Remarkable Story

The story of Mrs. Matilda Warwick, of Kokono, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardul. Mrs. Warwick says:

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, ner-rounness, faming spells and other fernale troubles. I was almost dead. Three doctors did not help me. At last, I took Chardii, and with the first bottle ob-tained relief. Now I am cured. But for Cardel, I would have been dead." Try Cardul.
