PREFACE

THE Public Archives Commission of Delaware takes pleasure in submitting the first volumes of a Series of State Archives. Because of the demand for the information, the first division will contain Military and Naval records from the earliest Colonial times to the close of the War of the Rebellion.

The Second division will include all the obtainable records of the general history of the Colony.

These volumes will be published as rapidly as the State legislature recommends.

FOREWORD TO VOLUMES I AND II.

The plan followed throughout these volumes is to publish the rolls exactly as they are found in the originals, with the addition of a general index of names.

This plan has been strictly adhered to, and its wisdom is proven by the facility with which the record of any soldier may be followed throughout his entire military career. It may be well to note that the term "Deserter" is often found applied to a soldier whose name appears again in the rolls later on, and who continued to serve his country valiantly. This is explained by the lax discipline of the army, which allowed a man to resort to his home for several months at a time if necessary.

The text of the rolls has been followed exactly in all instances, regardless of irregularities of spelling or punctuation. In most cases the name intended is quite evident, despite the fact that it is badly misspelled; but in others the true name cannot be guessed even after a phonic pronunciation has been tried.

A chronological arrangement has been followed as far as was practicable. Rolls of the Continental troops have been given precedence over the militia lists. It is a matter for regret that there are so few lists of colonial companies; and that more rolls of the militia organizations of the two lower counties, several of which were in active service at Trenton, Brandywine and elsewhere, have not been brought to light. A list, too, of the sailors on one or both of the State schooners, would have greatly increased the interest of the work.

The greater portion of this volume is comprised of copies of the original rolls in the office of the Secretary of State, at Dover, where there are on file about 450 muster and pay rolls, and some 725 accounts, receipts, &c. Footnotes indicate the source of all other lists.

“COMMISSION FOR JOHN SHANNON, 1746.”

“By the Honourable George Thomas, Esquire, Lieutenant Governor and Commander-in-Chief of the Province of Pennsylvania, and Counties of Newcastle, Kent and Sussex, on Delaware.

Whereas, His Majesty, by His Orders of the Ninth of April last, signified unto me by his Grace the Duke of Newcastle, one of His Majesty’s principal Secretaries of State, hath Impowered and Commanded me to raise a Number of Men in the Province under my Government, for an Expedition against Canada; These are in His Majesty’s Name to authorize and Impower you, John Shannon, Esq., to beat up for Volunteers within the said Government, in order to raise a Company, which is to consist of one hundred men, including Four Sergeants, Four Corporals, and Two Drummers, of which you are to be Captain, Provided you shall compleat your Levy in time for Marching the said Company to Albany, or to such other Place as shall be appointed by the Honourable Brigadier General Gooch, or by the Commanding Officer for the time being.

(L. S.) Given under my Hand and Seal at Arms, at Philadelphia, the Twentieth day of June, in the Twentieth year of His Majesty’s Reign, Anno Domini, one thousand seven hundred and forty-six.”

GEO. THOMAS.

Jacob Kollock, Junr. Gentn. Lieut.

Robert Bully, Gent. Ensign.

“INSTRUCTION TO JOHN SHANNON, ESQ., 1746.”

“Pursuant to His Majesty’s Orders, you will herewith receive a Warrant for Raising a Company of one hundred men, for an Expedition against Canada, with a Printed Copy of the Proclamation Issued by me; from whence you may certifie what Encouragement will be given by His Majesty, to such as shall engage in this Service.

You are likewise hereby authorized to assure Them, that they shall receive a Dollar upon Enlisting, and Three Pistoles in Gold, before they go out of this Province, for the Support of their Families in their Absence, or to be laid out in such other manner as they shall think fit.

You are to Enlist none but healthy, able body’d men, not exceeding forty-five years of Age, and of a good Stature, and you are to be very careful that they be not ruptured, nor under any other bodily Disorder, which may be an Impediment to their Marching.

You are to take especial Care not to receive any other into the Service, but Protestants, and such as will take the Oath prescribed by the Articles of War, and you are forthwith, after Enlisting, to carry them before a Magistrate for that purpose.

You are to make a regular Entry of the name of every Person Enlisted, his Highth, Complexion, Country, &c., and of the Day upon which he was Qualified, that

it may be known when his Pay is to commence, and that he may be apprehended and punished in case of Desertion.

You are to provide Quarters for the Men Enlisted, in the best manner you can, until they shall receive marching orders, taking care that the Expence does not exceed the King's Substance, which is sixpence sterling per Diem for each man.

You are, during their continuance in Quarters, to Exercise them daily, and as the time may be too short for perfecting them in the whole Manual Exercise and Evolutions, you must be very diligent in teaching them the Facings, Wheelings and Firings, that they may Load and Fire quick and regular.

(L. S.) Given under my Hand and Seal at Arms, at Philadelphia, the Twenty-fifth day of June, in the Twentieth year of His Majesty's Reign, Anno Domini, one thousand seven hundred and forty-six."

GEO. THOMAS.

You are further to transmit to me weekly, an Account of the number of Men Enlisted.

PROVINCIAL OFFICERS AND SOLDIERS.

KING GEORGE'S WAR.

The Companies commanded by Captains Trent, Shannon, Deimer and Perry, were recruited under authority of a proclamation issued by Governor George Thomas, dated June 9, 1746, reciting the King's Order of the ninth of April, to raise four hundred men within the province of Pennsylvania, to be employed in concert with the regular forces in the immediate reduction of Canada.

