Charity Organisation Society.

Patron : THE QUEEN.

President—THE ARCHBISHOP OF CANTERBURY.

OBJECT: TO ORGANISE CHARITABLE EFFORT AND TO IMPROVE THE CONDITION OF THE POOR.

I.—ON THE PART OF THE COUNCIL OF THE SOCIETY.

1. By propagating sound principles and views in regard to the administration of charity.
2. By promoting the co-operation of charitable institutions for the furtherance of their common work.
3. By convening Special Committees to inquire into, and report on, comparatively technical questions connected with the administration of charity, such as the education of the blind, the legal provision for the afflicted, convalescent homes, artisans dwellings, &c.
4. By making inquiries for persons legitimately interested, and collecting information regarding the utility, objects, and mode of working of charitable institutions.
5. By investigating on behalf of persons legitimately interested, and reporting on the appeals of begging letter-writers whose operations are of a metropolitan or general rather than of a local character.
6. By supplementing the resources of the District Committees of the Society, by the personal assistance of officers appointed and paid, in all or part, by the Council, by grants for general purposes, and when necessary, for relief, and by obtaining adequate help in cases of difficulty.

II.—ON THE PART OF DISTRICT COMMITTEES.

1. By careful inquiry regarding all applicants for assistance (whether they be referred to the District Offices or apply of their own accord), in order to ascertain how and by whom they should be helped, and to test the truth of their statements.
2. By applying to each case, susceptible of permanent benefit, and suitable for assistance by charity rather than by the Poor Law, such remedies as are likely to make the applicant self-dependent.
3. By obtaining the various kinds of help required from those interested in the applicants, from their relatives, from charitable institutions, and from private persons; by assisting by loans, or, when necessary, by grants.
4. By sending (gratuitously) to legitimate inquirers, whether charitable agencies or private persons, reports on cases of distress.
5. By bringing into co-operation with each other, and with the Poor Law authorities, the various charitable agencies and individuals in the district, and by making the District Committees representative of local charities and a centre of reference for all interested in charitable work.
6. By repressing local mendicancy by means of investigation tickets and otherwise.

Papers containing further particulars can be had on application.

Curates' Augmentation Fund.

The only Society in the Church of England for the purpose of helping
Assistant Curates.

Presidents—HIS GRACE THE ARCHBISHOP OF CANTERBURY.

HIS GRACE THE ARCHBISHOP OF YORK.

Treasurer—Rev. T. A. SEDGWICK.

This Society augments the Stipends of Curates who have been more than **15** years in Holy Orders, and are still in full active work.

Of the **7,000** Curates very many have been ordained more than **15** years, and this number is annually increasing.

It is **the only Society in England** that directly increases the Stipends of Curates of long standing. The "**Queen Victoria Clergy Fund**" does not help the unbeneficed Clergy.

The Church is multiplying Curates **three times** as rapidly as she is multiplying Benefices.

Nearly **£7,000** was voted last year in Grants.

The average Stipend of those receiving grants does not exceed **£3** a week.

CHURCH COLLECTIONS, SUBSCRIPTIONS & DONATIONS THANKFULLY RECEIVED.

Cheques, P.O.O., and Postal Orders, crossed "**Coutts & Co.,**" should be sent to the OFFICE:—
