Examined

I, Geo. Parker, of Hardinsburg, Breckenridge County, Kentucky, do declare this to be my last will and testament and further declare that I have never hereafter, at any time, made any other will.

First,

It is my desire that as soon as practical after my death, that all my unpaid just debts, shall be paid, in the manner as hereinafter set forth,

Second,

I hereby will and devise unto my daughter, Judith D. Parker, to be used and enjoyed by her exclusively for the period of her natural life, the dwelling houses and out-houses with all the lands thereto belonging, and which I derived by purchase from Francis Peyton, his by deed of record in Deed Book #27, pages 23; and from Allen Allen wife, by deed of record in Deed Book #38, page 40. I also bequeath unto said Judith D. Parker to be hers absolutely, all and any personal property, which I may own at the time of my demise. I wish further to declare that my reason for thus willing aforesaid property, both real and personal, as above set forth, to my said daughter, Judith D. Parker, is because she has remained with me constantly and taken care of me, in my declining years, and has treated me with the greatest kindness and affection ever since the death of my wife - now about twelve years ago.

Third,

I further will and devise to my daughter Robert Anne Heston, wife of Mr. Claude Heston, the house and lot, with the land belonging thereto, which she now lives upon and which premises I derived by purchase from A. Lee Bishop and wife, by deed, dated the 15<sup>th</sup> day of October A.D. 1898, and recorded in Deed Book #7, pages 11, upon the following conditions, to-wit:

I.

That the said Robert Anne Heston shall assume to and shall pay all my indebtedness which I fully own at the date of my death. My said indebtedness at this date only amounts to something like five or six dollars, but the said devisee shall assume and pay any other additional debts which I may own at the date of my death.

II.

In addition to assuming and to paying all my debts as aforesaid, the said devisee must pay all my funeral expenses whatever that may be. Upon the fulfillment of the above conditions, then said house and lot shall be the absolute property of the aforesaid Robert Anne Heston, who is my daughter, free from any liens or claims. It is my intention herein that the aforesaid house and lot will be and devised to said Robert Anne Heston, shall be subject to the payment of all my debts, and shall said devisee pay them as aforesaid, then she shall be the absolute owner thereof.

Third,

It is further my desire and will, that upon the death of my said daughter, Judith D. Parker, that all the real estate devised herein to her, shall devolve to the remainder of my children, and to any deceased children's children as provided under the laws of descent and distribution now in force in the state of Kentucky.

Fourth,

I have heretofore provided for my remaining children in a manner that I deem proper, with the exception of my said daughter Judith, to whom I am more obligated for the reasons above set forth, than to any of the others. I further will and bequeath unto my son, Fisher Parker now living in New Albany, in the state of Indiana, all my wearing apparel, and also the pair of gold spectacles I now own, and

direct that said Judith D. Parker will turn over paid apparel and spectacles to my sons, Fisher upon his demand, after my death.

In witness whereof, the said Giles Parker has himself subscribed his name to this instrument, by making his mark there, after having the same fully read to him and acknowledging the same to be exactly what he desired to have done in disposing of his property, after death, who subscribed his name there in the presence of Morris H. Beard and Claude Mercer who, in turn subscribed their names in the presence of each other.

Giles Parker

We, Morris H. Beard and Claude Mercer, do certify that the foregoing will of Giles Parker, was on this day written and read to and fully explained to said Giles Parker, by us in his presence and that he acknowledged the same as being in each conformity with his desires as to the disposition of his property and that thereupon the said Giles Parker made his mark to the same; and that said mark was made in our presence and witnessed by us and further that we, in turn have subscribed our names there, as witnesses in the presence of the said testator, Giles Parker, and also in the presence of each other; and that all of these matters have been done on this the 29th day of February, A.D. 1904.
