Helen Wooddell (Mrs. M. J.) Crawford

This record contains 2354 names. The surnames of the grooms are seperated as to letters, as they appear in Book J, but not arranged completely alphabetical.

The brides names follow in an inverted list and they are in alphabetical order.

There were a few records hard to read. If in doubt about a letter or name ,one is placed in parenthesis, but when not certain the unreadable part is underscored.
