Whereas Arthur Black and Pegg Black the Administrators and Administrators of the Estate of James Black du? had this day come upon us as Commissioners under the act of Feb'y 1834. to state and settle with them their accounts as Admins of said Estate and we having examined all the vouchers as well against them as for them do report the following as a correct statement of their accounts, we find first that the aforementioned Rice amounts to \$361. 68 $\frac{1}{2}$ but that all the estates that were appraised were sold. We therefore charge them with the amount of the sale Rice which is
