INTRODUCTORY.

THE publication of a Roster of the Soldiers of Ohio in the War of the Rebellion was authorized by the following resolution, offered by Mr. VAN CLEAF, and adopted by the Legislature, almost without opposition, on May 15, 1884:

Resolved by the General Assembly of the State of Ohio, That the Governor, Secretary of State and Adjutant-General be and they are hereby authorized to secure the publication, in book form, of the complete Roster of all the Regiments, or parts of Regiments, furnished by Ohio, in the War with Mexico, and in the War of the Rebellion; said publication to contain the main items of the record of each officer and soldier, so far as the same is attainable, from the rolls now in the Adjutant-General's Office, and in the War Department at Washington. And they shall begin said work 'as soon as practicable, and continue the same until the said printed Roster is complete; the printing and binding to be under the direction of the Commissioners of Public Printing, and the publication, when completed, shall be under the control of the officials first named, for such disposal as the General Assembly may hereafter direct.

The records of the War with Mexico, and the three-months' troops in the War of the Rebellion, now in possession of the Adjutant-General of Ohio, are so incomplete, and the difficulty of securing the missing rolls from the War Department at Washington so great, that it was thought best to postpone preparing a Roster of those troops until later, and work was commenced at once in preparing a record of the three-years' troops. The first volume, known as "Volume II."—Regiments 1 to 20, inclusive—was issued October 15, 1886; the second volume, known as "Volume III."—Regiments 21 to 36, inclusive—January 15, 1887; the third volume, known as "Volume IV."—Regiments 37 to 53, inclusive—August 15, 1887; the fourth volume, known as Volume "V."—Regiments 54 to 69, inclusive—October 15, 1887; the fifth volume, known as "Volume VI."—Regiments 70 to 86, inclusive—February 1, 1888; the sixth volume, known as "Volume VII."—Regiments 87 to 108, inclusive—August 1, 1888; the seventh volume, known as "Volume VIII."—Regiments 110 to 140, inclusive—December 1, 1888; the eighth volume, known as "Volume IX."—Regiments 141 to 184, inclusive—March 15, 1889; and the ninth volume, known as "Volume X,"

containing Regiments of Infantry from 185 to 198, inclusive; 1st and 2d Regiments Heavy Artillery; 1st Regiment Light Artillery; 1st to 26th Independent Batteries Light Artillery, inclusive; Williams' Ironton Independent Battery Light Artillery; Paulsen's Independent Battery Light Artillery; 8th Independent Battery Light Artillery (60 days service); 2d Independent Battery Light Artillery (60 days service); and 8th Independent Battery Light Artillery (four months service).

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, on April 24, 1890, passed the following law (S. B. No. 145):

AN ACT

To amend section two (2) of an act entitled "an act to provide for the publication and distribution of the roster of Ohio soldiers," passed May 12, 1886, and amended February 3, 1887, February 20, 1888, and February 25, 1890.

SECOND OHIO VOLUNTEER CAVALRY.

THREE YEARS' SERVICE.

The 2d Regiment of Ohio Volunteer Cavalry was recruited and organized under the supervision of Hon. B. F. Wade and Hon. John Hutchins, in the Summer and Fall of 1861, to serve 3 years, and rendezvoused at Camp Wade, O.

The original strength of this Regiment at organization was 1177, and at time of muster out it numbered 757. The 2d Regiment was mustered out September 11, 1865, at St. Louis, Mo., and was paid and discharged at Camp Chase, Ohio.

In August, 1862, there was a detail of two officers and thirteen men from each Company, for the purpose of forming a Light Battery of Artillery. And in January, 1863, there was an order issued by the War Department, making the detail a permanent Ohio Battery and it was known as the 25th Battery Ohio Volunteer Light Artillery.

The regiment has campaigned through the following States and Territory: Kansas, Missouri, Arkansas, Illinois, Indiana, Ohio, Kentucky, Tennessee, Georgia, Alabama, West Virginia, Maryland, Virginia and Indian Territory. It has marched an aggregate distance of twenty-seven thousand miles. It fought under the following general officers: Buell, Wright, Hunter, Denver, Sturgis, Blunt, Salomon, Curtis, Schofield, Burnside, Carter, Gillmore, Shackelford, Foster, Kautz, Sedgwick, Wilson, McIntosh, Torbert, Custer, Sheridan, Mead and Grant.

