

J. G. F. de Clerk de court, that the within will was this day
produced to Court, perused by the Judges, William Smith and
Thomas Smith, two subscribing witnesses thereof who swore that the
testator signed and acknowledged the same in their presence and that he
was of sound mind and disposing memory, and that they signed the
same in his presence, which is ordered to be recorded the same being the
as required by Law.

This 1st Sept. 1764. G. F. de Clerk,

G. A. Jolly, Clerk,

I, James V. McCombs, of the County of Washington State
in Kentucky, being advanced in life and conscious of the uncertainty
of its continuance, and of the necessity of making such preparation
as I deem a prudent for its termination, do make certain this
my last Will & Testament. My 1st It is my will that I desire
that all my just debts be paid - and for their liquidation
I wish the debt due me at my death. Let my personal
effects be sold - without delay, necessary, &c. & I will my
debts to be my Widow's Name, McCombs, during her life or
widowhood, & all the rest & residue of my Estate, let their real
personal or mixed - is either expenditure or which I may be
wiser or better, or to which I may have right at the time of
my death, in or for education, clothing, and board, &c. for
the said Family shall remain on the place where I now live
& of possession of the same, & the Estate which I may have at
my death & personal Estate let after the payment of my debts
for the support of my children under age, and
giving a suitable education to such of my children as may not have
received it at my death, this provision is made because
I believe it best for the support & well-being of my family
that they should remain together & in order that they should
remain together & in order to enable them to do so, I do by my
will desire, that as long as my said wife survive, & after
her death, until she is married, & that she shall have
one to care of children such property of which I am
as the same shall I prefer so as not to be such child
portion of my Estate, which property, so as to be
be divided out of said child portion, & an equal
division, &c. &c. to the death or marriage of my said wife
it is my will & desire that when I am dead, as to be
above I may have at my death shall be equally divided
& have to my children & my said wife, &c. &c. &c.
McCombs, Cyra & Laurence, Executors of McCombs,

Silas Moriman, John W. Moriman, Achilles Moriman,
 Catharine Moriman, Susan L. Moriman, Gertrude Moriman
 Henry Moriman and Margaret A. Moriman their
 heirs and assigns forever. And in case of the death
 of any of these before my demise without issue it is my
 will that the part which would have fallen to such child
 shall be equally divided amongst the survivors, and
 should any of my said children survive me and die
 without issue which 21 years of age the share of such
 child also go to the survivors. It is to be understood
 however that my daughter Eliza D. Downard, is not to
 receive any part of my estate with my other children above
 named. I will leave her in property to each to what has been
 advanced to her, and in case of her death any control in
 future about the value of the property advanced to my said
 daughter I estimate it in my last Will and Testament at
 six hundred dollars which estimate is to be taken as the value
 of all she has received. It is to be further understood that
 in case my wife survives against she shall have a child,
 portion of my estate that is the whole of my estate as
 aforesaid shall be equally divided between her and my
 above named children making precise equal parts.
 My children by my first wife have not provided in
 this my will, because I think it probable that I
 have already advanced to each of them more than
 will fall to the children of my last wife by this will and
 because the helpless and dependent situation of my younger
 children requires all that I may leave for their proper
 support education and establishment in business. For these
 reasons I leave nothing to my first children by this
 will, and yet from and want of parental love and affection
 I have nominated my wife Nancy Moriman, Executrix and
 my son William B. Moriman Receiver of the last Will
 and Testament. In testimony whereof I have after my hand
 and seal this 1 day of July 1846. James W. Moriman
