Know all men by these presents that I Thomas L. Hawter of the state of Kentucky and County of Boone being very feeble and weak in body but of sound and disposing mind and memory and conscious
of the certainty of death and thinking proper
to dispose of an interest which I have in and
to a tract of land in the County of Boone and
adjoining Burlington I do in the event of my death
make and ordain this as my last will for the
purpose hereinafter specified that is to say in-
asmuch I give and bequeath unto my brother
William Hawter my undivided one third part
of a tract of land lying and being in the County
of Boone and near to or adjoining the Town of
Burlington and designated by the said Rentsing
ton tract the 1st tract was before deeded by
John T. Johnson to William Hawter myself and
George M. Hawter. I wish it to be distinctly un-
derstood that the foregoing bequest is to be de-
ferred to this and no other incumbrance that is
to say that before the title entirely rests in the
said William he is to pay to my sister Virginia
Hawter One hundred and fifty dollars which
I think to be the value of the one half of the
interest bequeathed and which I estimate for her
but as her interest in the land would be so small
I concluded to convert it into money and im-
pore it on my brother William to pay it to her
and let him keep my interest in the land.
And finally I do constitute my brother William
Hawter Executor to this will I witness whereof
I have hereunto set my hand this 15th day of
June 1829.
