This series of the Florida Indian Wars Militia Muster Roles has been produced through the courtesy of the Jacksonville Genealogical Society. The Historical Services Division of the Florida Department of Military Affairs provided the photostatic copies of the original muster roles and individual members of the Jacksonville Genealogical Society laboriously transcribed the information contained therein and later, proofed and typed them. They have been accorded the right to produce these lists in book form for commercial sale.

The Department would like to express its deepest appreciation to the Society for their willingness to help us provide this important historical material to the widest possible audience.

RECORD OF EVENTS

I wrote a letter to Capt. CURRY on the 5th April which he rec'd on the morning of the 6th directing him to assemble his company at Ft. Clarke for muster and discharge at 10 A. M. of Ap'l. He has ample time to notify all his men on the 6th and his men would have arrived Fort Clarke from their various stations or residences all within 16 miles by the hour appointed as I have made 13 miles and arrived there at 9. At 1 o'clock I rec'd a message from Capt. CURRY at Wacahoota 15 miles distant by Capt. PHILIP DELL "that he should not attend the muster nor require his company to attend. I remained at Fort Clarke till 4 o'clock P. M. and mustered those present.
