THE District contained in this Commissariat embraces the County of Ayr, the County of Dumbarton, except a portion of the Parish of Cardross, the County of Renfrew, except the Parish of Renfrew and part of the Parish of Cathcart. It also includes the following Parishes in Lanarkshire, viz.—Avondale, Barony, Blantyre, Bothwell, Cadder, Cambuslang, Cambusnethan, Carmunnock, Dalziel, Glasgow City, Glassford, Rutherglen, and Stonehouse; and the following Parishes in Stirlingshire, viz.—Balfron, Baldernock, part of Campsie, Drymen, Fintry, Killearn, Kilsyth, and Strathblane.

The Register of Testaments begins on 4th November 1547, but is blank from 20th November 1555 to 1563, when there is a volume of undated Testaments to 1565, from which date the Record is wanting to 31st May 1602. It is again blank from 31st December 1692 to 8th February 1694, and from 16th January 1701 to 28th August 1706, and from 24th November 1708 to 25th February 1717, from which date it is complete to 25th December 1823. The Testaments recorded during the years from 1669 to 1692 have been very erratically arranged, but by a judicious rebinding of the volumes much might be done to reduce the present inconvenience and difficulty of finding what is wanted. The volumes in question are—

#### N O T E.

Where a date is given in brackets, it is the actual date of the confirmation ; the other date indicates the place in the Record where it will be found out of its order.

Where the figures (33) occur, they indicate that the Testament is recorded in that Volume.

As the Testaments in Volume II. are undated, the figures—*e.g.*, II. 20—refer to the folios where they will be found.

T. indicates that the original Warrant alone exists.
