INTRODUCTORY.

THE publication of a Roster of the Soldiers of Ohio in the War of the Rebellion was authorized by the following resolution, offered by Mr. VAN CLEAF, and adopted by the Legislature, almost without opposition, on May 15, 1884:

Resolved by the General Assembly of the State of Ohio, That the Governor, Secretary of State and Adjutant-General be and they are hereby authorized to secure the publication, in book form, of the complete Roster of all the Regiments, or parts of Regiments, furnished by Ohio, in the War with Mexico, and in the War of the Rebellion; said publication to contain the main items of the record of each officer and soldier, so far as the same is attainable, from the rolls now in the Adjutant-General's office, and in the War Department at Washington. And they shall begin said work as soon as practicable, and continue the same until the said printed Roster is complete; the printing and binding to be under the direction of the Commissioners of Public Printing, and the publication, when completed, shall be under the control of the officials first named, for such disposal as the General Assembly may hereafter direct.

The records of the War with Mexico, and the three-months' troops in the War of the Rebellion, now in possession of the Adjutant-General of Ohio, are so incomplete, and the difficulty of securing the missing rolls from the War Department at Washington so great, that it was thought best to postpone preparing a Roster of those troops until later, and work was commenced at once in preparing a record of the three-years' troops. The first volume—known as "Volume II."—was issued October 15, 1886, and the second volume—known as "Volume III."—January 15, 1887. Volume I., containing the records of the three-months' troops, will be the last volume issued.

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, at its last session, passed on February 3, 1887, the following law (H. B. No. 745, Mr. KITCHEN), to amend section two of an act entitled an act to provide for the publication and distribution of the Roster of Ohio Soldiers, passed May 12, 1886, which reads as follows:

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio*, That section two of the above-mentioned act be so amended as to read as follows:

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each member of the sixty-seventh General Assembly, twenty copies of each volume.

M66280

To the Roster Commission, twenty-five copies of each volume.

To the Adjutant-General, for distribution to the Adjutants-General of each State and Territory, and proper officials of the War Department at Washington, D. C., sixty copies of each volume.

To each of the State officers of Ohio, and to each of the various State departments and institutions, one copy of each volume.

To the State Library, fifty copies of each volume for exchanges, and ten copies of each volume to be retained permanently therein.

To each public library of an incorporated city or village of the State, one copy of each volume.

To each post of the Grand Army of the Republic, on condition that if the post or camp be disbanded at any time, the same shall be returned to the State Library, one copy of each volume; and to the Department of Ohio Grand Army of the Republic, and Loyal Legions, each one copy of each volume; and to each camp of the Sons of Veterans, one copy of each volume.

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy of each volume.

To each Township Clerk, to be by him kept in his office and to be transferred to his successor, one copy of each volume.

The remainder of said copies, after such distribution, shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume; he shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; provided, that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. That section two of said act, passed May 12, 1886 (83 v. 146), is hereby repealed.

SEC. 4. This act shall take effect and be in force from and after its passage.

The following appropriation was made on March 21, 1887:

Be it enacted by the General Assembly of the State of Ohio, That there be and hereby is appropriated out of any moneys in the treasury to the credit of the General Revenue Fund, not otherwise appropriated, the sum of $25,000 for publishing Roster of Ohio Troops

Under provisions of law the Commissioners of Public Printing, together with the Adjutant-General, awarded the contract on May 10, 1887, for furnishing three volumes, 10,000 copies each, to the Werner Printing and Manufacturing Company, Akron, O., at the remarkably low price of $23,700, a saving to the State of $6,300, as compared with the cost of Volumes II. and III. Much credit is due this company for the handsome manner in which the work has been executed, both in printing and binding. Notwithstanding the embarrassment caused by our inability to obtain necessary information from the War Department, they have printed and bound the entire edition, 10,000 copies of this volume, in the short space of sixty days.
