FIRST GENERATION

(1) Thomas CAMPE married 1653 in Waltham Holy, Cross, Essex Co., England, (2) Sarah WILLIAMSON.

Biography: For generations, this prolific family resided in Essex Co., England. The parish registers at Waltham Holy Cross reflect many Camp marriages, births and deaths. Essentially, the Camps were deeply religious people who became dedicated leaders in rural communities, particularly in Georgia, where religion developed the backwoods. Many were Baptist and Methodist ministers whose memories are yet alive by virtue of their uplifting guidance. There is probably not a member of the Camp family anywhere who does not brag on his ancestor's large family of children.

Biography: Thomas Camp's first wife, Winnifred, was of Welsh descent according to family legend. The family lived about 10 miles down the river from Island Ford in the forks of Camp Creek and Broad River, on US Rt. 221 between Chesnee, S. C. and Rutherfordton, N. C. (1/2 mile from S. C. border). Thomas Camp had sons who served in both armies during the Revolutionary War. His second wife, Margaret Carney, was a staunch rebel whose political opinions caused her to be frequently robbed by the British and Tories, their home being situated in the half-way ground between the British and Revolutionary soldiers. After the war, the family moved to what is known as Island Ford in Rutherfordton, N. C., where Thomas, a millwright, owned a grist and sawmill. The family cemetery is located just across the small falls of the river from where the mill stood. His stone is marked "T. Camp 1717-1798". Thomas Camp received a land grant of 200 acres 11/2/1779 in Tryon Co., on the southside of the Broad River at Hawkins Shoals. (LWT of Thomas Camp proved 4/1798 Rutherford Co., N. C.; Camp Bulletins at Ga. State Archives; Camp-Kemp Family History, Vol. 1, by R. N. Mann and C. C. Mann).

Dear "Cousin" Burrell:

Thank you so much for your letter and the write-up about Eld B.M. Camp -- "Uncle Burrell". This fills in a gap in our family tree.

Thomas Camp, born in Virginia in 1747, married Nancy Tarpley. They lived in No. Carolina, then moved to So. Carolina where their children were born and then moved to Walton County, Ga., where he died in 1811. Their children were:

1. Burrell, born in 1774, married Betsey Moore, who was my gr. gr. grandfather
2. Bradford, born 1776 (moved to Louisiana)
3. Sherwood, born 1777 (married Lydia Kennedy, your great grandfather (Sherwood was a Baptist minister))
4. Hosea, born 1778, moved to Alabama.
5. Larkin, born 1779, mar. a Miss Brewster, moved to Alabama, had a son named Manning and Sheriff
6. Thomas, born 1781, married a Miss Handy, moved to Arkansas.
7. Sarah, born 1784, married John C. Calhoun, had children named Lige and Harriet
8. Nancy, born 1786,

Sherwood was born in No. Carolina. His children were:

1. Edmund Kennedy Camp, born in Jackson Co., Ga. 1804, married Penelope Willingham
2. Ira Camp (I believe he married Tempy Owens in 1828 in Newton Co., Ga. In 1833 he was in business with Joseph L. Irwin. He was killed in his home by Federal Army in Paulding Co. Ga. (near New Hope Church).
3. Joe (settled in Texas).
4. Thomas, lived in Paulding, Ga. I am on the trail of a Thomas Allen Camp, I believe it is this Thomas, son of Sherwood. If so, I have the names of all of his children.
5. Burrell M., born in Walton Co., Ga. 10/13/1822, your grandfather, and I appreciate getting the names of all his children.

Thomas Camp, the father of Burrell and Sherwood, from whom you and I descend, was the son of a famous Thomas Camp who had at least 24 children. His first wife was Winifred Starling, and their children were Edmond, Joseph, John, Nathaniel, Thomas (the one born in 1747), Starling, Hosea, William, Alfred, Benjamin, Elizabeth and Joe. After his wife Winifred died, he married 18 yr. old Margaret Carney and they had 12 more children.