The instructions for recruiting, together with a copy of Capt. Shannon's commission, will be found in Pa. Archives, First Series, Vol. 1, pages 688, 689. These companies went into winter quarters at Albany, N. Y., 1746-1747, and were finally discharged October 31, 1747, "the late intended expedition against Canada having been by his Majesty laid aside for the present."

(" " " " Vol. 1, Fifth Series, page 5.)

(In December, 1747, the Assembly having made no provision for the defence of the City and Province, many of the inhabitants became alarmed and voluntarily entered into an association for defence. Companies were formed, which proceeded to choose officers, who in turn, assembled and chose their superior officers, all being commissioned by the direction of the Provincial Council. Col. Records, vol. V. pages 172, 174. The result of this movement is detailed in the message of Anthony Palmer, President, to the Assembly dated May 17, 1748: "The Province which very lately was in a defenceless state, is now, through the zeal and activity of some, who have the love of their country sincerely at heart, rendered capable, with the blessing of God, of defending itself against the designs of our enemies, many thousands of the inhabitants having voluntarily entered into the most solemn engagements for that purpose; in consequence whereof, arms have been provided, and every one appears assiduous in qualifying himself for the defence of his country. They have likewise at considerable expense, erected batteries on the River, so situated and of such strength and weight of metal, as to render it very dangerous for an enemy to attempt the bringing any ships before the city. We have granted commissions to such general and other officers, as have from time to time been presented to us for that purpose by the Association. Since these measures tend so

manifestly, under God, for the security of this Province, the preservation of its metropolis, we think they justly deserve the assistance and encouragement of your House."—

CAPT. McCLUGHAN TO GOV. DENNY.

To the Honorable William Denny, Esquire, Lieutenant Governor and Commander-in-Chief of the Counties of New Castle, Kent and Sussex, upon Delaware and Province of Pennsylvania.

The Address and Remonstrance of John McClughan, Captain of a Company of Foot, in the service of the said counties, Most humbly sheweth, that the said John McClughan held the Commission of a Captain of a Company of Foot, in the service of the afs'd Counties during the last campaign, & therein behaved himself to the satisfaction of his superior officers and without any just Cause of Complaint for any neglect or Breach of Duty, whatsoever. That after the Bill for raising one hundred and eighty men for the service of this year had passed the House, it was given out your Honor would Commisionate such officers to command the Troops afs'd as had been in the Pay of the said Counties & behaved well the year preceeding, and after them, such persons as should be recommended by the Commissioners & Representatives of the respective Counties, to fill up the Vacancies which should remain, if any. For which Reason your Remonstrant did not apply for any Recommendation to your Honor or for a Commission, hoping he would receive an offer of it as well as the late Major Wells & Captain Gooding. But finding that was not done, he then, and not till then, suggested that his Character had been abused and his Conduct Misrepresented to your Honor, & upon making enquiry, found his surmise too true; Whereupon on the eighth day of May last, he waited on your Honor with a Recommendation from the Representatives & one of the Commissioners of New Castle County, to beg that a proper enquiry might be made into his Behaviour, in every Respect, during the Continuance of his former Commission, but could not have the Happiness of speaking with your Honor at that time. He, therefore, waited upon Colonel Bouquet, under whose immediate Command and Inspection he served the principal part of the Campaign, and afterwards to several other officers & told them his case, and had the Pleasure of perceiving that they all looked upon his Character as greatly abused and his Conduct misrepresented, & promised to do him justice as far as lay in their Power, for the regard thay had to Truth and to his merit, without any other consideration.

That a few days after, he had the satisfaction of hearing from Mr. Secretary Peters that his Character was cleared from the aspersions it lay under, and that your Honor was so well pleased with his conduct, as to give him the first Commission of a Company of Foot, in the service of the Government of the Lower Counties on Delaware, and he, the next day, received the same accordingly with all due gratitude to your Honor, as well for the pay he might receive from such a Commission, as the great kindness done to his Reputation, thereby.

That your said Remonstrant thereupon immediately returned to New Castle and applied to the Commissioners of New Castle County for money to recruit with, shewing at the same time his beating Orders and Commission, but was refused by one of them & told that all the money they had the power of was dispos'd of or engaged to three other gentlemen who had beating orders in said County; notwithstanding, which Difficulty and many more your Remonstrant laboured under, & which, for the sake of Brevity only, he omits mentioning he recruited in about eight days twenty-eight good

men at his own private Expence, who were received and approved of by Mr. Commissary Young, and that in a Fortnight, or less time from the beginning, he is well assured he could have raised his whole Company had he not receiv'd orders by the s'd Mr. Young, from your Honor, to desist inlisting any more until it was known what numbers were raised.

That your Remonstrant not only paid the af's'd Recruits, by him raised, the Bounty of Five pounds allow'd by the Government, but also to many of them his own twenty shillings, and to most of them half that sum; and by Way of a further Encouragement, & that the men might be the more speedily raised, he advanced to masters for their Servants and to Creditors for their Debtors, which he inlisted the Sum of Forty-five pounds and upwards.

That on the 31st Ult'o, he received a Letter from your Honor, dated the 30th of the same month, wherein your Honor is pleased to inform him that his late application had thrown everything, with respect to the new Levies, into Confusion, as all the officers had beating Orders a considerable time before his application & had actually raised their men; And, therefore, your Honor, in the most kind and polite manner, requested him to resign his Commission, as your Honor apprehended it was absolutely necessary for the Service of the Government, and on that Account only agreeable to you.

