Be it known that on this 8th day of Nov^r in the year 1834. That Thomas
 Green and Nathl. Green Ex^rs of the Estate of the said Green du? came before us Comm^s for
 settling the acct^s of Ex^rs &c. and exhibited his acct^s &c. which being examined
 stated and settled as follows.

We find from the inventory of the Estate of the said Green that there was
 negroes and personal property to the amount of \$7099.37 1/2 etc. which
 was bequeathed to Barbara Green the widow during her life \$7099.37 1/2

Which should be credited by 4 negroes that has been given
 out under the will of the said & otherwise settled for 1750.00
 3249.37 1/2

We find to our satisfaction from the Book of the Executor
 and other circumstances that he paid debts of the said in
 1815. as per Voucher A. 114.96
 234.41 1/2

We also find & report that a bay mare and a bay horse
 which are named in said appraisement each valued at
 \$25. each dead while in the possession of the widow which
 in the possession of the widow which we think should
 also be credited to the Ex^rs 50.00
 184.41

We find from the will of the said du? a special Legacy
 to said Tho^s Green for a \$60. horse a \$70 cow & a good saddle
 and bridle which we estimate at \$35. which the Ex^rs
 retained for himself 95.00
 89.41

We also find that in Oct^r 1828. soon after the death of
 Barbara Green the widow the personal property that re-
 mained was sold and has been otherwise accounted for
 among the heirs to the amount of 25.92
 23.49

We are of opinion from an examination of Inventory of
 the said Green du? Made out soon after his death in 1814 of the great num-
 ber of small articles of personal or perishable property which was left
 to the widow during her life and also from examining the articles &
 prices for which they sold for in 1832. after the death of the widow
 we are of opinion that more than fifty dollars of this property had
 died worn out and was wasted by time and use without neglect
 and we have some evidence that the said widow had given
 away a room and a bed that was in the first appraisement the
 room to her daughter Betsey Allen and the bed to her daughter
 Elsie Campbell which needs a compensation to the Ex^rs for
 their services were amount to more than we find due from
 them.

All of which is respectfully reported to the Boone County Court
