RECORD OF BOWERS FAMILY

We find in the Elbert County Records filed in Elberton, Ga., that Abraham Jordan and his wife, Mary, lived in Elbert County. We don't know who wife was before their marriage. He mentions only three children in his will October 8, 1792. They were George Walton, Joshua and Thomas Jordan. His will was recorded July 25, 1798. Don't know where they died, nor where they were buried. We believe he was the forefather of the Jordans in Elbert and Franklin Counties. The land Lottery of 1827 gives Joshua Jordan, as a soldier in the War of 1812. He was assigned a tract of land in Pickards District, Bibbs County, Ga., as payment for his services in the war. It was not known whether he moved to the assigned land or whether he traded it for land elsewhere. We believe this Joshua Jordan was the husband of Beady White, the father of the following named children.
