PREFACE.

The seven parishes comprised in this volume cover that narrow strip of Nottinghamshire lying north of Newark and east of the River Trent. They form the northern part of Newark Wapentake, the district dealt with by Dr. E. G. Wake in his *History of Collingham and the Northern Half of the Hundred of Newark*, published in 1868.

The whole of the Marriage Registers in Newark Wapentake—twenty-six in number—have now been printed in this series, the other parishes appearing in Volumes III., IV. and XV.

1379220

The Editors wish to thank the various incumbents, whose names are mentioned under their respective parishes, for permission to print these abstracts. Thanks are also due to Canon R. E. G. Cole, of Lincoln, for assistance in checking and in other ways.

The same contractions are used as in the earlier volumes of the series.

It should be remembered that previous to 1752 the year was calculated as beginning on the 25th of March, instead of the 1st of January, so that a marriage taking place on, say 20th February, 1625, would be on that date in 1626 according to our reckoning; but, as the civil and ecclesiastical year were both used, this is sometimes expressed by 20th Feb., 162⁵/₆.

In all cases where the marriage is stated to have taken place by Licence that fact is recorded, as the searcher thereby knows that further information as to the age, parentage, and vocation of the parties is probably recoverable from the Allegations in the Archdeaconry or other office from which the Licence was issued.

It might be wise to remind the reader that these printed abstracts of the Registers are not legal "evidence." For certificates application must be made to the local clergy.

Nottinghamshire Parish Registers.

Marriages at Langford,

1703 to 1837.

NOTE.—The earliest volume of Langford Registers now existing contains entries of Baptisms from 1689 to 1788, Marriages 1703 to 1747, and Burials 1701 to 1790. The earliest Baptisms are five, between 1689 and 1699, of members of the Saltonstall family; and were possibly all entered together at some subsequent date. The only other entry of the 17th century is the baptism of Thomas, son of Mr. Thos. Mottram in 1698.

The volume as it now exists is really made up of two books, stitched in a dirty paper wrapper. The first of these books consists of six leaves of parchment measuring $12\frac{1}{2}$ by 6 inches, the other of 12 parchment leaves (the third fragmentary) measuring $14\frac{3}{4}$ by $7\frac{1}{4}$ inches. The whole volume is one of the most illwritten and illiterate registers in the county.

Vol. II. is a quarto paper book containing Marriages, 1754 to 1812.

Vol. III. is also a quarto book of paper, bound in parchment boards, lettered on side "Langford Register, 1789," and contains Baptisms and Burials from 1789 to 1812.

Vol. IV. contains Marriages only, 1813-37.

These marriages have been transcribed by Mr. T. M. Blagg, by permission of the Rev. W. T. Barry, the late vicar of the parish, and are now printed by permission of the Rev. C. W. H. Aitchison the present vicar, who has kindly completed the abstracts down to the year 1837, from 1812, when Mr. Blagg's MS. ended.

Marriages at South Scarle

(with Besthorpe),

1684 to 1837.

NOTE.—These Registers are in good condition, and entries very legible.

Vol. I. consists of parchment leaves, the others only of paper leaves. All are bound in smooth calf. Vol. I. consists of 45 leaves, size $14\frac{1}{2}$ inches by $6\frac{1}{2}$ inches, and contains Marriages, from 1684 to 1754; Baptisms, 1680 to 1788; Burials, 1684 to 1788.

Page I of the first leaf is headed: "A Register of the Christenings, Marriages and Burials in the Parish of South Scarle, in the County of Nottingham." Beneath this heading are the following notes: "Monday, Oct. 26th, 1742, that we the inhabitants of Besthorp, in the parish of South Scarle, do hereby acknowledge that all that part of the Churchyard Fence lying on the North Side of the Church and 17 yards upon the West Side, has been repair'd at the expence of the Parish wth. Stoop and Rail and Stone Wall, and we do promise to keep the same in good repair at the charge of the Publick. Witness our Hands, Jon. Dalton, Vic., and all we Inhabitants do agree to repair the said Fence joyntly wth. S. Scarle."