Burrell, my great, great grandfather, had children named Lewis, Edwin Brown, Grace, Seaborn Marion, and Mary Polle. Lewis was my great grandfather.

Lewis married Leah Daniel and their children were: Thomas D. (who was the grandfather of Mrs. L. H. Lloyd in Lindale), Nancy (mar. Samuel Riggsby), Tildie (mar. Whitaker Butler), Mary (mar. Will Hendrix), Lida (mar. Pickens Butler), Seaborn E. Burl (mar. Susan Hendrix), and William Lewis, my grandfather (mar. Fannie Daniels).

My grandfather had 11 children, 3 of them still living. My father was William Lewis also. He has been dead since 1934. There are 9 in my family. My father's youngest sister was Esther Camp, married Dolphus Cranford. Their oldest son, Alton Cranford, lives at 212 Cherry St., Rome, Ga. If you are ever up that way, look him up. He'd be happy to meet you.

If you could give me names of ^{at least one of the} children of your father's brothers and sisters that I could write to and get their whole families, I would appreciate it. Also, if you know of any old family Bibles somewhere that

might give us some leads, I would like to know about them. I especially would like to know about your grandfather Burrell's brothers, if you have heard stories and remember hearing about any of them.

When I get all of these things together and printed, I will send you a copy.

Thanks again, and I hope to hear from you again.

Sincerely
Julia Camp Looney.

P.S. I figure you and I
are both cousins.

LIFE HISTORY OF ELDER B. M. CAMP

Elder B. M. Camp, commonly known as "Uncle Burrell," was born in Walton county, October 13, 1822. His great-grandfather was an Englishman who came to Roanoke, Va., in the 17th century. This Roanoke pioneer raised twenty sons, one of whom was the grandfather of the subject of this sketch, who moved from Roanoke, Va., to South Carolina and there raised 6 sons, one of whom was the father of the subject of this sketch and whose name was Sherwood Camp.

Walton county, Ga., where, as stated aforesaid, the subject sketch was born. In 1834 Sherwood Camp moved his family from Walton county to what was then known as Cherokee county, now Cobb.

In 1842 Uncle Burrell was married to Miss Mary Stegall, and after spending about seven years of their married life in Cobb county they moved to Paulding county, where Uncle Burrell raised the family and his six children. When he given them a good education and gave them the tools and money to make their own way in the world.

service up to within a few years prior to his death. He served his home church, High Shoals—the one in which he was baptized—for more than 45 years. He served as moderator of the Marietta Old School Baptist Association 20 years, resigning this position on account of his age.

Besides his ministerial work he was a prosperous farmer, and once owned one of the best farms on Raccoon creek, where he raised his family, and by the sweat his brow gave them the best opportunities possible at that time.

He preached his farewell sermon about eight months before his death at his home church. He stood exactly 45 minutes by the watch, and his sermon was very much enjoyed by the large crowd that had gathered to hear him.

All that was mortal of this good man was laid to rest in the cemetery at High Shoals on the 23rd day of May. — A large concourse of relatives and friends met to pay a last sad tribute of respect. Elder W. T. Walden conducted the funeral services, his subject being: "I have fought a good fight, I have kept the faith, and I am now ready to be offered up." Uncle Burrell could have truly made use of this language.

We thank God for the life of this good man; we thank God for having been his neighbor; and now in humble submission to the will of our Maker let us bow. Our loss is his eternal gain. May God bless us and save us all in heaven.

ELDER W. T. WALDEN.

After losing his wife in 1969, Uncle Burrell a few years later married Mrs. Sarah Elsberry, and their home was made happier by the birth of two children, namely:

named, Uncle Burrell left scores of grand and great grandchildren, all of whom are among the best people in the state.

