In the Name of God Amen. I John Bridges of the
County of Bourbon and State of Kentucky
being sick and weak in body but of perfect
mind and memory thanks be to God for the
same calling to mind the mortality of the
body and knowing that it is appointed for
all men once to die, do make ordain con-
stitute and appoint this my Last Will and
Testament that is to say, principally and
first of all I give my soul into the hands

491 of all mighty God who gave it, and my
body to the Quakers, to be buried in Decent
Christian burial - Nothing doubting but
I shall receive the same again at the
general resurrection by the Almighty pow-
er of God, and as touching such world-
ly Estate wherewith it hath pleased God
to bless me with, I give bequeath demise
and dispose of the same in form and
manner following, to wit

First, I desire that all my just debts
and funeral charges be levied raised
and paid out of my personal estate.
Then, I give and bequeath unto my be-
loved wife Nancy all my Estate during
her Widowhood, to wit Land, Negroes
stock of every kind farming utensils, house-
hold and kitchen furniture, and every
thing I die possessed of so as not to waste
nor embezzle any of the same more than
what her need shall require for her
support and her family, but if she mar-
ries again my desire is that she only
have the one third part of my Estate but
if she remains my Widow all her days
she is to enjoy the benefits of my Estate
as above mentioned.

Then, be it well remembered that I
have already given unto my son William
Bridges forty dollars, and hath intras-
ted him with two Notes, thirty dollars
each on one Martin in South Carolina,
which if he returns the said Notes to my
wife after my death he is not to be
accountable for the same, but if he
should not return the said Notes, unto

478. her I charged him with the amount of the same
which is one hundred and twenty dollars to
be taken out of his part of my estate after the
decease of my wife and divided among
the rest of my children.

Item, I give and bequeath unto my son
John Bridges when he marries forty dollars
in property such as he, or rather shall think
proper to let him have, the same to be val-
ued by two disinterested persons.

Item, I give and bequeath unto all the
rest of my children forty dollars each in
property, namely, Henry, Thomas, Matthew,
Betty, Neddy, Patsy, each of them to re-
ceive the said forty dollars in property,
when they are married or comes to be of law-
ful age - said property to be given to them
by their mother in such things as she may
think most suitable for them, and conven-
ient for herself - also each one's property
at its value - But let it be plainly un-
derstood that if any of the above named
children, John Henry, Tommy, Matthew, Be-
ty, Neddy, Patsy should not have obtain-
ed the above mentioned forty dollars before
the decease of my wife, they then shall
have the same given unto them before any
sale of the estate is made, so as to make
their parts an equivalent to the others.

My further desire is that after the decease
of my wife that all the property she dies
possessed of that is considered my estate
shall be sold at publick sale at twelve
months credit and the money equally
divided amongst all my children, that
is if my son William does return the

before mentioned Nates to my wife, and if he does not return them in that case he is to have one hundred dollars less of the sale money than the rest of the children.

My further desire is that after my death my sons that is not of lawful age shall be bound to good trades, but if my wife chooses to keep them with her for her life I have no objection, - But after her decease my desire is if any of them should not be of age they then shall be bound to learn such trade, as they themselves shall choose -

And I do hereby ordain, constitute, and appoint by last will and testament, and my son being my executor of this my last will and testament, hoping they will take the charge upon them and see that equal justice be done to all persons concerned with any part of my estate and I do hereby revoke, annul and disallow all former Wills, Testaments, Executions, or Executions by me at any time heretofore made declared, executed or appointed and to declare this and no other to be my last will and testament - In Witness whereof I have hereunto set my hand and affixed my seal this sixth day of January in the year of our Lord one thousand eight hundred and sixteen.
