In the Name of God Amen I John Woods of the County of Buchanan
 and State of Kentucky being of Sound mind and memory but in feeble health
 and believing that a man should whilst living make such a disposition of his
 Estate by Will as in his judgment will most conduce to the comfort and well being
 of his family after his death, do make and ordain this my last Will and Testament
 hereby Testifying as others have before made by me Section 1st It is my Will that all my
 just debt and funeral expences be paid. Section 2nd I have and bequeath to
 my Son Lewis A Woods and young boy man which he now claims Section 3rd
 and give and bequeath to my Son Richard Woods and young David man which he
 now claims Section 4th Having full confidence in the integrity and goodness of
 my beloved wife Francis Woods and in her affection for my Children I do hereby
 leave and bequeath to her in Trust, during her widowhood all the remainder of
 my Estate both real and personal for purposes hereinafter mentioned. The property
 herein entrusted to my wife consists of all my land, horses, cattle, hogs, sheep,
 farming utensils, house hold and kitchen furniture, in fact everything or
 species of property that I may be possessed of (and not in breach with the then first
 Sections of this Will) She is not authorized by this Will to sell any of my land but the
 trust herein conferred to her is to enable her to keep my family together cattle with the
 farm as usual raise and educate my children and give to each an equal opportunity
 I have my Children (to wit) Lewis A Woods, Richard, William, Martha, Elizabeth
 and Margaret and it is my desire and Will as my said Children to particularly become
 of age or marry that my wife give to each out of my Estate a horse, saddle, bridle
 and cow and such farming utensils house hold and kitchen furniture as she may
 think being able to afford without inconvenience to herself or the balance of the
 family that may remain with her. When one of the Children becomes of age
 or married it is my desire that my wife receive her own directions as to the amount she gives
 that child out of my estate and the time of giving it and in allowing it to be shipped

Children the said first ~~undisputed~~ in the estate of my wife & in my separate
 a Special Express to the receipt of herself and family and there you to read of
 my estate and it shall then be to undergo the consent of her good family or not
 it but of her power by so reducing my estate to a present one equal and not being
 given to each of my children and if my estate will in my will that they all be
 made a great, and as my children's property having for you to know it is my will
 that my wife shall to them if she deem it necessary a portion of my land to distribute
 but such adjustment made by my wife is not to prejudice the claim of any of my heirs
 to an equal division of my land as estate can yet my children when they become
 of age. I have an orphan child living with me by the name of Rebecca Hallaburn
 I wish my wife to give her out of my estate when she becomes of age or there is
 a house I would like her to live in. When my wife shall determine to either of
 my heirs any portions of my estate pursuant to the provisions of this will it is my
 wish that she take a trust for the property to be received giving a fair valuation
 upon it so as such shall not partly between the children and if my wife Thomas Wood
 should marry again it is my will that her trusteeship of my estate cease and that
 she no longer have any control over my estate and that guardians for my children
 be appointed and such division of all my estate that may be necessary take place
 as would have taken place by law had I not done more this will and I hereby
 constitute and appoint my wife Frances Wood my executrix of this my last will
 and Testament and to act and serve as such and in the management of her from
 to advice and counsel with Richard H. Butler Jr. John Wood and a sufficient number
 counsel as she may think best and as to her duty in the execution of this will
 counsel with Nathan Board and D. J. Stephens or either of them. I do hereby
 appoint the last act to require security of my wife Frances Wood as executrix of this
 my last will and Testament as it shall be necessary for her to give it and my estate
 is amply sufficient to pay all my debts. In testimony of this my last will and
 Testament I have hereunto set my hand and seal this 5 day of October 1848.
