PREFACE

We herewith present to our readers the sixth volume which we have published of the Plymouth Directory.

Our thanks are extended to all who have shown their appreciation of our work by their orders, also to those who have aided us during the canvass.

The town covers so large an area it is difficult and expensive to canvass. Each section has been covered, however, and we hope our list will be found fairly accurate.

The Directory was printed by the Memorial Press.

Respectfully,

Edward A. Jones, Treas.
