CODICIL.

I, Violet Miller Ferry in my right mind and of my own free will, add this Codicil to my Will. If at my death my son Miller Ferry is still in condition or position to not be able to take care of or attend to his own affairs I want my cousin Mrs. Pearle Graham of 604 Lewis St. Owensboro, Ky. without bond to handle all business for him of money and property providing for him as necessary and in there is any money or anything that can be turned into money I want all my bills paid, the necessary lettering put on the tombstone and any other expense needed at the cemetery, and if the following articles are in my possession I want them disposed of as follows: My silver pitcher and rose pattern tea spoons with Miller on handle, to be given to my Grandson Frances Miller Ferry, Jr. who we raised, the 6 sterling tea spoons with no marking on handle except design to be given to my Grandson, Henry Jacob Ferry, the 5 sterling or 6 spoons marked Miller with 1 extra tea spoon to be given to Billy Pate Ferry of Post Isabelle Texas, all other silver except spoon marked Violet knife and fork marked Miller and napkin ring marked Frances Miller Ferry to be given to my son Miller, to be given to my same Cousin, Mrs. Pearle Graham who has been so kind and if house and household goods are in my possession I want this same cousin to dispose of same at the very best way she can, remembering Jim Stewart, my faithful household helper in any way she sees fit, disposing of family pictures and etc to those who want them, family and friends, the oil paintings of Mr. Ferry and me to be sent to Miller if he can have them, also his trunk of clothes is possible be sent to him in the box

at bank, if I still have it, will be an insurance policy on Miller sufficient to bring his body to family cemetery when needed, and I want it kept for that, also an insurance policy on Frances Ferry, that in about 3 years will be worth some 2 or 3 hundred dollars, other papers in there may be of some small value to do with them what she can and that pistol in the box must be completely destroyed, the bottom of the sewer would be a good place for it, it has done enough, my funeral to be just about like Franks, costing about \$200.00.