It has served in five different armies: The Army of the Frontier, of the Missouri, of the Potomac, of the Ohio, and of the Shenandoah, and has fought in ninety-seven battles and engagements. This Regiment was organized by Colonel William R. Lloyd, at Camp Hutchins, Warren, Ohio, in October, November, and December, 1861, to serve three years. On the expiration of its term of service, the original members (except veterans) were mustered out, and the organization retained in service until August 7, 1865, when it was mustered out at Petersburg, Va., in accordance with orders from the War Department. The roster of this Regiment shows that from 1861 to 1865 there were seventeen hundred and fifty-eight (1,758) officers and enlisted men in the organization. This does not include one Battalion of four companies which was detached and taken to the Far West in command of Lieutenant Colonel William O. Collins. Under an order from the War Department, dated September 20, 1862, there were four companies recruited to fill up the Regiment. These companies were in part recruited at Camp Cleveland, Ohio, and two of them, B and E, joined the Regiment at Falmouth, Va., March 9, 1863. The other two, F and M, joined the Regiment March 8, 1864, at Warrenton, Va.

The Sixth Regiment entered the U. S. Service in the field in Western Virginia, in May 1862, under General Fremont; thence into the Valley of Virginia, under General Sigel; thence into the campaign in front of Washington, D. C., in the summer of 1862, with the Army of Virginia, under General John Pope; with General George B. McClellan, in the Army of the Potomac, in fall of 1862; with General Burnside in the winter of 1862 and 1863; and in the winter and spring of 1863, with General Joe Hooker, who organized the Cavalry Corps early in 1863, thereafter commanded in succession by Generals Stoneman, Pleasanton, and Sheridan; then, in the summer of 1863, under General Mead, and then, until the close of the War, under Generals Mead, Grant and Sheridan.

The Regiment, from date of organization of the "Cavalry Corps, Army of the Potomac," served in the brigades commanded by Generals Buford, Duffie, Averill, McIntosh, D. McM. Gregg, Kilpatrick, Huey, Davies, and C. H. Smith; and in divisions commanded by Generals Bayard, Averill, Pleasanton, Gregg, and Crook.

EIGHTH OHIO VOLUNTEER CAVALRY.

THREE YEARS' SERVICE.

This Regiment, formerly the Forty-fourth Ohio Volunteer Infantry, was organized as a Veteran Cavalry Regiment by order of the Secretary of War. Its designation was changed to the Eighth Ohio Volunteer Cavalry in January, 1864, and the organization, composed of veterans and recruits, was retained in service until July 30, 1865, when it was mustered out in accordance with orders from the War Department. A number of men whose names were transferred from the rolls of the Forty-fourth Ohio Volunteer Infantry to the rolls of the Eighth Ohio Volunteer Cavalry, never actually joined the latter organization. They were discharged, mustered out and transferred, or died, as of the Forty-fourth Ohio Volunteer Infantry, previous, or subsequent, to the change of the Regiment from infantry to cavalry.

Immediately after, or during, the retreat from Lynchburg, Va., and until December 1, 1864, this Regiment was divided, one detachment being ordered to Beverly, W. Va., where it arrived June 30, 1864, and the other taking part in the operations in the Shenandoah Valley, including the skirmishes in which the cavalry was engaged and the battles of Winchester, Fisher's Hill and Cedar Creek. At Huttonsville, W. Va., August 23, 1864, eighty men belonging to Companies C, H, and K, were surprised and captured, their arms, equipments and horses only being taken. The camp of the Eighth Ohio Cavalry at Beverly, W. Va., was attacked October 29, 1864, just before daylight, but after a severe hand-to-hand fight, the rebels, who had intended a surprise, were forced to retreat with a loss of seventeen killed, twenty-seven wounded and ninety-two prisoners, while this Regiment lost only eight killed, twenty-five wounded and thirteen prisoners. On the morning of January 11, 1865, between three and four o'clock, the enemy, under General Rosser, attacked and surprised the camp of the Eighth Ohio Cavalry and Thirty-fourth Ohio Infantry, at Beverly, W. Va., killed five men, wounded twenty, and captured five hundred and eighty-three. The captured men were taken to Richmond, Va., where they were held as prisoners until February 15, 1865, when they were sent to Annapolis, Md., and thence to Camp Chase (Parole Camp), Ohio, where they were mustered out by order of the War Department.

The official list of battles, in which this Regiment bore an honorable part, has not yet been published by the War Department, but the following list has been compiled, after a careful research, during the preparation of this work:

ELEVENTH OHIO VOLUNTEER CAVALRY.

THREE YEARS' SERVICE.

