Mr Whittings Answer to the Call of This Town

To the Committee in New Castle, who presented me a Call to Settle in the in the Ministry in said Town- Gentlemen, the Call you presented me in behalf of the Town of New Castle, has been under my Serious consideration- I have Laboured to find out what the Glory of God and the spiritual Intrest of this People Dictated as my Duty in the Answer I should make to your invitation- I have consulted my friends and Rev. Father in the Ministry on this important Affair. I have made Repeated Applications to the God of all Grace and Wisdom for Direction. The Result of my Deliberations upon the matter. I would now Disclose to you-I was some time held in Suspence and Doubtful of the Clearness of my Call to Settle with you, by reason of some unhapy Difficulties which I feared might Increase and Eventually prove an objection to my usefulness in this place-Conscious of my own weakness and two great want of wisdom and prudence. I Dreading taking charge of a People among whom a party Spirit prevailed, Least it might lead to Consequences unhappy for me and prejudicial to your well fare But the Discouragements arising from this Quarter have in great measure been over Ruled by the pacific and Condisending Disposition which I have Latly had the Pleasure to observe in the generality of this People-this Consideration, together with the continuance of the Attachment of this People to me as their Minister has Determined me to comply with your Request-I would hope and trust you have been Divinely Directed in your Late proceedings with Reference to the settlement of Gospell among you,

and that the answer I now make to you meets with the Approbation of the Great Head of the Church-

You aqunt me Gentlemen that the Vote for inviting me to the Pastoral Office in this Town unanimous-this must be Acknowledged fundamental to all probable Hopes of success in my Labours amongst you and as this has the greatest influence in inducing my compliance with your Call, so you must be sensible of the importance of the continuation of Union Religions Intrests of the Society in this Town should a closer connection between that and me commence-I trust therefore it will be ever your endeavours in future to maintain cultivate and improve a mutual affection towards each other-if my publick preformances have as yet been satisfactory and edifying to you I rejoice in it and Desire to Bless God therefor-And it is my constant and fervent Prayer that so long as Providence continues me amongst you in the Ministerial capacity, I may be Directed and enabled to feed you with wholesome and sound Doctrine, and if you should please the father of mercies by his Blessing to cause the Glorious Gospell of his Son with all the Disadvantages that attend it from my unskilful Lips to meet with an affectionate welcom from you, my highest ambition will be gratified-

I hartly thank you, Gentlemen, for your kind wishes for my personal well-fair and your prayers for the prosperity of my Ministry amongst you and have nothing further to add but to request a continuance of the same-I am Gentlemen yours and the Town of New Castles Cordial Friend and Servant in Christ Jesus.