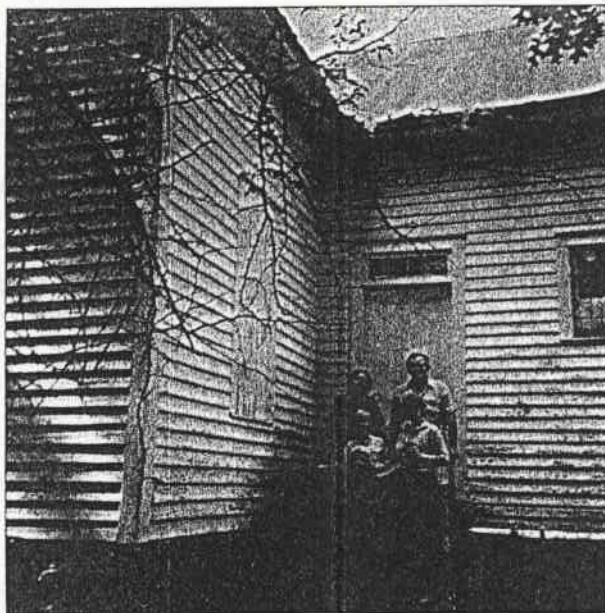

After the death of his second wife, which took place on the 11th of September, 1910, Uncle Burrell made his home among his children till his death which occurred on the 22nd day of May, 1912, at the residence of his son near Powder Springs at the ripe old age of 89 years, 7 months and 9 days.

Uncle Burrell was a man in every sense of the word. He was strictly temperate in all things. The old saying, "once a man and twice a child," was hardly applicable to him. With the exception of being a little hard of hearing he was as interesting and instructive to talk to as a man in the prime of life. He kept well posted on public affairs, and while he had his convictions both in church and state, he never censured anyone for differing with him. He never had a case in court in his life, and was but once upon the witness stand, and that time in a civil case.

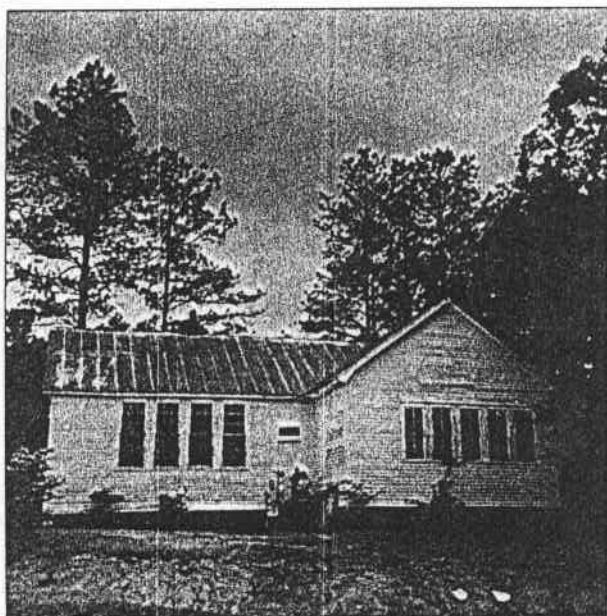

Uncle Burrell joined the Primitive Baptist church in 1860 and was baptized by Elder Robt. Daniel. Most of Uncle Burrell's children belong to the church of the same faith and order. Truly they are following in his footsteps.

About two years after joining the church Uncle Burrell began preaching, and continued in the

EIGHTH GENERATION

Biography: Willie Florence Collins was known as "sister", a name which she gave herself when he started school. That name appears on her tombstone. After her marriage to James Tom Holland they lived in a village at McPherson, Georgia, near Dallas, in Paulding Co. It was a community of about forty houses for railroad workers. Her husband, Tom Holland, ran the general store. She dressed her small sons in city clothes. They wore white shirts and dress pants to their country school, Willow Springs. Sister had it made so far as shopping was concerned. She only had to walk a few yards from her house to board the railroad to Atlanta, getting off at terminal station (near the former farm of her husband's grandfather, Archibald Holland...which he sold). Her death occurred at the age of thirty. They had just built a new house at McPherson, moving from Tom's farm where he grew some cotton (nearby). She crawled into bed one night to be bitten by a rat! She soon grew ill with fever. The doctors diagnosed it as typhoid fever. After that, the cosmetics of the house were never really completed.