Companies A, B, C, and D of this Regiment were organized as the Seventh Ohio Volunteer Cavalry, but were consolidated December 19, 1861, with the Sixth Ohio Volunteer Cavalry, forming the First Battalion of that Regiment, the whole being then rendezvoused at Camp Dennison, Ohio. March 13, 1862, the First Battalion, under command of Lieutenant Colonel William O. Collins, was detached from the Sixth Ohio Volunteer Cavalry and ordered to report to General Halleck, at St. Louis, Mo., by whom it was ordered to proceed to Fort Laramie, D. T. (now Wyoming), where it arrived May 30, 1862, having marched overland from Fort Leavenworth, Kans., a distance of about 640 miles. During the summer of 1862, the Battalion was permanently detached from the Sixth Ohio Volunteer Cavalry and designated as the "First Independent Battalion Ohio Volunteer Cavalry." A Battalion of four companies (E, F, G, and H) was organized at Camps Dennison and Chase, Ohio, from June 26 to July 31, 1863, and the two Battalions were consolidated and designated the "Eleventh Ohio Volunteer Cavalry." The Second Battalion was called into service during John Morgan's raid through Ohio, and after the capture and dispersion of his force returned to Camp Dennison, O. Leaving Camp Dennison August 1, 1863, the Second Battalion reached Fort Leavenworth, Kans., on the 13th. While there awaiting supplies, the sacking and burning of the town of Lawrence, Kans., occurred, and the Battalion was sent in pursuit of Quantrill. After marching about 150 miles it was recalled, and, on September 2, proceeded across the plains for Fort Laramie, where it arrived October 10, 1863. Companies I, K, and L were organized June 30, 1864, at Fort Laramie, D. T., being composed of surplus recruits assigned to the Regiment. Companies A, B, C, and D were mustered out April 1, 1865, at Omaha, Neb., by reason of expiration of term of service. The remaining companies, being the last volunteer troops from Ohio, in service, were mustered out July 14, 1866, at Fort Leavenworth, Kans., by order of the War Department.

The ground of the operations of this Regiment, which was never actually together during its term of service, was in the center of the Rocky Mountains and the then hostile Indian country, before the organization of the Territory of Wyoming, when nearly all that vast extent of territory was known as Dakota and Idaho. Its principal duty was to guard the Pacific Telegraph line and the overland route of communication and supply, extending from Colorado and western Nebraska and Kansas, through Wyoming and Idaho to Utah and Oregon. With the exception of Fort Laramie, the men of this Regiment erected and guarded all the military posts and stations established in 1864 and 1865,

on the line of communication and supply indicated, to make the circuit of which required one thousand miles of travel. From March 1 to September 5, 1865, a single company of this Regiment erected five posts, guarded one hundred and fifty miles of Pacific Telegraph line, and its several detachments had thirteen engagements with Indians. Two companies, on an expedition to Powder and Tongue Rivers, took part in a charge upon and the burning of an Indian Village, marched twelve hundred miles and were out fifty-eight days.

The official list of battles in which this Regiment bore an honorable part, is not yet published by the War Department, and it is difficult to definitely locate and designate the numerous engagements between its detachments and the Indians. The following, however, is a list of the principle battles, compiled after a careful research, during the preparation of this work:

FOURTH INDEPENDENT BATTALION OHIO VOLUNTEER CAVALRY.

SIX MONTHS' SERVICE.

This Battalion, composed of five companies, was organized at Cincinnati, Ohio, from August 3 to September 21, 1863, to serve six months. It was mustered out by companies, at different dates, from February 15 to March 14, 1864, by reason of expiration of term of service. Many of the members re-enlisted in the 13th Regiment O. V. C., which was then organizing at Camp Chase, Ohio.

Part of this Battalion was in service during the "Morgan Raid." After its completion it was sent to Eastern Kentucky, where, although it participated in no regular battles, it did good service in protecting the citizens from the raids of the guerrillas with which that region was infested.

UNASSIGNED RECRUITS.

The following list of recruits was enlisted for the Fourth Independent Battalion O. V. C. for a term of three years from December 26, 1863, to March 21, 1864. As the different companies of the Fourth Battalion were all mustered out of the service on different dates during that period, it is probable that they never joined this organization. The records fail to show anything further than that, that is borne on the muster and descriptive rolls.

FIFTH INDEPENDENT BATTALION OHIO VOLUNTEER CAVALRY.

SIX MONTHS' SERVICE.

This Battalion, composed of four companies, was organized at Columbus, Ohio, from July 9 to September 2, 1863, to serve six months. Company A, of this Battalion, participated in checking the advance of Morgan in Southern Ohio. After his capture it returned to Camp Chase, and when the Battalion was completed it was sent into Eastern Kentucky to protect the citizens from the raids of the guerrillas that infested that part of the State. It captured a number of the most noted and broke up their bands which brought peace and security to the inhabitants. It did not participate in any regular battle because there was no organized force pitted against it. It was mustered out February 15, 1864, at Cincinnati, Ohio, on expiration of term of service.

