1886.

Resolution adopted March 15th, 1884, the sum of twenty thousand dollars (\$20,000). The publication of said volumes shall be under the direction of the Commissioners of Public Printing, together with the Adjutant-General, who shall, within sixty days after the passage of this act, contract for the publication of said volumes, in the manner provided for in sections 320 and 321 of the Revised Statutes of Ohio, and who shall determine the size and style of type and page, quality and weight of paper, and style of binding, and they shall have printed and bound, as speedily as possible, consistent with proper execution of the work, an edition of ten thousand copies of each of said volumes; *provided*, the cost of said publication shall not exceed one dollar per volume of not less than seven hundred and fifty pages.

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each Member of the General Assembly, ten copies;

To the Adjutant-General, for distribution to the Adjutants-General of each State and Territory, and proper officials of the War Department at Washington, D. C., sixty copies;

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy.

The remainder of said copies after such distribution shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume. He shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; *provided*, that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. This act shall take effect and be in force from and after its passage.

Under the provisions of this act, the Board thereby created, on July 7th, 1886, awarded the contract for furnishing the two volumes to "The Ohio Valley Publishing and Manufacturing Company," of Cincinnati, at the comparatively low price of \$20,000 for the 20,000 copies. To this company great credit is due for the handsome manner in which the work has been executed, both in printing and binding, and it is but just to add that they have displayed great energy in pushing the work to a speedy completion under unexpected embarrassments and difficulties.

Twenty-second Regiment Ohio Volunteer Infantry.

THREE YEARS' SERVICE.

THIS Regiment, although originally known as the Thirteenth Missouri Volunteers, and organized at St. Louis, Mo., from August 9 to November 5, 1861, to serve three years, was commanded by Ohio officers, and its ranks filled mainly by soldiers from this State. Its designation was changed to the Twenty-second Regiment Ohio Infantry, by order of the Secretary of War, May 29, 1862. On the expiration of its term of service the original members (except veterans) were mustered out, and the organization, composed of veterans and recruits consolidated into a Battalion of two companies, (in November, 1864), and retained in the service until August 28, 1865, when it was mustered out, in accordance with orders from the War Department. The two organizations of Regiment and Battalion are so blended together in the various rolls that they are all published in one organization, each officer's and soldier's record being given complete in the Company in which he originally served.

No official list of battles in which the Regiment bore an honorable part has yet been published by the War Department, but the following list has been compiled, after careful research, during the preparation of this work:

Twenty-eighth Regiment Ohio Volunteer Infantry.

THREE YEARS' SERVICE.

THIS Regiment was organized at Camp Dennison, Ohio, from June 10, 1861, to March 1, 1862, to serve three years. The original members (except veterans) were mustered out July 23, 1864, by reason of expiration of term of service, and the organization, composed of veterans and recruits, consolidated into a Battalion of three companies, and retained in service until July 6, 1865, when it was mustered out in accordance with orders from the War Department.

The two organizations, Regiment and Battalion, are so blended together in the various rolls that they are all published in one organization, each officer's and soldier's record being given complete in the Company in which he originally served, or to which he was transferred.

The official list of battles in which this Regiment bore an honorable part is not yet published in orders from the War Department, but the following list has been compiled, after careful research, during the preparation of this work :
