Examined-

In the name of our Father in Heaven, be it known that I, Michael Hamman, of the City of Clarksport, County of Buckinridge, and State of Kentucky, being of sound mind and memory, and knowing the frail tenure of this life, and that it is appointed to all men once to die, do make and ordain this as my last will and testament, (having made none other) that is to say I wish to dispose of my property real, personal and mixed in the following manner, to-wit:

Having full confidence in my beloved wife, Christina Hamman it is my wish and desire that she take in charge all of said property of which I may be possessed at my death, and manage and control the same in trust, during her natural life - use and enjoy the income profits &c of the same - may sell or dispose of any or all of said property as she may see fit, or as her necessities may require, or she may sell and reinvest if she believe she can enhance the interests of said estate by so doing, and whilst it is my wish that she have freedom of action in the management and control of my said estate, it is also my wish that she provide for an equal distribution of the property, share and share alike, amongst our children or their heirs when or whenever she may see cause to do so, either by will or by equitable distribution. No bond shall be required of her. The furniture and householding business may be carried on by her and my son Charles W. Hamman, if they so desire, as per written agreement now existing between myself and the said Charles W. Hamman. It is my earnest desire that no litigation shall arise, therefore any one or more of my heirs who may bring or attempt to bring a suit to set aside this my will, such child or children shall receive one dollar as his, her or their part or parts, and such share or shares shall be distributed equally among the other heirs.

In testimony whereof, witness my signature this 27th day of February A.D. 1897,

Michael Hamman,

The said Michael Hamman at Clarksport, Buckinridge County Ky, on the said 27th day of
