 Survey the true, now down thence down the Creek as it
 Meandered South 28° 29' 10" E. to a Sugar tree South 28°
 29' 10" E. the dividing Corner between my Son John Shirley and
 them with a dividing line 100 poles to a Sugar tree
 then with another dividing line 189° 10' 10" E. to the
 Sugar tree and then with the old line then with the old line
 189° 10' 10" E. to the Beginning also a part of the
 tract that lies on the East Side of Buck Creek joining
 the old survey and Lipe Hallen. Beginning on
 the dividing Corner of the old survey a long or two
 back of the line then I would it to the Lipe Hallen
 then I would it to the Beginning including all the
 appurtenances of said survey let it be
 more or less. The land before said I have conveyed
 to said John Shirley by deed of Gift also I have conveyed
 unto the said John Shirley one hundred and twenty seven
 acres of land to be taken off the survey that is Patent
 in my name and Elijah M. Livingston jointly Beginning
 on the North West Corner of the land now here on
 then with a dividing line to the Buzzard Camp thence
 Westwardly not going so far as will interfere with
 what is called the 100 acre place then Southwardly
 until it strikes the South line of the original survey
 so as to include the above number of acres (say)
 177 then with the original line to the Beginning
 the balance of the land that I now live on
 I have conveyed to my Son John Shirley and the
 balance of the tract lying on the East side of Buck
 Creek adjoining the old survey and Lipe Hallen also
 one second Horse on said tract and I do guarantee
 he has already paid (note) It is to be understood
 that my Wife Mary Dickerson is to have Executable
 and quiet Possession of the land where the house
 lived during her life also the Black House hole
 furniture to do as she thinks most proper to support
 her. Also I have conveyed to my Daughter Rebecca
 Lawrence one hundred acres to be taken of land
 that is Patent in my name and Elijah M. Livingston
 jointly to be laid off adjoining land of John Dickerson
 that is taken of the same survey so as to include the
 Spring and old improvement called Grindly old field
 the balance of the joint land to be equally divided

 Survey the true, now down thence down the Creek as it
 Meanders South 28 99 poles to a Sugar tree South
 along the dividing Corner between my son John Shirley
 then with a dividing line 18 40 poles to a Sugar tree
 then with another dividing line 18 9 10 109 poles to a
 Sugar tree then with the old line then with the old line
 like 18 9 poles to the Beginning also a part of
 tract that lies on the East Side of Buck Creek joining
 the old survey and Lipe Hallen. Beginning on
 the dividing Corner of the old survey a long or two
 back of line then I would it to the Lipe Hallen
 then I forthwithly should a day to the Beginning
 including all the appurtenances of said survey let it be
 more or less note the land before said I have conveyed
 to said John Shirley by Act of Gift also I have
 under the said John Shirley and his heirs and assigns
 acres of land to be taken off the survey that is Patent
 in my name and Elijah M. Livingston jointly Beginning
 on the North West Corner of the land now here on
 then with Whitting line to the Buzzard Cave thence
 Westwardly not going so far as will interfere with
 what is called the 100 acre place then Southwardly
 until it strikes the South line of the original survey
 so as to include the above number of acres (say)
 177 then with the original line to the Beginning
 the balance of the land that I now live on
 I bequeath to my son John Shirley Dickerson and the
 balance of the tract lying on the East side of Buck
 Creek adjoining the old survey and Lipe Hallen also
 one second Horse on that call the Dec of 1835
 he has already rec'd. (note) It is to be understood
 that my wife Mary Shirley Dickerson is to have Executable
 and quiet Possession of the land where the house
 lived during her life also the Black House hole
 furniture to do as she thinks most proper to support
