From: "Tami Ramsey"

This Bible was found in an Antique shop in Southwestern Virginia and has since been sent to the Tennessee State Library and Archives. The information is typed exactly as it appears in the Bible. I think Abram MASON might have purchased the bible after it had belonged to Zachariah BELL because there are two different handwritings for the BELL family and MASON family. This family was from the Mason's Grove area of Madison Co. TN. Tami Ramsey
