to the State Library, one copy of each volume; and to the Department of Ohio Grand Army of the Republic, and Loyal Legions, each one copy of each volume; and to each camp of the Sons of Veterans, on condition that if the camp be disbanded at any time, the same shall be returned to the State Library, one copy of each volume.

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy of each volume.

To each Township Clerk, to be by him kept in his office and to be transferred to his successor, one copy of each volume.

To each Clerk in the Roster Department, one copy of each volume; *provided*, that any distribution herein provided for shall be inclusive of copies of volumes already distributed under former laws.

The remainder of said copies, after such distribution, shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume; he shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; *provided*, that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. That section two of said act, passed May 12, 1886 (83 v. 146), as amended February 3, 1887, is hereby repealed.

SEC. 4. This act shall take effect and be in force from and after its passage.

Under provisions of law the Commissioners of Public Printing, together with the Adjutant-General, awarded the contract on May 25, 1888, for furnishing four volumes, 10,000 copies each, to the Ohio Valley Press, Cincinnati, O., at 84½ cents per volume. Much credit is due this company for the handsome manner in which the work has been executed, both in printing and binding.

## THREE YEARS' SERVICE

---

THIS Regiment was organized at Mansfield, O., in August and September, 1862, to serve three years. It moved by rail to Covington, Ky., September 4, 1862, and was engaged in the defense of that city against General Kirby Smith. After about two weeks of duty it was sent to Louisville, Ky., and participated in the defense of that city against General Bragg, and joined in the pursuit of his army October 5, 1862. The Regiment started for Nashville September 21, 1863, where it remained about six months. On the 26th of April, 1864, the Regiment was transferred to Tullahoma, Tenn., where it guarded the railroad from Normandy to Decherd until the 6th of June. The Regiment then moved across the Cumberland Mountains to Bellefonte, Ala., arriving on the 10th of June, continuing its march to Dodsonville, where it was employed on the defense of the line of the Tennessee River from Stevenson to the foot of Seven Mile Island, a distance of fifty miles. During the summer the Regiment had frequent engagements with the enemy. On the 23d of September about four hundred men of the Regiment were ordered to re-enforce the fort at Athens, Ala., and on the 24th lost a large number of men killed and wounded, the remainder being captured and sent to Cahaba Prison. After being paroled the prisoners were placed on board the ill-fated steamer Sultana, and, as near as can be ascertained, seventy perished in that disaster. The Regiment was engaged at the siege of Decatur, Ala., October 26, 27, 28 and 29, 1864. After the siege it was frequently engaged in sharp and severe skirmishes with the enemy. It was mustered out June 30, 1865, at Nashville, Tenn., in accordance with orders from the War Department.

### THREE YEARS' SERVICE.

---

THIS Regiment, with the exception of Companies I and K, was organized at Camp Dennison, O., from August 26 to October 25, 1862, to serve three years. Companies I and K were organized at Camp Dennison, O., in September and October, 1864, to serve one year. On the 4th of September, 1862, the Regiment was ordered to Covington, Ky., to aid in repelling Rebel forces, and subsequently participated in several expeditions against General John Morgan. The Regiment reached Hartsville, Tenn., on the 28th day of November, and on the 7th of December had an engagement with the enemy which resulted in the loss of quite a number of men killed, wounded and missing. From this time forward the Regiment did valuable service in guarding railroads, and in numerous expeditions against guerrillas and bushwhackers in Kentucky, Tennessee and Alabama. It was mustered out of service June 29, 1865, in accordance with orders from the War Department.
