## INTRODUCTION

St. Helena's Parish was established by an act of the General Assembly of South Carolina, ratified June 7, 1712. It was bounded on the east by St. Helena Sound and Combahee River, on the north by a line from the head of Combahee River to the Savannah River and to the south on the ocean. A rector was obtained soon after, but no church was built until 1724, the rector, in the meantime, holding services at the houses of the planters in various parts of the parish. If there was an earlier book of minutes its whereabouts is not generally known, and only by a rare bit of good fortune has this book been rescued from oblivion. During the war between the United States and the Confederate States this book disappeared. In 1902 Theodore Hawley wrote from New Canaan, Connecticut, to the editor hereof, who was then secretary of the South Carolina Historical Society, in Charleston, sent him this book and offered to sell it to the Society, stating that he had purchased it at an auction sale in the North. After some negotiations between officers of the church, in Beaufort, and the holder of the book, the latter was purchased by Mr. Charles M. Barnwell and returned to its rightful owners. Before it was returned to Beaufort, however, the editor hereof secured permission to copy it.

Copy of a Letter sent ☞

To the Rev'd M<sup>r</sup>. William Peasely datedRev<sup>d</sup>: Sir

It is now above Twelve months since you acquainted us that your bad Health would not permit your longer stay in this Parish, and we then jointly wrote to the Honourable Society desiring your removal and that we might be supply'd with another Missionary, but as we have not been favoured with any answer its probable our Letters miscarried—and the General discontent of of your parishoners arising from the unhappy Differences which has so long subsisted and still increases to such a Degree as to utterly destroy all Union and Harmony between you and them lays us their Representatives under an Indispensible necessity of endeavouring to Restore and Establish our usual and much desired Tranquillity.

In Compliance therefore of our Duty in this Regard so often and strenuously urged by the Parishioners, We are now Writing to some Friends of the Clergy in Charles Town requesting their advice in the most proper method of application for obtaining the end proposed, by Inviting over from England a Prudent meek and pious Divine whose Precepts may not only Dictate the true Principles of Christianity but his Example forcibly Inculcate them.

But in this affair we shall carefully avoid (unless we are drove to the necessity of it) Entering into any minute—Detail of Grievances or unne'ssary Personal Reflections, as it would be very

disagreeable to us, and must be injurious to you and your Family, Whose Sufferings will Affect us in Proportion to our Concern in the Cause, Altho' Self Defence shou'd (which we hope your Conduct will not) make it become necessary to our Justification.

You cannot if you will divest your self of Prejudice Blame our Conduct in this affair Considering the animosities and Feuds which has so long Subsisted in the Parish, and which are now Swelled to such a Degree as to keep the People from the Church and Comunion and if continued must End in a total Degeneracy of Christianity and morals.

This we hope you'll Consider Seriously of and neglect no Opportunity to Provide for your Self in some other Parish by next Michalmas as we are willing to Dispense [93] with your attendance here until that Time and will agreeable to our Promise draw for this Year's Sallary then but no more.

We conclude in heartily wishing you Success and that our Tempers had been better Suited to each other so as to have prevented this Breach. and are

Rev<sup>d</sup>. Sir, &c

Copy of a Letter to the Rev<sup>d</sup>. Mr. Alex: Garden Sen<sup>r</sup>: in Cha<sup>s</sup>. Town bearing date 24<sup>th</sup> June 1756.

Rev<sup>d</sup>: Sir

Your long Residence in this Province and your distinguished Zeal and attachment to the Church of England attended with every laudable Endeavor to promote Christianity strongly urges us in behalf of Selves and Brethren of that Communion in this Parish to lay our unhappy Case before you desiring your advice and Opinion in a matter which we doubt not will appear to be of such Importance, as not only to plead our Excuse for this Intrusion but ingage your good offices to Stop the growing Evil.

You have doubtless heard (as its too notorious) of the Differences between Mr. William Peasely & his Parishioners here and which is now grown to such a height as to prevent his Congregation from attending Divine Worship and Consequently the Communion Table for some time past It being with great Reason urged by many People that they cannot Receive the Sacram<sup>t</sup>. from a man whose Life & Conversation prove him to have little or no Regard for Religion or the Reputation of that sacred Order which he is a member of.

Particulars of this unhappy Mans Conduct wou'd take up your time to read—and give us pain to relate therefore shall only say that we will be always ready to prove our Allegations, if ever it shou'd be thought Necessary, and sincerely wish that his—behavior had render'd this Proof more difficult but its so open and Shameless as to Disgust all Ranks & Degrees of People, and therefore not only renders him incapable of doing the least Good here but his Example may in time be of the most fatal Consequence

We therefore agreed above a year ago to part in mutual Peace. If possible, and in Order thereto did in Conjunction with him write to the Hon<sup>ble</sup>. Society He desiring a Removal on Acct. of his Health and we the favour of another Missionary but have not since received the least answer from them so that we have no Reason to hope for any Relief in that way, and least our present

94  
Condition shou'd Estrange People quite from the Church. We most earnestly pray the favour of you to assist us with your kind advice in the best method of Application for getting over A Godly and Pious Divine to Reside among us, and we wou'd Chearfully Contribute towards any moderate Expence for acomodating such a Person from England to this Parish and for that purpose wou'd send Orders to a Gentleman in London. Our Compassion for Mr. Peasely's Family has made us very tender of his Character lest he shou'd be deprived of the means to make a Provision for them in some other Parish and this Consideration has been hetherto Privalent enough to keep us from coming to Extremity's nor would we now Willingly hurt him in that Respect If Possible to be avoided—as we pity his Weakness, but our Public and Private Duty calls upon us to guard against that general Depravity of Manners which his long stay threatens us with.

We hope Sir, you'll be kind enough to Excuse this Trouble, and your favouring us with an Answer will greatly oblige,

Rev<sup>d</sup>. Sir &c

Copy of a Letter from the Rev'd Mr. Alex: Garden in Chas Town bearing date the 16 July 1756 in Answ<sup>r</sup>. to the last

Directed to the Ch: Wardens & Vestry St. Hellens Par<sup>r</sup>:

Gent:

Your Letter of the 24 Ult<sup>mo</sup>: is now before me, and in answer to itt I shall very freely offer you the best advice I can

In the first place it was a very great mistake in you to enter into any Compromise with M<sup>r</sup>. Peasely, in Writing to the Society, he for his Remove on acc<sup>t</sup>. of his health, and you for another Missionary to succeed him. This might easily appear a plain artifice on M<sup>r</sup>. Peasely's part to put the Evil day as far off as he cou'd, for tho' he might actually Write to the Society to be removed on acc<sup>t</sup>. of his Health yet how easy was it for him to write to them soon after, that he had recovered his Health and desired to be continued where he was. I do not say that this is really the Case, but as you have heard nothing from the Society, it has at least the appearance of it.

In the next place, The Remedy is plainly in your own Hands as M<sup>r</sup>. Peasely is not Elected your Minister therefore my sincere advice to you is forthwith to discharge him, from any longer Service of your vacant Cure & immediately draw up your articles of Complaint against him which you're able and willing to [95] Prove (pursuant to the Societies earnest Desire and Request annex'd to the annual account of their proceedings) and transmit the same to them for your Justification.

Tenderness to a Family is indeed very commendable but when it happens in Competition with the Interests of the Church of God & the Souls of the Parishioners it not only ceases to be Commendable but becomes very faulty & blameable.

No Consideration either of M<sup>r</sup>. Peasely's or Familys bread ought to be of any weight, when Religion and the Church of God are to be sufferers; and therefore the Society earnestly desire and Request all Persons Concerned that they would acquaint them with the offensive Behavior of their Missionaries, so as they may not only remove them from their present Charges, werewith they Intrust them, but finally dismiss them from their Services and not impose them on any other Parish or People where their behaviour may be equally offensive and hurtful.—

I shall be glad to know your final Resolution in this Affair, if you think proper to commit your Letters to the Society and Bishop of London to my Care, at Least three Copies of each, I will carefully transmit them by the first Opportunities, and at the same time will write my self and use all the little Interest I

have with them to procure you as speedily a Supply of another Missionary as possible. In the meantime I remain

The Gent: of the Vestry that had lately a private Meeting with you, have Communicated to us the Proposals you made which we reject— We have now before us an answer to the Letter we wrote to Charles Town, requiring the advice and assistance of some of the Clergy there in getting a proper Person to Supply this Cure, and it confirms us in our Resolution to draw for no more than the Currant Six months Salary when it shall become due, and if you do not in the mean time make some other Provision for your self, but persist in Officiating here, to Order the Church Doors then to be shut against you, and farther if we are oblig'd to it, We will transmit to the Society & Bishop of London our Complaints and Accusations against you properly attested.

From the Rev<sup>d</sup>: Mr. W<sup>m</sup>. Peasely to the Vestry Gentlemen.

As you have been pleased (notwithstanding your repeated verbal promises. and that under your hands in your favour to me

of 24<sup>th</sup>. June that no Complaint or even personal Reflexion should be made) to complain of me to Mr. Garden in very virulent, tho' general Terms, which may cause him to think me guilty of the most culpable actions, and consequently prove of the very worst Consequence to me and my Family: I would be extremely oblig'd to you as I am now bound for Charles Town if you wou'd be so good as to be a little more explicite in a Letter to him by me, and let him know whether by this general Complaint you wou'd have him to understand I had been guilty of actions highly Criminal, or imoral, or indiscretions and imprudencies only; such as—uneasinesses in my Family, my warmth of Temper in resenting injuries and such like. My Reason for requesting that you wou'd be thus particular to Mr. Garden is, lest, from the Scandalous Story raised by Mrs. Cattell's Wench, he should think you intended to prove me Guilty of that base Action.—

I cannot Gentlemen, help thinking it a very great hardship that I am oblig'd to pay House-Rent, as you are not insensible that the Society sent me here on Condition that a House wou'd be provided for me, as is the Custom throughout this Province; and really the Society told me, before I left London, that there was a good parsonage House on the Glebe, and on no other Terms wou'd I have come here. Besides Gentlemen, I believe the whole World will think it—reasonable that the Interest of the money given by the public for building a House on the Glebe, shou'd be applied towards discharging the ministers House-Rent till the parsonage shou'd be ready for his Reception. Was I in Circumstances I wou'd—never mention the House-Rent, but in my present Situation, I really am not able (without greatly distressing my Self and Family) to pay Mr. Weatherly £150.—

If you'll be so good as to take this matter into Consideration and raise this Sum, or even half of it, by Subscription, it will at this Juncture be of great service to my Family and highly oblige

Gent: Your most obedient &c

Postscript to foregoing Letter—

Believe me Gentlemen, that I would not give you the trouble to raise the Sum, or any part of it, was I not driven to very great straits; as you may plainly see is the Case, by my being oblig'd

even to part with my Books. Mr. Steell tells me he can raise this half Year's Salary on your Order to the Treasurer, if you'll please to favour me with it: As my stay here will be but for a few days, I beg you'll oblige me with your answer as soon as you conveniently can. As my Family's distress cannot serve you in any shape (nor do I believe you desire it) I make no doubt but you'll be good enough to represent my Case to Mr. Garden in as favourable Light as you can.

Rev<sup>d</sup>: Sir

Beaufort Aug 24<sup>th</sup>. 1756

We have now before us your Letter of the 21<sup>st</sup>. Current to which we answer

We refer you to the Vestry Book for a Copy of our Letter to the Rev<sup>d</sup>. Mr. Garden, in which we have not said anything that we are disposed to contradict—We leave you to Judge whither in Justice to our Selves, we cou'd have said less, and what room their is left for us to write ought in favour of you, consequently we hope we shall not be farther urged on that head, As to the Report of you by Mr<sup>s</sup>. Cattels negro Wench, that you seem to hinge on, we wish it was the only bad one laid to your Charge— In regard to the Interest of the money granted by the Public towards building a Parsonage House its being applied towards your present Debt for House Rent, youll please to observe, that the whole of that Interest Money since your arrival here, to this Day, will not exceed £220. and that in lieu thereof the Parish have (in Order to increase the Fund for building the parsonage House) paid more than double that Sum House Rent for you, which is more than has ever been required of us by any Clergy Man. Inclosed we have sent an Order for your Salary for the Current half year, and are Sir

---

Oct. 7. 1756 The Rev'd Mr: Peasely returned again from Charles Town and sent the following Letter to the Gentlemen of the Vestry

Gent:

I have been favoured with the Advice of my Friends who to a man, tell me that by quitting the Parish before I hear from the Society, or at least till it might be reasonably expected I could have an answer to my last Letters, I shall be guilty of the highest breach of Trust, and forfeit my Interest in that Venerable Body on whom is my intire dependance: which must be inevitably attended with y<sup>e</sup>- utter destruction of my Self and Family. In Consideration of the Premises and as I am desirous to part in Peace with the Parish must beg that you will draw for my Salary, and permit me to do the Duties of my Place till Easter next, with which If you'll please to Comply, I hereby Promise to quit the Parish entirely, at that Time, as I may then do it without giving the Society the least offence.

And to this Request you'l the more readily agree if you'l please to consider that your notice on Easter Monday last was too short and that it was scarce possible for me to receive an answer to the Letters, I wrote in Consequence of that Notice by the 29<sup>th</sup>. of Sept<sup>br</sup>. which was ingeniously acknowledged by a Gentleman of the Vestry in his own House a few hours after I received the notice: who also was pleased to add, that there wou'd be no difficulty in prevailing on the Vestry to comply with the above Request: A speedy Answer will oblige,

Answer to the foregoing

Beaufort 8<sup>th</sup> Oct 1756

Sir

The requests you make with the Reasons assign'd for it in your Letter of yesterdays date give us the greatest surprize as you cannot expect our Compliance with it from an Approbation of your late Conduct.

We make no doubt, Sir, but it may be extremely convenient for you to Officiate in this Parish & receive the Salary till Easter next, but the Tranquility of every person in it being at Stake is an Effectual Bar to our Assent, and you are therefore by no means to effect it.

To repeat the Cause of this general dislike is surely needless, and we sincerely wish your Regard for Religion, your Interest in that Venerable Body you mention, and welfare of your Family may be the principal motives of your desire to remain longer among us.

Copy of Letter from the Rev<sup>d</sup>. Mr. Richard Clarke Dated in  
Charles Town Oct: 20<sup>th</sup>. 1756

Gent:

Application was made by Mr. Peasely to the Clergy who met in Town at the Assizes, desiring that they would hear what he had to say for himself, in vindication of his Conduct with regard to your Parish ——— They thought it unreasonable to condemn a man unheard, and for that Reason complied with his desire. ——— From his state of the Case it appears to them that things are not so bad on his side as they have been generally represented. But as they have heard only one side, it were impossible that they shou<sup>d</sup> form a right Judgment upon the whole. Religion has been greatly wounded through this unfortunate Man's Sides: They therefore entreat you, for the sake of our

Common Christianity, as well as for the sake of Mr. Peasely's Character, and his Family's happiness, that you would transmit to them, the first Opportunity, your state of the Case. A Copy of a Letter you wrote to Mr. Garden on this Occasion was produced by Mr. Peasely, which contains only general Assertions without Proof, alledging at the same time that you can, without the least difficulty specifye particular facts, and supported with all reasonable Evidence; there Request therefore to you is, that you would point out those particulars, together with their proofs, that they may be able to Judge for themselves, whether they can Conscientiously give him a Recomendation to any other Cure of Souls in this province.— The Clergy present at this Meeting were M<sup>r</sup>. Copp, M<sup>r</sup>. Harrison, M<sup>r</sup>. Martyn, M<sup>r</sup>. Andrews, and my Self who am, Gentlemen

Beaufort Nov: 5<sup>th</sup>. 1756

Reverend Sir

We rec'd your favor of the 20<sup>th</sup> past & altho' we had resolved against entering into any further dispute with M<sup>r</sup>. Peasely unless he obliged us to it by that strict and expensive account w<sup>ch</sup>. we have been often threatened with by him, Yet the regard we pay to the Request of so many Gentlemen, whose sacred Function we hope ever to Entertain the highest notions of, Prevails not only over that Resolution, but forces us with great Reluctance to point out a few particulars of Mr. Peasely's Conduct, which we apprehend will Sufficiently Justify the steps we have unwillingly taken in the long Contest that subsisted between him and his Parishioners.

In this affair it cannot be expected that we should here give full proofs of those particulars or relate many other Facts corresponding with them, as the first might lay us under some future Inconvenience, in Case his Threats should be carried into<sup>1</sup>

and the last wou'd be too Prolix for a Letter. We shall therefore omit a Detail of many Feuds and the occasion of them between him and the great part of the Parish, in which the Ves-

<sup>1</sup>A word here has been erased and the place left blank.

try took no part, and begin with his too frequent and ill timed Visits to a Woman who then lived in this Town that gave great umbrage, and occasioned an affidavit much to his disadvantage, about this Time also a Person publicly affirmed before Cap<sup>t</sup>. Fendin that he was witness to some indecent familiarities between them, which the Captain acquainted him with by Letter mentioning the Author, and desired he might clear himself of the Imputation but his not hearing of any Step taken towards it, occasioned a second Letter in which he strenuously urg'd the Author's being called to a strict Account. Upon this Mr. Peasely called a Vestry and made complaint to them of Fendin's ill treatment in giving this Salutary advice, which ended in his Solemn Promise to them never to make her any more visits, but they were notwithstanding repeated that very afternoon, and continued so publicly, that we were oblig'd to remind him of his Promise [103] which only served to whet his passion, or Purpose with assiduity in them to such a degree, that scandalous Advertisements were put up in Public places by Persons unknown, so obviously levelled at those Nocturnal and other meetings, that they seemed to give every Person (but him who was most concerned) the greatest disquiet, this caused such an Example of Tumults and disorder in his own Family & of what shall we call it obstinate indiscretion in himself, to the people, that they totally absented themselves from the Church & Communion.

That this was not the Case before that Example was set them, we shall only appeal to his own Letter of the 25<sup>th</sup> of January 1754 to the Society, tho antecedent to that Letter, his Conduct in refusing to Visit people at the point of Death, when sent for (of which there was two notorious Instances) and suffering them to leave the World without the benefit of that spiritual Comfort they so earnestly desired was such, as perhaps few Parishes wou'd have overlook'd.

— To say that Mr. Peasely, and the Woman in Question were seen weeping together a day or two before he left us. —

— That he stayed with her two days and two nights, about 4 miles from his Wife, after he had parted with her here to go to Charles Town.— That he had late at night on his return home from a Journey gone through a worse Road, and a greater distance to Sleep at her house than it was to his own — That he had beat one Person to the great Effusion of his Blood, and threatened others with the like Manuel Discipline, and that

he offer'd to strike on of the Vestry only for differing with him in Opinion, might perhaps sound too much like a Romance, yet all these things (if the Testimony of Credible people have any weight) are certainly true. We will pursue this disagreeable Subject no further but Circumstanc'd as we were, if M<sup>r</sup>. Peasely could be of any real Service to this Parish in preaching to bear Walls, and if it was not our indispensible Duty to get him removed and invite over another Minister We Submit to your Judgments and that of every Impartial man,

We the Vestry & Church Wardens of the Parish of St. Helena Port Royal South Carolina, beg leave to inform the Hon<sup>le</sup>. Society, that M<sup>r</sup>. W<sup>m</sup>. Peasley our present Minister (for Reasons w<sup>ch</sup>. he will communicate to the Hon<sup>le</sup>. Board, in his Letter, a Duplicate whereof we send inclosed) chooses to remove out of this Province, which we have agreed to, and wish for his own and Familys Sake, may be to his satisfaction, altho' by that means we shall again be destitute of a minister, and our Parish being one of the outermost Parishes in this Country and is so greatly divided by Bays Creeks & Rivers &c.<sup>a</sup> from any of the other Districks as renders it very difficult for us to be supplied on any emergency, And as there are great Numbers of Poor Setlers scatter'd up & down through-

out this extensive Parish, the ministerial office will be greatly wanted in its Several Branches: We therefore hope that the Hon<sup>le</sup>. Society in their known pious & Religious intentions to promote the knowledge of the Gospel of our Lord & Saviour Jesus Christ, will take our case into their Serious Consideration, and according to their accustom'd goodness, will supply this our Parish with an able & Religious Divine, as soon as possible, that our people may not live in Ignorance, nor want for Knowledge in the things pertaining to their Eternal Salvation. Your Friendship in securing us such a pious & godly minister will be an additional obligation to us who are

I Rec'd your kind favour of October 9<sup>th</sup>. and beg leave to return the Society my most hearty and sincere thanks for their very seasonable grant of a Library for the Use of the Missionary of this Church, the Books came safe to the hands of Mr. Clerk of Cha<sup>r</sup>. Town from whom I hope to receive them by the first Opportunity to this place—The Addition of pious and practical small Tracts which you Sir was pleased to make, claim also my most grateful Acknowledgments, and be assured that when I receive them (for they did not come with the Library) all proper care shall be taken to distribute them where I find they are most wanted. I must now beg leave to acquaint you, that the frequent & severe returns of a Fever & Ague with which it has pleased Almighty God to visit me in this Country, have so far impaired my health, as to render it absolutely necessary for me to Petition the Society for a removal to some northern mission, where (through Divine Mercy) I may enjoy a better state of Health and consequently have it more in my power to contribute towards the promotion of the Society's pious designs. And as my endeavours to serve the Society for almost thirteen years have met with their favourable Opinion I make no doubt, Sir, but through the means of your good offices, they will be pleased to grant this my Request, and remove me to a mission where I may not be so much exposed to the extreams of Cold and

Heat, as I have been for some years past in the very opposite Climates of Newfoundland & Carolina.

I must also beg leave Sir, to join the Vestry of this Church in their application for a minister to succeed me upon my removal, that the invaluable blessing of God's Word & Sacrament may be continued in this place, and to assure the Society, that as there are many sober regular Families in the Parish, it may be in the power of a pious prudent man to do much good among them.

Rev'd Sir/ St. Helena Parish Church 29<sup>th</sup> Nov: 1757-

Having heard that the bad State of health your Self and Family have been afflicted with for sometime past, will oblige you to seek out a more healthy place than that you at present possess; and being anxious to have for our Pastor one whose life and Character we know have been so long acquainted and are so perfectly satisfied with, we are here met to invite you, in the name of the Parish, with one Voice, to supply this vacant Cure. It will be needless to say anything of the advantages of this Situation to you, whom the experience of years hath made it sufficiently known to, All we shall say is that we will do all in our Power to make it still more agreeable to you — A speedy Answer that you will accept this Invitation will be particularly pleasing to

St. Paul's parsonage Dec: 12<sup>th</sup>: 1757

Gentlemen/

Esteem is valued by all mankind; but when it comes from Friends and is reciprocal, its value is much enhanced: this is the Case with me at present. I have received a kind Invitation to be minister for those, who, since my arrival in America, have stood highest in my Esteem, and which (did not a sense of my own inability discourage me) wou'd give me inexpressible pleasure: However I heartily accept your Invitation, and hope to be among you about the beginning of May next, which I think is in Conscience as soon as I can leave my Parish to give them an Opportunity of providing themselves with another Clergyman. If my Service does not answer your expectations, I doubt not you will attribute it to the true cause, my want of Capacity not my want of inclination. In short be assured that I will do the utmost in my power to please you and if I fail, it will be thro' human Weakness from which none is exempted.

I shall endeavor to be with you several times before I come to settle and wou'd in the mean time beg of you to get the Parsonage as forward as possible, tho' this I need not mention, as I make no doubt of having the Common incouragement of a Clergyman in this Province. Your affection for me is sufficiently shewn by the kind concern you express for my Health, and well being, and were I to Sacrifice more than I do, it would not be an adequate return: Gratitude only is in my power, and by Divine assistance I shall be grateful, as long as I have a being. The present Circumstances of my Family (of which Dr. Thomson will inform you) prevent me the pleasure of waiting upon you, more fully to express the just sense I have of this Last and great testimony of your regard for me: when the causes are

removed, which I hope will be soon, I shall make no delay.  
Meantime you have my sincerest prayers to Almighty God for  
your prosperity in time, and happiness when time shall be no  
more. I am with Respect, Gentlemen

Rev<sup>d</sup> Sir

Our destitute situation for want of a Pastor, and being almost entirely depriv'd of Divine Service for above 15 months past, will we hope be a sufficient Apology for our Application to you and entreaty, that whenever you can w<sup>th</sup> conveniency & Propriety leave your own Parish, you would come and supply our want.

We shall contribute any thing in our power to make your Journey easy to you, and the oftener you visit us youl lay the greater obligation on

It was first agreed and concluded upon y<sup>t</sup>. a Letter should be wrote to the Rev<sup>d</sup> Mr Cha<sup>s</sup> Martyn Pastor of St Andrews embracing his kind offer to provide us w<sup>th</sup> a Clergyman upon his arrival in England w<sup>ch</sup> Letter is Copied in folio: 140.

St Helena Parish 10<sup>th</sup> April 1761

Rev<sup>d</sup> Sir

When we inform you that we have been destitute of a Pastor and of almost any Divine Service for about 15 mo<sup>s</sup> past we hope it will Apologize for our applying to you, and entreating that when you can w<sup>th</sup> conveniency leave your own Parish you may come and Supply our want, nothing in our Power shall be wanting to accomodate you on your Journey & to make it agreeable to you, and the oftener you visit us the greater obligation you will lay on

Rev<sup>d</sup> Sir

It was agreed also that a Letter be wrote to The Rev<sup>d</sup> Mr Cha<sup>s</sup> Martyn Rector of St: Andrews

Rev<sup>d</sup>. Sir/

We would long e<sup>r</sup> this time have acknowledged the Receipt of yo<sup>r</sup> kind letter, but waited an answer from The Rev<sup>d</sup>. Mr Coopers Friend, who we hoped wou<sup>d</sup> have provided us w<sup>th</sup> a suitable Pastor to supply our great want. We apprehend the present troublesome situation of this Province might be no small obstacle to The Rev<sup>d</sup> Mr Gabbs endeavours in our behalf

But as it is in your power to represent these Matters in their true & proper light we beg leave to accept of y<sup>r</sup> very kind offer, and to entreat, you may, on your arrival in England, write Mr Gabb, to desist from his endeavours, and use your best Interest for us in providing us as soon as possible w<sup>th</sup> a Proper Clergyman.

It would be presumption in us to prescribe to your superior Judgment in the choice of a person proper for us, but we will thus far venture to say; That a Gentleman of a Studious turn, and, regular Uniform, deportment who will maintain the authority of the Church w<sup>thout</sup> being austere or rigid to the Dissenters

(of w<sup>ch</sup> we have a good many in this Parish) would suit much better than one of a contrary Disposition.

We are sorry to say y<sup>t</sup> y<sup>e</sup>- conduct of our late Missionary makes an application to the Bishop of London, or the universities seem more agreeable to the generality of the Parish, than applying to the Society, but in this we do not chuse absolutely to restrain you, as it is the less matter where our Ministr comes from, provided, he is one who teaches y<sup>e</sup>- Doctrines of X<sup>t</sup>, & his Gospel in truth & is of a life & conversation agreeable thereto. If we are happy enough to have such a Person for our Teacher, we promise that nothing on our part shall be want<sup>s</sup> to render his situation agreeable & make his life comfortable. Our Parsonage House is not entirely finish'd, & indeed our want of a proper Clergyman, has made y<sup>t</sup> work go w<sup>th</sup> less spirit, but we promise that a proper & convenient House shall be provided for our Min<sup>r</sup>, at our expence, until it is compleated, and a Negro hired for his service, for at least one year after his arrival, as to y<sup>e</sup> Election of our Min<sup>r</sup> w<sup>ch</sup> you ment<sup>d</sup>, to M<sup>r</sup> Stuart, we cannot take it upon us, to make any Promis<sup>s</sup> in behalf of y<sup>e</sup>- rest of y<sup>e</sup>- Parish on y<sup>t</sup> head, but as we have said already, nothing in our Power shall be want<sup>s</sup> to make such a Min<sup>r</sup>, as we like, respectable & easey we are wishing you a prosperous voyage  
&

April 1761

P S. When y<sup>e</sup>- Rev<sup>d</sup>, M<sup>r</sup> Cooper was so good as to write in our behalf to M<sup>r</sup> Gabb, we then lodged in y<sup>e</sup>- hands of M<sup>r</sup> Rich<sup>d</sup> Shubrick of Lond<sup>n</sup>, £20 Sterl<sup>s</sup> for his use, or whoever he shou<sup>d</sup> pitch upon to come & supply us, and M<sup>r</sup> Stuart now incloses you an Order for s<sup>d</sup> sum (if not already calld by M<sup>r</sup> Gabb,) for the use of whatever Minister you may provide for us.

Charles-ton Dec<sup>r</sup>- 3. 1805.

Gentlemen

At a meeting of the members of St Philips=Church, in this City, in August last, the enclosed by-law was adopted, accompanied with a resolve, we have also the honor of enclosing you.

It must have long been manifest to those who are attached to the Protestant Episcopal Church within the United states, that to maintain an uniformity in its doctrines, discipline & worship, it had become necessary for its professors to confederate, & frequently confer together. A National Ecclesiastical Convention was accordingly held in the City of Philadelphia. Provincial, or Diocesan Conventions have also been held in this state, since the year 1786: but the latter have never yet debated or confirmed the Canons agreed to by the former, or have they even established such articles of local regulation, as are essential to our mutual agreement. We will not confidently undertake to assign the causes which may have led to this indecision; but are nevertheless induced to believe they have arisen from an undue representation in our State Conven=[300]=tions, which have hitherto been either composed of the entire body of the vestries of certain of the Churches, of a delegation from others; or of a deputation by Vestries, of persons not members of their body. Whereas we know of no instance amongst us wherein the Vestry of any Episcopal Church are empowered by Law, or have been otherwise authorized, to adopt a constitutional system of government, without the intervention of their constituents. In recurring to the journals of the state convention, in Oc-1797- we found it was on the 19<sup>th</sup>. of the last mentioned period—"Resolved that as four churches only are represented at this

"meeting, it be recommended to the Episcopal Churches of this "state, to convene their respective congregations, & elect three "Deputies from each Church, to meet the State Convention of "Episcopal Churches, on the thursday after the third wednes- "day in October, to form a constitution, for the government of "the aforesaid churches

Our own minutes also testify that this recommendation was fully approved of by the vestry on the 15<sup>th</sup>. July 1798. they how- ever afford no information why it has hitherto been unattended to, but so thoroughly convinced were the members of our Church that no efficient system of general polity would ensue, untill a Convention was constituted, conformable to the recommendation of such of the Members of Vestries, as were convened on the 19<sup>th</sup>. Oc- [301] tober 1797- that they have chosen by ballot, from among the Congregation, five Delegates, to represent them, in conjunction with our ministers, in the convention of the Protestant Episcopal Churches of this State. And we confidently trust that each of our sister churches will readily concur in a measure which promises to perpetuate our mutual welfare, & happy agreement; with the respect which is due to your religious, & private characters,

We remain Gentlemen  
Your very ob<sup>t</sup>. humble servants-  
for the Vestry of St. Philips Church  
Keating Simons, Chairman

On motion, Resolved that three persons be appointed to represent this Church in a Convention of the Protestant Episcopal Churches to be held in St. Michaels Church Charles-ton on the 17<sup>th</sup>. Instant-

Resolved- That the Delegates so to be Elected shall be & are hereby vested with full powers, give their assent to all such things as may come before the Convention which may in their opinion conduce to the Interest of the said Episcopal Churches- Provided Nevertheless that the assent of such delegates shall not bind this Congregation unless confirmed within three months thereafter- by a majority of its members-

Upon proceeding to an Election, the Rev<sup>d</sup>. Mr G. Hicks Robert Barnwell & W<sup>m</sup>. Robertson were duly Elected [302] Delegates for the above purpose-

On motion, it was Resolved- That a majority or either of

the above Delegates shall be & are hereby authorized & empowered to represent this Church subject to the foregoing restrictions—

“to open a correspondence with the several Churches throughout this state, which may be destitute of ministers; offering them such assistance, as may tend to the promotion of the spiritual interests of the said Churches:—”

Resolved— “That the standing Committee do take proper measures, to notify to each Church in this State, the time and place of holding the next Convention; and transmit, when printed, the rules, as concurred in by the Convention.”

Resolved. “That the several officiating ministers of the Episcopal Churches throughout the state, be earnestly requested to visit, from time to time, or as often as circumstances may admit, and hold divine service in, such Churches as may be destitute of ministers.”

The foregoing resolutions will, we trust, Gentlemen, be a sufficient explanation of the purposes for which the Committee has been appointed. We have it in charge, to assure you, that the rules, which, agreeably to the third of these resolutions, are herewith transmitted, did not pass the Convention, without the most serious consideration; and that, whilst it has been their object, by the union of the respective Churches of this State, under the authority of these rules, to endeavour to revive among them that order and discipline which are indispensable to their existence; the most scrupulous caution has been observed, lest any privilege should be violated which may be held by any churches under [307] Charters granted by the Legislature of the State. We trust therefore, that the strictest scrutiny, into the principles on which these rules are founded, and the objects to which they are directed, will discover to you nothing, either in the one or the other, that can induce you to withhold your concurrence in their adoption. Under this impression, we entreat your early and serious attention to them; and shall anxiously wait your determination on the subject of their ratification. By the preamble it will appear, that six months, from the first of the present month, are allowed, for the determination of the Churches respecting them, to be signified to the standing Committee. In the meantime, we take the liberty to request, that such determination may be transmitted to us, within that period.

On the subject of the second of the above resolutions, we have only to observe, that, in conformity to the injunction it

lays on us, we are ready to receive any communication on the subjects referred to in the said resolution.

The Clergy (who agreeably to the last of the same resolutions, have been requested to visit, and perform divine service in, vacant Churches) having cheerfully acquiesced in the wish of the convention, only wait the assurance of their Brethren in the Country, that the offer of their services will be acceptable; and they will, accordingly make arrangements for carrying the resolution as far as possible, into effect.

Respectfully requesting the earliest possible [308] answer to our communication (addressed to the Chairman of the Committee—)

We remain, Gentlemen, with the sincerest wishes for both your spiritual & temporal welfare—

The Chairman then read the following rules & regulations for the government of the Protestant Episcopal Church in the State of South Carolina

Whereas, in all societies, professing Christianity, the promotion of Religion should primarily engage their sincere attention; as being the sure and only means of rendering them acceptable to Almighty God, and calling down his blessing upon them: And,

Whereas, by general conventions of the protestant Episcopal Churches in the United States of America, a Constitution and Canons, have been formed, for the government and discipline of the same:—

Be it therefore Resolved, That the following rules be agreed to, adopted and observed, by the protestant Episcopal Churches in this State; for the local government of the same; which rules shall be considered binding upon all the protestant Episcopal Churches in this State, which shall not, within six months after the first day of March 1806, notify to the standing Committee, their dissent therefrom

Rule 1<sup>st</sup>- A stated Convention shall be held annually, in Charles-ton, on the third Monday in every February or at such time, and in such place, as shall have been determined upon by the preceeding Convention; But if a [310] sufficient number of the Churches associated, do not attend on the same day; the representatives, whether Clergy, or Laity, of any two of them assembled, shall have power to adjourn from day to day, untill a quorum is formed; which shall consist of at least seven Churches.

