 This late will of the estate of John
 Reed deceased produced in Open Court the 6 September
 1824. Examined, approved for and ordered to be
 entered of record: witnessed by the same is truly
 recorded in my Office
 Attest Geo. L. Roberts C. C. C.

In the name of God Amen. I, Stephen Bunschaw
 of Bullitt County and State of Kentucky do make and declare
 this my last will and testament in manner and form
 following. First I resign my soul into the hands of almi-
 ghty God, hoping and believing a remission of my
 sins by the merits and mediation of Jesus Christ and my
 body I commit to the earth, to be buried at the discretion
 of my Executors, heirs or assigns named and my worldly Estate
 I give and devise as follows. First it is my desire that
 the plantation now known as Snows live should be rented
 for five years for grain by my Executors hereafter
 named payable yearly at 20 cents per year. It is
 also my desire that the rents and profits be appropriated
 to the sole use of my beloved wife Rhoda Bunschaw and
 my beloved children namely James Bunschaw, Eliza
 Bunschaw and Maria Bunschaw all to share equal
 in the rents and profits of the aforesaid rents but if
 my beloved wife before mentioned should marry before
 my aforesaid children should come to law full age
 then and such case it is my desire that she my aforesaid
 wife should take her third of all my Estate, both real
 and personal, my just debts being first paid. It is
 further my will and desire that my aforesaid wife
 should have the use of my negro woman named Bet
 and her child Calla. Mary so long as she shall remain
 my widow and keep my children with her. It is also
 my desire that my negro boy named Lewis should be
 hired by the year together with the blacksmith tools
 for the economy of the State, which I leave to the
 discretion of my Executors to continue there or where
 the aforesaid boy Lewis and tools provided they should
 be of opinion that a sale would be advantageous
 to my wife and children. It is further my desire
 that after my wife's death should be taken that all
 the residue of my land and personal property should
 be equally divided among all my children and

It is further my desire that my Executors should purchase a fine farm somewhere on upland, where it is supposed to be healthy, with the money or debt due me after they may collect the same. the said farm if purchased to be for the use of my wife and children so long as she remain my widow, unless my children with her, and after her death or marriage, to be equally divided amongst all my children as mentioned concerning my other land and property. Further my desire is that my Executors shall examine my crop on the ground together with all the small grain and after taking therefrom a full support for my wife and children, then the balance to be sold at the direction of my Executors, together with all my stock except a support for my wife and children, to be taken and valued by my Executors except one milch steer called Black which I give and devise to my son James. and lastly I do hereby appoint Elisha James and Overton Burns heirs, sole Executors of this my last will and testament. hereby revoking and disannulling, and annulling all other wills heretofore by me made I do interpose where I have hereunto set my hand and affixed my seal this twenty seventh day of August in the year of our Lord One thousand Eight hundred and twenty four signed sealed and delivered by the testator as and for his last will and testament. Elisha James (Seal) in the presence of us who have hereunto set our names as witnesses in his presence at his request and in the presence of each other.
