If, when printing, a difficulty arises regarding INKS—write to us!

We shall be very pleased to answer any enquiries and give expert advice.

We are not only makers of the finest printing inks; but have a staff of experts constantly investigating such subjects as the action of inks on various kinds of paper, the right consistency of inks for different purposes, the use of reducers, driers, etc., difficulties in litho offset work and other new processes, etc., etc.

We have an intimate knowledge of the requirements of printers and make a feature of producing inks for special purposes. Our range of colours and tints for litho, letterpress offset, photo-gravure and other inks is unrivalled.

The ABERGAVENNY CHRONICLE And MONMOUTHSHIRE ADVERTISER.

(M. MORGAN & CO.)

The circulation of the Chronicle extends throughout an extensive mining and agricultural district and is greater than that of all the other weekly papers combined. In consequence of the fulness and accuracy of its local reports, and the ample compendium it gives of district and general intelligence, it is largely read by all classes, and therefore offers peculiar advantages to advertisers. It is sent gratuitously to all Solicitors, Auctioneers, &c., and the principal Hotels in the town and district.
