Delighted with Tobacco Crop. Our buyer in Cuba writes us that the tobacco crop this year is exceptionally fine, mild and aromatic. In fact it's so good that he has bought heavily, in order to enable us to ship a crop, should a poor one come, and thereby still maintain the high quality standard of Mercantile Cigars.

In most cigars the filler is mixed. But not in the Mercantile Cigar—it's all Havana filler. To get the full benefit of the very best of this year's fine crop, smoke the Mercantile. Sold by all dealers. Watch the papers for more news from Cuba.