"Monday, Apr. 28th, 1743, That if Mr. Wilson of Besthorp, make a large Seat or Pew in the Cross Ile, and the Pulpit be made in the Vicar's Seat as proposed, whenever any Vicr. shall have a House or family at S. Scarle, they shall sit in Mr. Wilson's Pew, and also that any Women coming to be church'd may sit in the said Pew till they be church'd, and if the Vicar thinks proper may go with them to the Altar Table from the Pew. J. Dalton, Vicr."

"N.B.—Win. Lee is to have Mr. Wilson's Seat to himself instead of his long seat, now to be taken into Mr. Wilson's Pew in the Cross Isle."

About the middle of this volume four of the 45 leaves contain only a statement of the amounts collected on Briefs for the years 1715 to 1729, with a head note, as follows:—"The four following leaves relate to what has been collected on Briefs for some years past, placed there wn. the Register was enlarged, 1731."

Vol. III. (so numbered) consists of 35 leaves, size $9\frac{1}{2}$ inches by $6\frac{1}{2}$ inches, and contains Marriages only from 1754 to 1808.

Vol. IV. contains Marriages only from 1809 to 1812.

Vol. V. contains Marriages only from 1813 to 1837.

These Marriage extracts have been made by the Rev. C. W. H. Aitchison, Vicar of Holme with Langford, by kind permission of the Rev. W. Helm, Vicar of S. Scarle with Besthorpe and Girton.

Marriages at North Clifton,

1654 to 1812.

NOTE.—The area covered by these Registers comprises the joint parishes of North and South Clifton, the chapelry of Harby and the hamlet of Spalford.

Vol. I. consists of 5 leaves of parchment, size 21 ins. x $7\frac{1}{4}$ ins. sewn together, without cover. Folio 1. is headed—"Buryings beginning in the yeare 1539," and contains Burials from 1539 to 1549. Folio 2. begins, after a gap of 64 years, with Baptisms from 1614 to 1635, no Marriages or Burials being entered.

Vol. II. consists of 26 leaves of parchment, size 16 ins. x $6\frac{1}{2}$ ins. sewn into a parchment cover, partly cut away. It contains Baptisms from 1644 to 1699 and Marriages and Burials from 1654 to 1699. Baptisms only from 1644 to 1646, after which the entries are few and irregular until 1654, and do not become complete until 1662. The arrangement throughout is very confused.

Vol. III. consists of 15 leaves of parchment, size $15\frac{1}{4}$ ins. x 6 ins., bound in cardboard cover. It contains Baptisms, Marriages and Burials from 1700 to 1720. Page 1 is headed—"An Account of all Marriages, Baptisms, and Burials in the parish of North Clifton in the year 1700." There are no entries from Nov., 1705 to Nov., 1706, when a fresh beginning is made on p. 8, with the heading—"A True Account of Births, Marriages and Burials in the Parish of North Clifton cum Harby from November the Third 1706, Mr. Patrick Cock being Curat from that time under the Reverend Mr. William Thorpe, Vicar." In the margin, the letters N.C.=North Clifton, S.C.=South Clifton, S.=Spalford, H.=Harby. Baptisms, Marriages, and Burials are entered separately.

Vol. IV. consists of 40 leaves of parchment, size $11\frac{3}{4}$ ins. x $6\frac{3}{4}$ ins., and a small portion of a 41st, bound in a parchment cover, having written on the outside—"North Clifton Register 1721—N. Casson, Vicar." It contains Baptisms and Burials from 1721 to 1777, and Marriages from 1721 to 1754. The year begins with the 25th March until 1753.

Vol. V. consists of 13 leaves of parchment (others at the end having been cut out), size 16 ins. x $6\frac{1}{4}$ ins., bound in a cardboard cover which has "North Clifton Register" printed on it. It contains Baptisms and Burials together from 1778 to 1812, and Marriages also from 1784 to 1795. On the first paper fly-leaf is a List of Fees dated 10th Feb., 1805; also a receipt for a Mortuary.

Vol. VI. contains Marriages only, 1754-1812.

These Notes and Marriage abstracts for the years 1654-1754 have been made from the Revd. Canon Cole's Transcript by the Revd. C. W. H. Aitchison, Vicar of Holme with Langford, by permission of the Revd. G. J. Rothwell, Vicar of North and South Clifton, and the latter has very kindly continued the abstracts down to the year 1812.
