(Reprint from Adjutant General's Report,
State of Connecticut, 1920)

This office is also engaged in the compiling of certain data relating to the Selective Service Records, which when published later will be of great value as a matter of record. The following tables which are all that are completed to date are published, and undoubtedly will be of value to many, these tables are compiled from the records of this office. The following table gives the allocation, by me, under your direction, to the several local boards, of all calls:
