PREFACE.

THE Register of Inventories, which is contained in ten volumes, dating from 10 July 1693 to 27 November 1702, supplies a blank in the Register of Testaments, an index to which has already been printed by the Society. The testaments of a few of the persons whose inventories are given in this record are to be found in that Register. These are marked with T. in this Index.

The Commissary appears to have made a very complete perambulation through his district during the period included in this Index, visiting each parish and making up inventories of the various defuncts. No estate seems to have been too small to escape furnishing its quota to the Commissary's fees.

In an Appendix will be found the lists of persons summoned to account for the estates of defuncts in certain parishes.

The various volumes of Inventories comprise the following dates :—

10 July 1693 to 28 July 1693; 26 July 1693 to 7 November 1698;
25 April 1694 to 3 November 1698; 5 September 1694 to 21 February
1698; 6 May 1697 to February 1698; 1 February 1699 to 1 December
1701; 9 May 1699 to 3 January 1701; 30 October 1699; 8 December
1701 to 27 December 1701; 27 November 1702; 8 May 1807 to 10
June 1815.

The Commissariat of Argyll.
