Whereas I find myself in a low state of health and weak in body but strong in mind and in my proper senses therefore I think it my duty to commit my soul to God who gave me my being. It is my will and desire that for my funeral expenses and all my lawful debts unpaid that my Estate should be disposed of as follows. It is my will and desire that my dear and beloved wife Dorcas Wright should have one half of my Estate during her widowhood both here and hereafter but it is to be understood that if she marries she shall have but one third of my Estate. It is my will and desire that my wife Dorcas Wright should have all the claim and a proportioning part of the land and improvements on Red river. It is my will and desire that my daughter Louisa should have half of my Estate provided the widow should not marry but if the widow should marry Louisa should have one third of my Estate. It is also my will and desire that my wife Dorcas should manage the expense to be paid out of the widow's part but if the widow should not marry the expense to be paid out of the widow's part. It is also my will and desire that my daughter should have a bed and furniture also in right of her mother and twenty dollars in cash. It is my will and desire that that lot of land of two acres in Spring Town should be sold with the trading Factory with all the improvements thereon and such credit may be given by my Executors as appears most advantageous to the Estate. I bequeath all my goods and chattels of every description to be sold at public sale except such as the widow may prefer to take as the appurtenances. It is my will and desire

Desire that Charles Lander and David Allen be appointed to settle and manage all my business. I do hereby acknowledge that the contents of the within will is my last Will and Testament. Whereunto I set my hand and seal this sixteenth day of December eighteen hundred thirteen.