Rule. 2<sup>nd</sup>- Delegates shall be elected by the respective Episcopal Churches throughout the state, to represent them in the State Convention: The Delegates to be elected in such manner, time and numbers, as each Church may deem proper, to serve twelve months from the time of Election; who shall; before they are permitted to take their Seats in Convention, produce written testimonials of their Election.

Rule 3<sup>rd</sup>- The officiating Clergy of the Protestant Episcopal Churches of this State, shall be deemed, ex officio, Members of this Convention.

Rule 4<sup>th</sup>- When a sufficient number of Members have assembled, to form a Convention, they shall elect a President, from among themselves.

Rule 5<sup>th</sup>- A Secretary and Treasurer shall be annually chosen, who shall keep a true and correct journal of the proceedings, and regular accounts of any money transactions; to be annually laid before the Convention: It shall, also, be his duty to give notice to each Minister and Vestry of the time and place appointed for any extra or special Convention.

[311]

Rule 6<sup>th</sup>- A standing Committee, consisting of such a number of Clergymen and Laymen, as the Convention may think proper, shall be annually Elected, for the purposes expressed in the Constitution and Canons; Provided the Committee so appointed, have no power to act in any cases which require the operation of any Canons repugnant to the Charters of any of the protestant Episcopal Churches of this State. Vacancies in the Committee, caused by death, resignation, or otherwise shall be supplied by the suffrages of the remaining Members.

Rule 7<sup>th</sup>- It shall be the business of the standing Committee, when informed by the Vestry of either of the Churches in this State, that such Church is not provided with a Minister, (in which information, the means which the Church has of supporting a Minister shall be stated) diligently to enquire for, and recommend to the Vestry, giving such information, a proper person to officiate in the said Church; and they shall report to the Convention at each annual meeting, what information of vacancies they have received, and their proceedings thereon.

Rule 8<sup>th</sup>- In all matters requiring the suffrages of the Convention, the representatives of each Church shall vote conjointly; each Church having one vote, and a majority of votes shall be decisive.

Rule 9<sup>th</sup>- The approving or receiving any Clergyman [312] into a Church, shall be vested in the vestry of the Church (or the Vestry and Church Wardens as the case may be) having authority so to do; and where there is no Vestry, or Vestry and Church Wardens, having such authority, in the Congregation that supports him, and receives the benefits of his Ministry. Provided that no Clergyman shall be admitted to the pastoral charge of any Church of this association, unless he first produces to the

Vestry, having such authority, or the Vestry and Church Wardens, as the case may be sufficient and approved testimonials of his having received full orders from a Bishop of the Protestant Episcopal Church.

[338]

Beaufort 23<sup>rd</sup>— Jan<sup>y</sup> 1811

Gentlemen/

Whereas it appears from your Resolves at a meeting of the 2<sup>nd</sup> Inst. that you consider yourselves unable to Continue two Clergymen for a longer time than the present year, this, together with the favorable opinion I entertain of Mr Campbells qualifications to take Charge of my flock, and of his becoming a pastor whom it might be their delight to follow, constrains me to ask your concurrence with me in the resignation of my ministry at the Close of the year.—

Shoud I request the privilege of two or three months absence, after Mr Campbells return from the northward I request that the indulgence might be granted me—

That no obstacle may remain to prevent my departure as soon as I am at liberty, I request that, as early as the first monday in october a Settlement may be made with me for my Present years Sallary, & also that you will have the goodness to furnish me with suitable Testimonials.—

Having become a Subscriber towards the Building of a Church in Beaufort, which I shall probably never have the satisfaction of beholding, I have to solicit that the Claim on me for the sum subscribed may be relinquished—

as to me the subject on which I adress you is of most important Concern, an immediate decission and answer is requested—

while thus desolving the connection between ministers and

their people ought ever to be held sacred.— My soul is overwhelmed with emotions naturally arising from the circumstance, but desirous of the things which makes for peace,—& in full hope that the ministration of a [339] a nother may tend to the benefit of the Church, and the advancement of the Redeemers kingdom in this place, I cast my cares upon him who who Judgeth righteously & will Judge between you and me.

I am Gentlemen, with much respect

your Ob<sup>t</sup>. Servant

The Rev<sup>d</sup>. Mr Hext having sent in his letter of Resignation to take place the first Jan<sup>y</sup>. next. the same was rec<sup>d</sup> and Read, but not Generally taken up, they however agreed to deliver to him Tistamoneals of his good conduct during the whole of the time he had officiated as their minister, they therefore drew them up and their Church warden delivered the same to the Rev<sup>d</sup>. Mr Hext, who expressed in high terms his Gratification.

at the same meeting It was proposed & agreed to, to appoint delegates to to meet the state convention to be held in Cha<sup>s</sup>.ton on 26<sup>th</sup>— Inst. they Accordingly appointed the Rev<sup>d</sup>. Jn<sup>o</sup>. B. Campbell to represent this Congregation—

<sup>1</sup>It is most unlikely that this letter was "Signed Galen Hext." The reverend gentleman's name was Hicks and he hardly signed any other. There was in the Low-Country of South Carolina a large Hext family and the clerk of the vestry and church wardens was doubtless confused by that name and insisted on giving it to the Reverend Mr. Hicks.
