

In the name of God amen, Edmund Garnett of the County of Boone and State of Kentucky, being of sound mind and disposing memory, but knowing the uncertainty of life, desire to dispose of such estate with which it has been pleased God to bless me, do make constitute and Ordain this my last will and testament in manner following (to wit.)

First. My will is that all my just debts and funeral expenses be paid.

Edmund Garnett. Secondly. I give and bequeath to my son John Station Garnett all that part of the tract of land, with the appurtenances thereto belonging whereon I now live lying and being on the north side of the road leading from Butteltsburgh meetinghouse to the Ohio River at North Bend to him his heirs and assigns forever.

Thirdly. I give and bequeath to my daughter Fanny James all that tract of land I purchased of John Morris lying in the County of Boone and State afo^r in the water of Garrison Run containing about One hundred and seventeen acres to her and her heirs and assigns forever.

Fourthly. My will and desire is that the balance of the tract of land whereon I now live as lying on the south side of the road as named aforesaid in the 2nd item of this will including the tract purchased of Thomas Whitaker be sold by my Executors (hereafter to be named) at a reasonable credit & the money arising from such sale to be equally divided amongst my children as follows, Joel Garnett, James Garnett, Elizabeth Garnett, Polly Ingraham, Susanna, Fannie, Fanny James, John Station Garnett, and my Grand daughter Elizabeth Willis to them and their heirs forever.

Fifthly. My will and desire is that all my stock of Horses Cattle sheep, hogs &c. household and kitchen furniture, farming tools and all other property of every description belonging to my estate (not otherwise here devised, shall be sold to the highest bidder at a reasonable credit and the money arising from such sale to be divided amongst my children as before named.

Sixthly. My will is that my executors shall expose to sale as afo^r at a reasonable credit all of my stores amongst my legates (as I do not wish them sold out of the family) and the money arising therefrom to be divided as afo^r.

Seventhly. My will and desire is that should any of my children as named as afo^r die without issue or offspring lawfully begotten of their body then and in that case I will the estate bequeathed them by this will to revert back as part of my estate to be equally divided amongst the residue of my children as aforesaid.

Whereas I have a book wherein I have charged each one of my children with the price I have put on such property as I have let them have in advance in order to enable me to give them as near equal as possible. Therefore I wish my Executors in making distribution of my estate amongst my legates to make all equal (before any other distribution is made) agree able as they in said book shall stand charged.

Eighthly. My wish is that such of my estate as will fall to my Grand daughter Elizabeth Willis, my Executors shall retain in their own hands until she should marry or become of age.

Tenthly. I do hereby appoint my son Joel Garnett and my son in law William Garnett Executors of this my last will and testament.

The Testimony whereof I have hereunto set my hand and affixed my seal this fifth day of October 1834.
