BEVING CEMETERY

Elmwood Township

Information concerning this cemetery was sent to Virginia Schultz on August 9, 1972. It was checked out by Virginia, Becky, and Brian Schultz on August 20, 1972.

There were no stones found. Virginia talked to Elmer Miles whose land is right next to where the cemetery was. Mr. Miles had lived on this land for 53 years. He said there was a cemetery there at one time, but had not been there for many years. Cows were on the land and there was no fence.

WATKINS CEMETERY

Elmwood Township

This cemetery is in the middle of an open field. Sec. 29 Elmwood Twp. Peoria Co., Illinois about three miles south of Elmwood, Illinois. Copied by Virginia, Becky, and Brian Schultz the last week in August 1972.

We were taken to the cemetery by William Hamby, a farmer who lives in the area. The land was owned by Earl Threw, but he had just sold it to the Peabody Coal Co. There were only three stones, all standing, G.H.S., the bases for four large stones were there, but no tops. The cemetery had one fir tree and two other large trees in it. The fence was falling.

NORWOOD CEMETERY
Limestone Twp., Peoria Co., Ill.

Sec. 3, Limestone Twp., Peoria Co., Ill. Copied by Jean Sigulas and Virginia Schultz on June 9, 1972. This cemetery is on a top of a hill next to the Morris Witter home shortly after turning off of Farmington Rd. onto Norwood Blvd. The stones were all down in the ground and had to be dug up with the help of the Witter children. There were at one time many stones in this cemetery, but we were only able to locate three with the top missing on one of them.

YATES FAMILY CEMETERY

Three brothers: Joseph, Adam and Thomas Yates, natives of Ohio County, West Virginia, wettled near Wheeling. In 1847 they left Wheeling by flat boat and came via Ohio, Mississippi and Illinois Rivers to Peoria, Illinois. They settled together in the north east corner of the Radnor Twp., Peoria County. There was a Yates family cemetery, but according to reports the land where it was located was sold. The living heirs gave consent to the purchaser to farm the cemetery..
