JINKINS BIBLE

of

Oklahoma

Submitted to The Tree Tracers, Vol. XII, No. 3 by
Emma Lou (Nelson) Cronin, 3529 Dublin Trail,
Mrsquite, TX 75149 and Dorothy Ivester Patterson,
3806 Dearborn, Lawton, OK 73505

"This Bible has been in the hands of Jinkins descendants since about the turn of the century, It appears to be written by the same person and probably all of the writing was done at the same time because the same ink and pen point are used. But what a land slide! Over sixty entries in one clmp. E.B. and E.J. Jinkins had 15 children and raised 5 orphans, There is no documentation of title, publisher and date of publication of this record. This "find" is the product of Emma Lou (Nelson) Cronin, of Mesquite, Texas (address above). Emma Lou' s grandfather, John Wesley Ivester and my grandfather, Oscar Johnson Ivester were brothers who homesteaded in Roger Mills Co., Oklahoma Territory (now Beckham Co., OK) in 1899. In the last year Ms. Cronin and I have combined our resources and are building a beautiful pedigree.

It is a little disappointing to find given names recorded as only initials. However, with all of our docunentation we have been able to canplete the listings of all these people with full names and to verify almost all of the dates, This bible record is in the possession of Carl Jinkins of New Mexico. He is a descendent of Sanford Lafayette Jinkins, son of Edmund Ballard and Elizabeth Jane (Wray) Jinkins."
