Introductory

IN presenting this, the first issue of our Complete Van Wert County Directory, we feel assured that the work has been compiled and arranged in such a careful and thorough manner as to be accorded the commendation of all, and that it will prove an almost indispensable volume to private citizens, as well as to the professional and business men. We appreciate the impossibility of entirely eliminating all inaccuracies, but have spared no pains to secure the fullest and most accurate information in the compilation of this book.

The patronage and support extended to us, as well as the courtesies shown our solicitors, are heartily appreciated.

E. B. WESTENHAVER

Breeder of Pure Bred Poland China Swine

I have been raising Poland China's for fifteen years and intend to still continue in the business. I have used great care in selecting my breeding stock and have always used nothing but what I considered the best. I am also starting a herd of Short Horn Cattle.

Parties needing any of the kind of stock that I raise will do well to call at my farm or write me and describe their needs. Address all communications to
