In order that Depositors may feel satisfied of the entire safety of the investments made by this bank, it may be stated that the Trustees are by law compelled to invest in one of the following securities:

DOES YOUR BACK EVER ACHE?

"Every Picture Tells a Story."

Then Your Kidneys are Weak
and Need QUICK Help.

That troublesome pain in the small of the back points straight to kidney sickness. Backache will not leave of its own accord, nor will sick kidneys cure themselves. Every day of neglect makes the cure harder.

Don't make light of a pain in the back. It means there is congestion and inflammation in the kidneys—that the kidneys are clogged and inactive, can't do their whole duty of filtering the blood. It means the circulation of impure blood throughout the body, a weakening of every nerve, muscle and vital organ.

When you first feel pain in the small of the back, or first notice anything wrong with the urine, don't delay a moment. Give the kidneys the help they need.

Doan's Kidney Pills have a quick and direct action on the kidneys. They drive out the poisons that infect the blood, cleanse and stimulate the kidneys, regulate the urine, cure backache, dizziness and languor, and permanently heal the kidneys.

A Springfield Case

Proof That Can be Verified by Any Reader. The Experience of
a Veteran of Two Wars.

Capt. Frederick A. Lewis, proprietor of grocery at West Main Street and Western Ave., Springfield, O., is a man whose military record is most unusual, who was with the British Army in the Crimean War, 1854-56; fought at Sevastopol in 1856, and coming to America, served through the Civil War, having earned promotion in Co. K., Ohio Volunteer Infantry. Capt. Lewis endorses Doan's Kidney Pills, and is never unwilling to tell of his experience with this remedy.

"Hardships endured while serving under two flags," says Capt. Lewis, "laid the foundation for kidney complaint and bladder trouble, both of which annoyed me greatly for eight years. I would not undertake to describe all my sufferings, but in 1896 I had the good fortune to learn of Doan's Kidney Pills, and as I said at that time, this remedy brought me the first real relief I had had, and so convinced me of its value that I have recommended the remedy to many of my customers and friends. I have the same faith in Doan's Kidney Pills today, and am glad to confirm my former testimony, and would advise every sufferer from kidney troubles to try Doan's Kidney Pills."

250 PER CENT. PROFIT ON YOUR INVESTMENT.

The **Perfection Vacuum Storage Cask** was invented and designed for the purpose of affording local merchants, poultrymen, farmers and all other egg gatherers, a storage place for their eggs.

KEEPS-EGGS-IN-A-PERFECT

During the Spring, eggs sell as low as 8c. per doz., and if packed at this price and then sold during the months when there are no fresh eggs, it is quite easy to get as high as 28 and 30c. per doz. for them, which pays from 250 to 300 per cent profit.

This profit is being made every year by the fellows to whom you sell your eggs at the low price. Why not make this profit yourself. The **PERFECTION VACUUM STORAGE CASK** makes it possible for you to do this. It has underwent three successful tests, proving even better than cold storage. For the eggs were more solid, kept three times as long after being removed from the casks, and contained the life germ, proving that they were absolutely preserved.

We guarantee every cask to do just what we claim of it. They are made in three different sizes: 575 doz., 240 doz., and 100 doz.

Prices and full particulars on application. Address

NATURE'S ESSENCE

Extracted From Forest Plants.

Nature's laws are perfect. If we obey them, all goes well, but disease follows disobedience. Go straight to nature for a cure, to the forest; there are mysteries there that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone root, queen's root, bloodroot and golden seal, make a specific, non-alcoholic extract of them with just the right proportions and you have

The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Golden Medical Discovery.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this vegetable extract and alterative of the greatest efficiency.

Just the sort of spring remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of PUBLIC APPROVAL and has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives it life—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter. Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERATIVE EXTRACT of roots, herbs and barks.

Without a Particle of Alcohol or Narcotics.

which purifies the blood and tones up the stomach and the entire system in Nature's own way. The "Golden Medical Discovery" is just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" after a long, hard winter; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. If you take this

Natural Blood Purifier and Tonic.

you will assist your system in manufacturing each day a pint of rich, arterial blood, that is stimulating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue." Dr. Pierce's Golden Medical Discovery CURES all blood humors as well as being a tonic that makes one vigorous, strong and forceful. Dr. Pierce's Golden Medical Discovery

STANDS ALONE

as the one medicine for stomach, liver and blood disorders that has the ingredients printed upon the wrapper of every bottle leaving the great laboratory at Buffalo, N. Y., which CURES in Nature's own way; not only does it STAND ALONE in respect to its ingredients but also as the only spring tonic and reconstructive which absolutely contains NO ALCOHOL.

NO OTHER POINTS OF MERIT IN THE RANNEY INCUBATORS HAVE OVER ALL THE OTHERS

1st. The amount of fresh air passing through machine is governed by a slide ventilator on outside of fresh air inlet. You can have just the right amount to produce best results in your particular locality by opening or closing ventilator.

2nd. The foul air exhausts are always wide open, thus insuring a sweet, pure air in egg chamber and nursery at all times.

3rd. The carbonic acid gas is drawn from nursery floor through exhaust tubes that are connected with out flow of heat from radiator.

4th. The fresh air ventilator is not located directly above lamp where the air becomes poisoned by the burning oil before being carried into the machine.

5th. You can have as much or as little moisture at any time during the hatch as your eggs require by opening or closing fresh air ventilator, no matter where you are operating the machine, either in a high or low altitude, dry or damp room.

6th. The rebate or refrigerator double glass doors are always air and cold tight, but never stick when placed in damp rooms. No prying; no jerking necessary.

7th. The legs do not screw on, but slip in castings on corners of machine.

8th. The rebate hinges and eccentric catches adjust themselves to the expansion and contraction of doors.

9th. The automatic lamp bracket always holds lamp firm and in right position, and never gets out of order.

10th. The top of machine is not obstructed by regulator; you can use the space for turning, cooling and testing the eggs.

11th. The thermostat in egg chamber is not exposed to direct rays of heat from radiator, but receives the heat from body of machine and eggs. This guarantees a uniform temperature at all times and doubles the life of thermostat.

12th. The machines are shipped from the factory with regulator attached; all the purchaser has to do in setting up the machine is to place lever bar between fulcrum castings and tighten set screw.

13th. You can set up the machine complete without using a screw driver—all the tools you need is a hammer or hatchet.

14th. You do not need to build an Incubator cellar to operate our machines. They are so thoroughly built and insulated that they will give the best results in any room in your house that is not artificially heated, and that can be ventilated by lowering window at top.

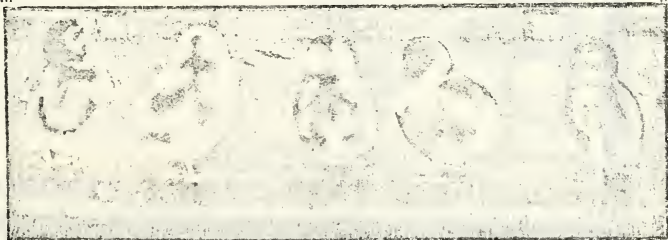

15th. It's the only machine made that the heat flue in radiator can be cleaned without taking the machine apart.

16th. The finish is mahogany in color and finely varnished. The trimmings, including the leg sockets, are mottled bronze plated and do not change color nor tarnish. The entire machine is as handsome in appearance as your piano, and as positively regulated as your time piece. If you are in the market for any kind of Poultry Supplies, and want the best made, send for our Free Catalogue.

—THE BEAUTIFUL TONE OF—

The Baldwin Piano

has endeared it to pianists and singers supreme in the domain of music and to amateurs of culture, and has placed it in thousands of homes furnished at the dictates of wealth and artistic appreciation.

A tone rich in "color," compelling in its tenderness, emotional in its depth and of full singing quality which satisfies the exacting musician.

The Baldwin tone is personal in its appeal, a quality common to every creation of art; hearing it the listener has his own reason for the charm it exerts.

The slightly greater price of the Baldwin is more than met by the gain in exquisite quality of tone and touch.

Aside from the Baldwin Piano we have 15 other makes of Pianos in over 100 different styles of covers. The Margileth & McFarland plan of selling adjusts the terms of payment to your convenience. Write for plan and catalog.

INTRODUCTORY

1906

WE take much pride in presenting this, our first **Rural Mail Directory** of "Springfield Territory," Ohio. We have no apologies to offer. We present it to you knowing that the information therein contained is as accurate, complete and up-to-date as it is possible to make a work of this kind. We have employed none but experienced Directory Canvassers and Compilers, and the result of their labor will, without doubt, be as satisfactory to the public as it is to the publishers.

It has been our aim to give the name of **every patron on the rural mail service** in all of Clark and a part of the adjacent counties, the head of the family appearing first and each member of the family thereafter, the surname appearing but once (see page 42).

We also give distance patron lives from his or her post office, name of township, whether patron is tenant or land owner, how much he or she owns, their occupation, nationality, the family arranged according to age, etc., etc.

Our census takers have called on and interviewed every family represented in the book, therefore insuring our patrons the very best and most accurate information obtainable.

Some papers have said: "To collect the information these books contain is an enormous undertaking and should be thoroughly appreciated by every business man who is fortunate enough to be the possessor of a copy."

The New Ruth . . Washing Machine

This Shows Wringer in Action.

This Cut Shows Machine in Action.

Showing Machine Dissected.

One Month's Trial Free! The Greatest Offer Ever Made to the Housewife.

We will send you this machine on 30 days' trial without one cent in advance, and we will pay the freight to your nearest freight station. All you have to do is to get the machine from the railroad station and give it a fair trial, using instructions sent with each machine. This Washer will pay for itself in a short time by saving your clothes. It will also save you a great deal of hard labor every wash-day. **No tired-feeling on wash-day.** You can wash every day for 30 days and if you do not find that it will do the work better and easier than any other washer you return it to the R. R. station and we will pay the freight back on it and it has not cost you a penny. Now, isn't this a great offer? This is the only **Tripple Ball-Bearing** Washer made. It works so easy that a child can operate it. Take **notice** to the cuts—No. 1, showing a child washing—No. 2, showing the wringer in operation, and No. 3 showing the machine **dissected**, so that any woman or child can handle it. Take notice the sides of the tub are corrugated, which makes it wash faster than a tub with smooth sides. Full particulars sent on application. **Write to-day while you think of it** and have one of these machines sent on trial. This ad. is guaranteed genuine. Address:

One of the great attractions of this store is its Shoe Department. As we sell Dry Goods so we do Shoes, at the lowest possible margin of profit. We buy from the best manufacturers of Men's, Women's, Children's and Infant's Shoes in the United States, and in quantities, enabling us to sell you at prices many dealers are compelled to pay that buy from jobbers. IN THE PURCHASE OF A PIANO

It is poor economy to sacrifice years of satisfaction, for the temporary saving of a few dollars, by selecting a piano of cheap and untried make.

HARVARD PIANOS

Possess those rare qualities:

PURE MUSICAL TONE AND EASY FLEXILE ACTION

Which insure the enthusiastic indorsement of the better class of musicians.

18 Years of Continuous and Constantly Increasing Sale
Establishes Beyond Discussion the Durability of

HARVARD PIANOS

The largest dealers handle Harvards because they are easy to sell and involve no cost of repair after they are sold.

Harvards are necessarily higher in price than most makes of pianos, but when you consider their glorious tone and wonderful durability, they are the cheapest pianos on the market.