Your Remonstrant also receiv'd a Letter from Mr. Joseph Shippen, Brigade Major, dated the 9th Instant, informing him, "The Governor had been pleased to commissionate Messrs. Battle, Vanbebber & Wright, Captains of the Delawar Government Companies, & that it was his Pleasure he should deliver over the men he had raised to the Captains Battle and Vanbebber, so as to complete their Companies as the Governor has ordered the Commissioners of the said Government to pay to him the raising these men—the Bounty, Subsistance, & Inlisting money agreeable to his beating orders."

Upon all which your Remonstrant humbly begs leave to observe, That as he was a Captain the last year, and behaved well, which is Confirmed by your Honors giving him another Commission; As he is the only Person who held the Rank of Captain, the last Campaign, that applied to go this year, in the Service of this Government, as your honor was pleased to say such officers who had behaved well should be preferred this year, and provided for before any others and also that the Representatives and Commissioners of each County should be permitted to recommend such Persons for officers as they most approved of, as the Representatives and Commissioners for New Castle County, never recommended any other person for Captain but him, the said John McClughan, as he is advised, as he was the first who had your Honor's Commission as such, as he had so many Difficulties to encounter & notwithstanding raised so many men in so short a time, and for which he could have no other Inducement than the Honor of the Government and the hopes of meriting fully the Commission he had obtained from your Honor, and having an opportunity of reimbursing himself again and receiving the Bounty and Pay of a Captain during the Campaign, as the other Gentlemen whom your Honor has appointed Captains, were all subalterns the last year, and Mr. Wright, Lieutenant to the s'd John McClughan, as his late application is fully accounted for, and Commissions in the army have been always granted during good Behaviour, your Remonstrant humbly conceives he has a kind of legal Right to your Honor's Favor and to have the Command of the Troops of said Counties during this Campaign, and that any of the other officers should rather resign than him, and there-

fore your Remonstrant humbly hopes that your Honor will be pleased to take the Premisses into your serious Consideration, and he makes no doubt but your Honor will still continue your Favor towards him and Do him that Justice your Honor must think he deservedly is intitled to.

And your Remonstrant will pray, & ca.

JNO. McCLUGAN.

We, the subscribers, members of assembly, for the County of New Castle and Commissioners for the same, do most humbly recommend in the warmest manner, to your Honor, a due Consideration of the foregoing Remonstrance.

CAPT. JOHN HASLET TO RICHARD PETERS.

NEW CASTLE, May 15th, 1759.

Rev'd S'r:—I hope your goodness will excuse this trouble, which I give you, from my Desire to serve the Publick; 'tis in favour of Capt. M'Clughan, a gentleman who served last year to ye Westward, but thro' the misrepresentations of some to his Honor ye, Governor, has been neglected this year; were he only an honest man be assured, s'r, I would not imploy your time w't this, but that he was also a Good Officer I can get attested by all impartial officers of his acquaintance & can safely appeal to Col'l Bouquet in place of all others. I have conversed w't the Sheriff of the County; he assures me, none of their officers is so much liked by the men, nor so likely to raise a Company w't ye necessary expedition.

Sev'l of the Magistrate & members of ye Assembly assure me y't were ye vote of their house to have any weight ye Majority we'd be of his side. I again beg ye pardon for praying your Freidship in behalf of an Honest Man, who merits the place he held last year, & I can safely assert a Better, more than any two of ye Counties in which he served.

I am, Rev'd Sir,

Your most obliged,

Obedient Serv't,

JOHN HASLET.

Note!—I have ye pleasure to acquaint you I have completed my Company.

Sir:

Pr Order of Convention Thomas Booth is this day discharged by Col. Saml Patterson,—am sorry to inform you that there was a wrong representation in the old Gentleman's Petition concerning his Son, he is mentioned in the Petition as an apprentice, which (from what the young man says, and what I believe can be proved by several now in my Company) he never was, neither are there any Articles between him and his Brother, Joseph Booth—you have now (I can assure you) discharged one of the best men in the Battalion, nay, I may say *the Best man in it*, hope from this you will order that he shall not enlist in any Company untill our service is over; I also understand the Fort Company is to take the right of our Battalion if so, hope you will satisfy me of the Propriety of that, (I having my Commission for the Flying Camp before they were ordered in the Battalion) otherwise must pray for my discharge, not that Capt. Lattimer's Company or person is disagreeable to me but that there ought to be some kind of Regulation in an Army, which I can assure you never has yet been in this Battalion.

I am Sir,

Yr Most Obedt Hble Servt,
JAMES DUNN.

N. B. I shall expect an answer to what I have wrote as I shall not be able to leave this until next Wednesday or Thursday. J. DUNN.

On back of paper:—To the Honble. George Read, Esq., President of Convention at New Castle. Pr. Mr. Thomas Booth. Capt. Dunn's Lre respecting Rank of the companies in Col. Patterson's Batt: 14th Sept., 76.

PERTH AMBOY, October Ye 8th, 1776.

Gentlemen:

Whereas Mr. John Watson of Sussex was appointed Quarter Master to the Delaware Flying Camp Battalion and from a state of bad health which he has been possessed with, has rendered him incapable of performing his duty, he therefor has

thought proper to resign his commission—and as one George Purvis, from Sussex, has from the first acted as his assistant who understands the business and duty of Qr Master—Colo Patterson has therefor appointed him to act in that station untill further Orders from your Honors. Which I hope the Sd Purvis will be your appointment.

I am Gentlemen

Yr Most Obedt & Hble Servt,
Robert Hodgson, Lieut. Colo.

On back of the paper:

Convention of the State of

And as you are enjoined to inquire into the Condition of said Battalion, he informs you, that his Battalion is very badly Cloath'd, and that a number of his Blankets were lost on the Expedition on Staten Island and that he has not been able to procure any since so that many of his Battalion is badly off, on that account, but that he has a number of spare arms & accoutrements, an acct. of which he has likewise annex'd, which arms and accoutrements, he will immediately transmit to the Delaware State.

"Your committee do further report that the several accounts of particulars of the "above mentioned separate sums, amounting in the whole to two thousand four hundred "and eighty-five pounds six shillings and eight pence, are herewith returned for the "examination and correction of the General Assembly. The account of Capt. Thomas "Skillington's company has not yet come before your committee."

The committee appointed to confer with a committee of Assembly on the subject matter of settling and adjusting the accounts of the officers and privates in the 2d Delaware Battalion of the Flying Camp, commanded by Col. Samuel Patterson, from the time of their enlistment to their being passed by the Commissary of Musters, brought in their report with respect to Thomas Skillington's account, unsettled at a former meeting of said committee, which by order, was read, and follows in these words, to wit:

The committee of Council appointed to confer with a committee of Assembly on the subject matter of settling and adjusting the accounts of the officers and privates in the 2d Delaware Battalion of the Flying Camp, commanded by Col. Samuel Patterson, from the time of their inlistment to their being passed by the Commissary of Musters, at Philadelphia, do report that they met the committee of Assembly to settle and adjust the account of Captain Thomas Skillington, who commanded a company in said battalion (which, by a former report of said committee is mentioned not to have been laid before them at their first meeting), and they find the amount of the same, for pay, subsistence, inlisting, and other charges, specified in an account of particulars herewith returned, to be £365:9:11 which your committee submit to the examination and correction of Council. And your committee do further report it as their opinion that a committee of 3 persons be appointed, two by the House of Assembly and one by the Council, in each county, to settle what sum of money is due to each private in the battalion aforesaid, as well for his service from the time of passing muster, at Philadelphia, as

for his pay and subsistence from his inlistment to the time of muster aforesaid; and that such settlements ought to be made by the said committee, respectively, in presence of the captains and privates, or their representatives, from time to time, upon 8 days notice given of the time and place of meeting by advertisement.

"This may certify that *Colo. Samuel Patterson, The Rev'd Samuel Eakin, James Lucas, John Watson, James Tate, Edward Duff, William Millan, Thomas Kean, James Dunn, & William Moody*, were residents of New Castle County in the year 1776, and 1777 and received that money which appears, by this account to have been due to them, from the Trustee of the Loan Office of New Castle County, and that the vouchers for payment fell into the hands of the enemy on the 12th day of September 1777, together with the money due to Rob't Hodgson & H. Neill, as by Gen. Patterson' Affidavitt, reference being thereunto had, may fully appear. It is also presumed that the original muster-rolls, settled by the Delaware State, from ? (torn) being deposited with the public papers at New Castle, fell into the hands of the enemy at the same time;—as not one of them can now be had, and only some certified copies have been preserved by some of the Captains, which are herewith transmitted."

This is a copy of an old paper which was wrapped around a batch of Vouchers to the Account of Joshua Clayton, Esq. State Treas. The handwriting is that of Elaezer McComb, Auditor of Accounts. As all the men mentioned were members of the "Flying Camp" Battalion, it is very probable that the Muster Rolls referred to as being captured by the British, were the Rolls of that Battalion. No date appears.

Signed by Order of the Council

Geo: Read Speaker.

Signed by Order of the House of Assembly,

Jno. McKinly, Speaker.

Saturday, November 9th 1776.

"That the Speaker of the Assembly has delivered several of the printed resolutions of Congress relating to the reenlistment of the Army, and forty blank commissions, received from the President of the Congress, together with eight copies of the "Articles of War, to col. Samuel West, one of the commissioners appointed to repair to "the army.

"The House will do their part in satisfying the commissioners for their expenses "to be incurred in the service of the State.

Wednesday, A. M. January 15th 1777.

Your committee are also of the opinion that the resolution of Congress of the 27th of December, recommending the march of the new levies of this State for the Continental army, by companies or parts of companies be also complied with; and that it be recommended to the commanding officer of the Delaware Battalion to issue orders to the respective captains thereof to march their companies to Philadelphia, to receive further orders from the commanding officer there, and, if not yet complete, to cause so

many as may be already inlisted immediately to repair there, under a proper officer or officers, provided the number shall amount to thirty-five, leaving one or more officers to recruit, in order to fill up the companies and that a sum of money be provided for the subsistence of the the companies so marching till they arrive at Philadelphia, which, your committee think, will render the appointment of a commissary, to proceed there for the purpose of procuring provisions, unnecessary.

In The House of Assembly,

Tuesday, A. M., January 28th, 1777.

Resolved, That a Lieutenant Colonel and a Major be appointed to the Battalion now raising in this State to serve during the war, as the same was not done by the commissioners aforesaid; and that it be recommended to the House of Assembly to join with the Council in such appointment, and that the same be done by a joint ballot of both Houses.

Resolved, That a representation be made to General Washington of the mistake committed with respect to the commission granted to Peter Jaquet, as oldest 2d Lieutenant in the battalion aforesaid, who ought to have had a commission and rank in the said battalion as Fifth 1st Lieutenant.

Resolved, That Mr. James Tilton's commission as Surgeon to the said battalion, with his letter of resignation, be transmitted to General Washington, that he may appoint another in his stead.

In The House of Assembly,

Friday, A. M., February 7th, 1777.

On motion,

Resolved, That the Captains Kirkwood and Anderson march their companies forthwith to the City of Philadelphia, in order that they may be clothed as speedily as possible.

In The House of Assembly,

Saturday, A. M., February 22d, 1777.

That the General Assembly have been informed that Col. Bedford and Major McDonough decline going into the service of the army.

That the recruiting of the Delaware Battalion goes on very slowly, occasioned, as is apprehended, by the want of the vacancies of officers in the said battalion being filled up, and the great number of parties from other States now recruiting in this.

Head Quarters, Perth Amboy 14th Novemr 1776.

Gentlemen,

Agreeable to your Appointment of the Delaware State (as Commissioners for Inspecting into Colonel's Haslet's & Patterson's Battalions) Colonel Patterson have hereto Annex'd a Roster of the Officers of his Battalion, together with a list of those he

Recommends as good Officers, and such as he thinks worthy to serve in the Battalion to be rais'd during the War.—

And as you are enjoin'd to enquire into the Condition of said Battalion, he informs you that his Battalion is very badly Cloath'd, and that a number of his Blankets were lost on the Expedition on Staten Island, and that he has not been able to procure any since, so that many of his Battalion is badly off on that Account, but that he has a number of spare arms and Accoutrements, an account of which he has likewise annex'd which arms and accoutrements he will immediately transmit to the Delaware State.—

Condition &c. of ye Delaware Battaln

*This is written in lead pencil.

1777.

The Committee of Council appointed to take into Consideration a Report made to the General Assembly of this State by Messrs Collins & West ye 7 Jan'y Inst. of their proceedings as Commissioners to the Camp under the Command of His Excellency General Washington for the purposes in the Resolve of said Assembly of ye 5 November last, appointing said Commissioners—do now Report that, by the Return of said Commissioners it appears they did Commission Officers to serve in the Delaware Battalion to be raised in this State to serve during the present War on the Terms proposed by Congress; except a Lieutenant Colonel, & Major and also that since the filling up of said Commissions James Tilton who was then Commissioned as Surgeon to said Battalion hath resigned his said Commission; which appears by his letter inclosing the same to said Commissioners; Your Committee also report that the place of Colonel to said Battalion is now also become Vacant by the Death of John Haslet, Esqr.—It also appears to your Committee by the Return afsd that an Error hath been committed in fixing the Rank of a Certain Peter Jacquett who in said Return is Commissioned as first second Lieutenant, and ought to be fifth first Lieutenant,

Your Committee are of Opinion that the several Vacant Offices afsd ought to be filled up as soon as possible.—

It does not Appear that the said Commissioners have made any Return of the Condition of the Battalions commanded by Colonel Haslet Dec'd & Patterson as they was directed by the General Assembly—

Your Committee are of Opinion that the Account exhibited by said Commissioners of their Expences on the Business afsd amounting to £38:1:9 be allowed and that the sum of Twenty four pounds be allowed by this State to said Thomas Collins & Sam'l West for their Service afsd that is to say twelve pounds to each of them.—

Your Committee are in Doubt what mode would be best to rectify the afsd-Error in the Rank of Peter Jacquet, & submit the same to the Determination of Council.

Return of the Detachment of the Delaware Reg't.

On an accompanying paper:

Camp near York October 26, 1781.

Sir,

Inclosed I transmit your Excellency a Return of the Detachment of the Regiment, under my Command, which (although small) have had an Active share in reducing the two Ports of York, and Gloucester, being detach'd to the Artillery, and having done duty with them during the Operations here.

In my last to the President of the State, which I sent from Baltimore, was inclosed a Return of the Clothing wanting for the Detachment—Having received no answer, I am obliged to repeat my Requests, the men being entirely naked—In my whole Command I have not one Waistcoat, One good shirt, or One pair of good Overalls, and am also in great want of about Fifty Blankets, and Fifteen Coats—for Want of Body shirts, they have been obliged to wear their Hunting Shirts, these, with the others are also wore out, and now they have no alternative but nakedness—Their Overalls being also worn out, makes their nakedness the more general—I have not more than twenty men who can do duty—The sick absent, and present, are rendered unable for Duty, for the above want, and I expect, at least Two Thirds of them, will be obliged to go to the Hospital, with Sickness, occasioned by their ragged situation.—In my last I mentioned the impossibility of procuring a supply from the Continental Store, and urged, in the most pressing terms) the Articles mentioned in my Return, being procured, and forwarded on immediately, by one of the Subaltern Officers in the State; I should wish this mode still to be pursued, as on the March to Carolina almost all my Men will be left in Hospitals which when releived by warm clothing, will be able to pursue their march—The Collection of them, would also be a necessary Duty for an Officer, and its out of my own Power to leave one on that Duty—I should send a Return of what Articles are wanting, but a Return of their numbers will serve the same purpose, as One Waistcoat woolen, Two Good Shirts, One Pair of Woolen Overalls, one pair of Socks, and one pair of Shoes, are wanting for each man—besides the blankets and coats mentioned before—

The weather being tolerably warm, since our arrival in this State, has favor'd the Men much, but the cold season has now come on, and I much dread the Consequences of it—

I hope the Finances of the State, will admit the purchasing a Relief, for which, I'm convinced it cant be better Apply'd, or do more Service—The men look up to the State, in their Distressed Situation, for Relief, I hope they may not be disappointed—They are good Men, and will make, with kind treatment, good Soldiers—but in their present State, little can be expected, from Men, who are naked, and full of Vermin, and have not an immediate prospect of a Relief—

It would have given me great pleasure could I have assured your Excellency, that the Command was hearty, and well clothed, and am truly sorry their Condition wont admit of it—

As we will move very shortly for Carolina, I must press (in the most earnest terms) an officer being sent out, with the Within Mentioned Supply, who may Clothe the men on his Way, and Conduct them to the Regiment—

I have the Honor
to be, Sir

CAMP ASHLEY RIVER July 8th 1782

Sir,

I have the Pleasure to congratulate you on the Evacuation of the Garrison of Savannah which took Place a few days ago. The Conjectures concerning their Destination, are various, however, from the last Accounts, from town, We are induced to believe, they will be equally divided, between the Garrisons of Charleston, Jamaica, and Augustine. We enjoy ourselves much on the Prospects of their leaving this Garrison also, but whether its real, or imaginary I can't pretend to ascertain; This only I'll say, their Preparations, and Movements, seem to indicate it—Our Army moved down below this Place yesterday, and lies on Mr. Cattells Estate, on the South Side of the River, Sixteen Miles from Town; The Infantry, have laid here some time, and have been erecting a floating bridge which, when compleated, will effectually prevent the Enemy's making any Excursions in the Country—The Army in general, has been, and is sickly, and am afraid, will increase as the fall months are pregnant with bilious Diseases—Our men have been, and remain tolerably healthy, indeed more so than any in the Army—We still remain with the light Troops, composed of Coll. Lee's Legion, the 3d Rigiments of Dragoons, with a Detachment of 100 men from the Army the whole under the Command of Brigr Genl Gist.

Thursday last being the Anniversary of our glorious Independance was held in Commemoration by the Army's firing a feudejoy.

The field officers, on that day dined with his Excellency Governor Mathews, while the inferior officers had a Repast at Head Quarters—I shall make no Animadversions, on the Operations of the day; but assure you, that the Day was spent in Mirth, Peace, friendship, and Harmony; the whole retiring at night, socially drunk. I wrote your Excellency, a month ago, and in my letter inclosed the Monthly Returns, for April, and May, with the names of the Officers and Men, who are in the State, and not to be accounted for in the Returns here—This letter was carried by a Mr. Lovell, of Coll. Lee's Legion, who after going to Santee, returned and of Consequence the Letters with him—The whole you will find inclosed in this, and should have been glad, they had arrived in their proper time—It has been my wish to transmit those Returns monthly, but the Difficulty of Conveyance prevents it—You may be assured, that no Opportunity shall be lost in acquainting you of our Strength and Situation—

By your Letter of November, you mentioned the Appointments of Mr. Vaughan, and Doctor Platt, to Commissions in the Regt.

That for Mr. Vaughan, I've been expecting daily, but as it is not yet come, & perhaps not yet started from the State, I would be much obliged to you to have his Commission as a Lieut. made out, and sent on as he is entitled to it from the Date of his Appointment as Ensign, the Regiment having at that vacancies for two, or three Lieutenants.

I am, Sir

Your Excellency's

Most Hum Servant

W. McKENNAN

N. B. The Troops, a few days ago, drew one Shirt, one pr. of Overalls, One pr. of Shoes, and one Stock each—and I expect, from the Arrival of some Waggon, with Clothing, that we will be completed, with this Article in a short time.

ASHLEY? RIVER August 16th 82

Sir,

Nothing of consequence has transpired since my last, dated from this Place—In it, I mentioned the Evacuation of Savannah—This day, the Troops from that Place, under Genl Wayne, arrived in Camp—We have at present the most flattering Prospect of entering Charlistown shortly—and are confirmed in this opinion every hour, by the Inhabitants, who are coming out in very great numbers, to seek, and plead Protection

from their Country—This the most of them receive, from their Penitency, and by swearing strict Aggeiance are pardoned, and received as Regained Sheep—I can't ascertain the exact Time of their Departure but its expected, it will take Place by the middle of next month. They only wait the Arrival of a fleet of transports from New York to convey them, which they expect every hour—Its reported from head Quarters, that when this event takes Place, the Army will take Post on the Sea Islands, to refresh, till the first of October, when we will take up our March for the Northward.

If this be the case, I expect, the Regiment will see the State, in triumph, yet before the close of the Winter—Our Army continues very sickly, but very little mortality—my officers are all almost poorly—The men are the heartiest in the Army, altho they do the severest Duty.

Inclosed I send your Excellency my last Monthly Return, by which you may see, we lose none

I hope this may continue, till I see the State, when I expect some notice will be taken of those brave fellows, who have lent their Aid in supporting the Character of the State.

I am, Sir in haste

COLONEL DAVID HALL'S REGIMENT.
Fourth Company,
ENOCH ANDERSON, Captain.

Captain Anderson resigned his commission March 1, 1779, and John Willson became Captain of this Company for the months of March, April, and May of that year. In the General Pay Rolls for March and April it is ranked as the ninth Company. In the May pay roll it is the sixth Company. At the end of that month, probably owing to the disbanding of the Light Infantry Company, the ninth Company was discontinued, and the men were probably absorbed by the other Companies on this new Arrangement. Captain Willson at this time took command of Captain James Moore's Company.

Pay Roll of Capt Jaquetts Compy

Delw Reg. for the Month of March 80.

COLONEL DAVID HALL'S REGIMENT.

Additional Company

JAMES MOORE, Captain.

This Company was formed on the Arrangement of September 8, 1778 and continued under the command of Captain James Moore until June 1779, when, owing probably to the disbanding of the Light Infantry, a Company (that commanded by Captain John Willson, formerly Anderson's) was discontinued, and Captain John Willson took the command of this Company in the stead of Captain Moore. After that date this Company appears as number five in the General Pay Rolls.

HEAD QUARTERS VALLEY FORGE 19th Jan'y 1778.

Sir,

I am in hopes that the Legislature of your State have fallen upon some mode to fill up the Battalion allotted to it, against the ensuing Campaign. If they have not I beg leave to remind you how short the time is from hence, to that in which we ought to be in the Field. The advantages that will arise from our being able to begin our Operations before the Enemy are reinforced, are too obvious to need recapitulating and I have therefore wrote, in the most pressing manner, to every State, to endeavour to send their Quota of men as nearly compleat and as early as possible.

The Regiment of your State is at present with Gen'l Smallwood at Wilmington, and you will therefore be pleased to apply to him for a Return, from which you will see the Deficiency in point of Numbers. If you should not have already adopted some mode of raising your Men, I think you will find it in vain to attempt to do it by any other Means than those of Drafting. I am told that the State of Pennsylvania have passed a Law to draft their Men. I have not seen it, but am convinced if the Practice was universal that the People would not complain.

It has been recommended, by Congress, to every State to cloath their own Quota of their Troops as far as they may be able, and make it a Continental charge. I am certain that, with proper exertions, it may be done by the middle and northern States very nearly by their own internal Manufacture; but least that should not be sufficient, the Continental Agents will continue to import and to purchase from private Adventurers all kinds of Goods proper for the Use of the Army. Considering the many impediments that lay in the Way of foreign Importations we ought to put as little dependence as possible upon that source, especially for the Articles of Shoes and Stockings of which there is the greatest Consumption and for want of a regular supply of which our Soldiers suffer amazingly.

I shall be glad to hear from you as soon as convenient upon the above subjects and have the honor to be

Sir,

Yr. most obed't Serv't.

Copy of a letter from General Washington Dated 19th Jan'y 1778 to the Vice-President referred to in his Message of the 21st Feb'y 1778.

In the Council, Saturday, May 2d 1778. A.M.

The Council taking into Consideration the Resolutions of the General Assembly of the 25th of February last, for compleating of the Delaware Regiment, And it appearing, that the deficiency in the number therein mentioned, hath not as yet been made up, and that the time limited in the said Resolves for the Premium to the Recruiting Officers, and the Additional Bounty to each Soldier enlisted, expired on the 1st of this instant: Therefore

Resolved

That the Premium and Bounty allowed to the Officer and Soldier as mentioned in the said Resolves, be continued until the first day of July next.

Resolved also,

That it be recommended to the President That he make application to General Smallwood or such other Persons as he may think proper for a suitable number of Officers belonging to the same Battalion to be continued on the Recruiting Service.

WILMINGTON May 19th, 1781.

Sir,

Inclosed I transmit your Excellency a Muster Roll of the Recruits Received and Enlisted by me for the County of New Castle, amounting to 48 men, 22 of them were delivered by the heads of Classes, & 26 Recruited by the People employed, by me for that Purpose, their Names Date of enlistments and Remarks. I am sorry that it appears by the Muster Roll that so many have deserted, twelve of them are of the men delivered by the heads of Classes. I heard of six of them yesterday, that I expect will be brought in, in the course of a few day. We have offered a Reward of three pounds in specé for each of them. We are and have been much at a loss for want of money, but I hope that evil will soon be remedied as I have got the Delinquent Classes Collected and put into the hands of the Magistrates, for the Purpose of Recovering the amount of them. I shall acquaint your Excellency from time to time of our Proceedings and at the same time have the Honour to be your Excellency

Resolutions for Compleating the Delawar Regiment.

1781.

*John Caton an Apprentice to Col: Charles Pope was inlisted by Col: Saml. West & brot before me to be mustered &c. On my inquiry if his master was satisfied Col. West informed that he had reason to believe his master woud not object to his going into the service, the boy was mustered & sent to quarters, but I declined giving a receipt to Col. West till I saw or heard from Col. Pope. In one or two days after, Col. Pope came down to Dover, & took home his boy. I wrote immediately to Col. West that contrary to his expectations Col. Pope was unwilling to part with his boy, that it was the better opinion the law woud not warrant the inlisting servants or apprentices without consent of their masters, which made it necessary for him, to look another man for his Class.

After the 2d of Apl: I sent to Col. West for his Class list as my guide to collect the tax; & received for answer that he inlisted his man, collected part of the money and intended to collect the remainder.—Thus the matter stands, Col. Pope has his Boy, and Col: West the money arising from the tax of his Class.—

I Darius Burns about three weeks after he inlisted was sued by a certain Joseph Meeks, for fifteen bushl. of Indian corn, and for want of security went to Gaol, where he remains to this day.

The above remarks by Col. Neh: Tilton & refer to his Returns of Recruits raised for ye Delaware Regiment under the Act of Assembly passed 12 Feb: 1781.—

Sir,

In reply to your Excellency's favor of the 15th Inst. I have to observe, that considering the several important Circumstances which have occur'd in Public Affairs, and the uncertainty of the Operations of the Campaign, I should not think it advisable that the Recruits should march to join the Southern Army, untill further Orders In the meantime, the number ought to be augmented as much as possible and the preparations such, as that they could move at a moments Warning.

Should it be more convenient for supplies, to have your Recruits attach'd to those of Pennsylvania or Maryland at the nearest Rendevous in either State I shall have no objection to it.

With great respect and esteem

In the House of Assembly, Tuesday, P. M. Feb. 4, 1783.

Whereas it appears by a letter from the War Office, dated the 3d Day of January last, that the late Arrangement of the Army of the United States which was to take Place on the first Day of the said Month in pursuance of the Resolution of Congress of the 7th of August last, is suspended so far as the same relates to this State until the first day of March next, upon condition, that a positive Assurance be given that an Augmentation will be given to the said Regiment on or before the said Day.

Therefore Resolved,

That the President or Commander in Chief be and he is hereby impowered to write to the Secretary at War informing, that this State will engage to complete the Delaware Regiment to four Companies by the twenty-fifth Day of March next.

That Captain James Moore be directed forthwith to proceed to the inlisting of fifty four men for the purpose of completing the Delaware Regiment to four Companies, in which business he shall govern himself in all things agreeable to the Resolutions of the General Assembly of the 13th of November 1781, and 5th of February 1782, except so far as the same relates to the Bounty allowed to each Recruit, which shall be the sum of six Pounds, and no more, and the said James Moore shall be intitled to the same Rewards and Emoluments for this service as are specified in the said Resolutions.

That the President or Commander in Chief be and he is hereby authorized to draw his Orders upon the Treasurer of this State from Time to Time in Favor of the

said James Moore for such sums of Money as he shall judge necessary for the said Recruiting service, not exceeding in the whole the sum of Five Hundred and Fifty Pounds.

And whereas it hath been represented that a number of Deserters from the Delaware Regiment have signified their Desire to pay such sums of Money for their Discharge therefrom as will, in the Opinion of the General Assembly, be sufficient to procure substitutes to serve in the said Regiment.

Therefore Resolved,

That Captain James Moore be and he is hereby impowered and directed to give a Discharge to any Deserter from the afsd. Regiment who shall pay to the said James Moore on or before the tenth Day of March next such sum of Money as he shall deem sufficient to procure a Substitute for that purpose, which Discharge shall be as valid to all Intents and purposes whatsoever as if the same had been given by the General Assembly.

JAS. BOOTH, Clk. of Assembly.

Sent for Concurrence.

Camp Hillsborough 12th Sept. 1780.

Dear Sir:

A Number of your Officers having unfortunately fallen in the hands of the Enemy in the Action of the 16th ultimo, remain prisoners of War; and having lost all their baggage are in the greatest want of Clotahs and money to support them.

I have the pleasure to inform you that the Officers and men of this Regiment, with the whole of the Regular Troops behav'd with that firmness and Intrepidity which would have ensured us a Compleat Victory, had not the scandalous conduct of the Militia, left us to oppose the Torrent of superior numbers; the particulars of which I beg leave to refer you to Captain McKennan who waits on you for your Assistance in procuring Cash and other necessaries to render the situation of the Prisoners comfortable.

Mr. Roche, Pay Master being amongst the Prisoners, Mr. Quenouault is appointed to do the duty in his stead, and will wait on your Excellency in a few days for Cloathing and stores for such of the Troops as remain with the Brigade. The loss of Men will render it necessary to reduce the Brigade and incorporate the whole into one Regiment, of which your Troops will form two Companies. The Supernumerary Officers in this case will be ordered to the Delaware State to be employ'd in such manner as you may direct.

Captn Moore for the Del. Regt.

War-Office January 3rd 1783.

Sir,

I have the honor to inform you that General Smallwood, to whom the reform of the troops of your State, as directed by Congress, was committed by General Greene, has not yet reported to the War-Office.

The resolve is considered as taking effect on the first instant and the number of Officers to be retained must be proportioned to the troops in service on that day unless the State shall find it expedient to give an assurance that an augmentation will be made on or before the first day of March next—in which case I shall request the permission of Congress that the Officers retained may be proportioned to the number of Troops which the State shall be pleased to give a positive assurance of raising, and bringing into the field, on or before the first day of March.

I shall hope the honor of being informed what decision is taken in this business, as soon as may be convenient.

I am, with profound respect,

Your Excellency's

Most Obedt, Humble, Servant

W. JACKSON

Assistant Sec'y at War.

I am applied to (torn) by Jonathan Jackson for information respecting his brother Levi Jackson, formerly a soldier of the Del. Reg't. The said Levi inlisted sometime in the summer or fall of 1779 and continued in the service till the battle of Camden the 16th Aug't 1780 in which he receiv'd a wound and was made prisoner, of which wound I believe he died in Captivity as I have always had that account from the other soldiers.

I should come into town to-day but am rather unwell to leave home. I also wished to deliver John Faris his portion of corn in order that the Crib may be secured. I have agreed with Gabriel this morning to thresh the wheat in sheaff @ 6d he finding himself.
