Glasgow the 19th June 1810 pursuant to an Order of the County Court of Barron we the undersigned have settled and adjusted all the debt of the administration of John Rock on the Est. of John Rock Esq. and find a balance due to said Estate from said John Rock of £947. 6 8 1/2 which we believe to be correct all except the two last items one on the Debit and the other Credit side namely the balance due from Wm Trotter to John Rock and the allowance made to John Rock for articles which he purchased for the use of the family and these two items are involved in much doubt and difficulty from want of satisfactory testimony as to their justness but better evidence could not be provided by us