FOURTH INDEPENDENT COMPANY OHIO VOLUNTEER CAVALRY.

THREE YEARS' SERVICE.

This Company was organized at Georgetown, Ohio, each man furnishing his own horse and horse-equipments. It was mustered into the service July 9, 1861, at Georgetown, by George Silligatt, Aid-de-camp and Mustering Officer. On the 10th it left for Camp Chase, where it remained until August 19, when it was ordered to Missouri. On March 1, 1862, it was taken into St. Louis and placed on duty at General Halleck's headquarters, and acted as his escort until he was transferred to Washington. The Company was then engaged in miscellaneous service until July 16, 1864, when the original members were mustered out at Cincinnati, Ohio, by reason of expiration of term of service. The recruits, about fifty in number, were left at General McPherson's headquarters, and in August and September, 1864, John L. King, who had been a Sergeant in the original organization, recruited the Company to the maximum number and was commissioned Captain. This Company participated in the march to the sea through Georgia, in the campaign in the Carolinas, and was present at the Grand Review at Washington City. It was mustered out May 28, 1865, at Washington, D. C., by W. C. Ide, Captain 13th Infantry, and Acting Commissary of Musters.

MCLAUGHLIN'S SQUADRON OHIO VOLUNTEER CAVALRY.

THREE YEARS' SERVICE.

In October, 1861, the Governor of Ohio requested of the War Department permission for Major William McLaughlin, of Mansfield, O., to raise a force of cavalry. Said permission was granted, and a special order was issued to William McLaughlin to raise an independent command, to be named McLaughlin Squadron.

This Squadron was organized and mustered in at Mansfield, Ohio, in November and December, 1861, to serve three years. On the expiration of its term of service the original members (except veterans) were mustered out, and the organization, composed of veterans and recruits, retained in service until July 28, 1865, when it was consolidated with Company C, 5th Regiment Ohio Volunteer Cavalry.

The official list of battles, in which this Squadron bore an honorable part, is not yet published by the War Department, but the following list has been compiled, after a careful research, during the preparation of this work:

THREE YEARS' SERVICE.

This Independent Company of Cavalry was organized as a body-guard to President Lincoln by Governor Tod during November and December, 1863, by recruiting one man from each county in the State, and was known as the Seventh Independent Company Ohio Volunteer Cavalry. They were mustered in at Columbus, Ohio, December 17, 1863, by Elmer Otis, Captain Fourth U. S. Cavalry, Mustering Officer, and left for Washington, D. C., December 22, 1863. On their arrival there they reported to the Secretary of War, and were assigned to duty in and around the city, a strong detail being placed near the President's house, the Treasury building, War office, and the other public buildings, in which line of duty they served until September 9, 1865, when they were mustered out at Washington, D. C., by H. C. Strong, 1st Lieutenant Veteran Reserve Corps, A. C., Mustering Officer, in accordance with orders from the War Department.

CAPTAIN NOAH M. RUNYAN'S COMPANY

OF

HARLAN'S LIGHT CAVALRY,

AFTERWARDS

COMPANY M, ELEVENTH REGIMENT PENNSYLVANIA VOLUNTEER CAVALRY.

THREE YEARS' SERVICE

This Company was organized at Camp Chase, Ohio, by Captain Noah M. Runyan, under an order from Secretary of War, Simon Cameron, authorizing Colonel Josiah Harlan to raise an independent regiment of cavalry, the intention being to have companies from twelve different States. It was subsequently found, however, that the laws of Congress did not authorize the recruiting of single companies in a State. This Company was therefore attached to the Eleventh Regiment Pennsylvania Volunteer Cavalry, and designated as Company M.

In the following roster the records of those men who were enlisted in Ohio are only given.

The Company was mustered into the service September 1, 1861, at Camp Chase, Ohio, by Howard Stansbury, Captain Topographical Engineers, U. S. A., Mustering Officer. On the expiration of their term of service the original members (except veterans) were mustered out and the organization, composed of veterans and recruits, retained in service until August 13, 1865, when they were mustered out at Richmond, Va., by J. Remington, Captain and Acting Commissary of Musters, Department of Virginia, in accordance with orders from the War Department.

The official list of battles, in which this Company bore an honorable part, has not yet been published in orders by the War Department, but the following has been prepared, after a careful research, during the preparation of this work:
