The
Registers
of
St. Paul's Church,
Covent Garden, London.

EDITED BY
THE REV. WILLIAM H. HUNT.

Vol. K.—Christenings, 1653—1752.

LONDON:
1906.

HAROLD B. LEE LIBRARY
BRIGHAM YOUNG UNIVERSITY
PROVO, UTAH

Preface.

THIS Volume contains the Registers of Christenings at the Church of St. Paul, Covent Garden, in the City of Westminster, from 1653 to 1752. It also gives the Notices of Births in the parish from 1653 to 1658. By the kindness of His Grace the Duke of Bedford, without whose generous aid this entire work would not have been possible, four subsequent volumes will be published, including all Publications, Marriages, Births, and Baptisms to the year 1837. Burials will be brought down to 1853, the year in which the Burial ground was closed, exactly two centuries after this Register begins. Each volume of the Register is written in various handwritings, bound in full calf with gilt lines, and is in an excellent state of preservation. The whole are kept in an iron safe in the north vestry of the Church.

The modern Church and Parish of St. Michael's, Burleigh Street, Strand, having been united by an Order in Council, dated August 8, 1905, to the Parish of St. Paul, Covent Garden, the Register of St. Michael has been transferred to the latter Church, and is now also kept there.

The Register of St. Paul's is contained in fifteen volumes :—

Volume I., 1653—1670, which opens with an account of the election and swearing-in of the Registrar of the Church, contains Publications, Marriages, Births, Baptisms, and Burials. It is written on 189 vellum leaves of varying substance. Crown folio (15 by 10), with two clasps.

Volume II., 1670—1703, records Marriages, Christenings, and Burials, on 229 vellum leaves. Folio (18 by 12½), lettered on side, with two slightly ornamented clasps. [N.B.—Although the word “Births” is printed on the back of this volume, no births are recorded herein. The

inconsecutiveness of its pages strongly accentuates the necessity of keeping Marriages, Baptisms, Burials, etc., in separate volumes, after the practice now universally observed.]

Volume III., 1703—1739, contains Marriages, Baptisms, and Burials, and is written on 196 vellum leaves. Folio (16 by 12), with two clasps.

Volume IV., 1739—1767, records Marriages, Baptisms, and Burials, written on 176 vellum leaves. Folio (16 by $11\frac{3}{4}$), with two clasps.

Volume V., 1754—1768, contains Marriages only, and is written on 180 pages of hand-made paper. Double Royal (19 by $12\frac{1}{2}$), with two clasps.

Volume VI., 1767—1796, records Baptisms and Burials, on 189 leaves of vellum and two leaves of hand-made paper. Folio (17 by $11\frac{3}{4}$), with two clasps.

Volume VII., 1768—1782, contains Marriages only, and is written on 130 pages of hand-made paper on the prescribed printed forms. Long Folio (18 by $11\frac{1}{4}$), with two clasps.

Volume VIII., 1782—1805 (the latter figure ought to be 1806), records Marriages only, on the printed forms of 287 pages of hand-made paper. Crown Folio ($15\frac{1}{2}$ by 10), with two clasps.

Volume IX., 1797—1812, contains Baptisms and Burials, on 124 vellum leaves. Double Royal (19 by 14), with $1\frac{1}{4}$ inch Greek roll border. Plated sides lettered, back broken, and two clasps.

Volume X., 1806—1812, records Marriages only, is written in the printed forms on 39, out of 154, vellum leaves. Folio ($15\frac{1}{4}$ by $10\frac{1}{2}$), lettered on side, with two clasps.

Volume XI., 1813—1837, contains Marriages only, written on paper in the printed forms of 265, out of 300, pages. Folio ($15\frac{1}{2}$ by 10), lettered on side, with $\frac{3}{4}$ inch sprinkled gilt border, backs now broken, two clasps.

Volume XII., 1813—1837, Baptisms only, 300 pages. Size, paper, binding, and clasps uniform with Volume XI.

Volume XIII., 1813—1827, Burials only, 300 pages. Size, paper, binding, backs now broken, and clasps uniform with Volume XI.

Volume XIV., 1827—1843, Burials only, 300 pages. Size, paper, and binding uniform with Volume XI. One clasp only.

Volume XV., 1843—1853, Burials only, 98 pages used out of 300. Folio (15½ by 10), gilt border and back lettered. Two clasps.

The Church of St. Paul, originally built by Inigo Jones, is not only interesting because it is said to be the first Church consecrated in this country after Cromwellian times, but also for the fact noticed by Mr. Jesse in his "Literary and Historical Memorials of London." "Few, perhaps," he says, "there are who are in the habit of passing by this heavy looking building, who are aware that, with the exception of Westminster Abbey, it contains the remains of more men of genius and celebrity than any other Church in London." Something will be said on this subject in the introduction to Volume V.

St. Paul's Church stands at the western side of the Market, and is approached through the quadrangle recently laid out by the Duke of Bedford, from Bedford Street, Henrietta Street, and King Street.

WILLIAM H. HUNT.

June 22, 1906.

The Registers

OF

St. Paul, Covent Garden,

London.

A REGISTER OF ALL BIRTHS OF CHILDREN ACCORDING TO AN
ACT OF P^{AR}LIAM^T OF THE 24TH OF AUGUST 1653 BEGINING

† This note occurs on the first page of Vol. I. of the Register, directly under the heading for Marriages. Parliament, circa 1653, directed that Registrars were to be chosen by every parish, and were to be approved of and sworn by a Justice of the Peace (Burn's "History of Parish Registers," p. 26).

A tablet in memory of Mary Fenn, the wife of John Fenn, may still be seen in the Church.—ED.
