S. Milton King, Clerk of the County Court, for the County aforesaid, do certify that the within settlement, was produced in open court at the December term 1824, approved of and ordered to record and I have duly recorded the same, with this Certificate in my office in will book 13. page 266. Given under my hand this 22nd of December 1824
Milton King

I Challenger Wade of Cumberland County and State of Kentucky, do hereby make this my last will & testament in manner and form following, to wit, (after all my just and lawful debts are paid) that after my decease all my real and personal estate (except my negroes) to be sold and equally divided amongst my children (taking into consideration the sums already advanced by me to those to be after

named in this instrument, and which turns they shall account for out of their parts, namely Pierce Wade, Richard Wade, James Wade, Serrimick Wade, Mary King, Sally Williams, Elizabeth Wags, Rachel Gray, Inulth Craig and Simey Booksey:—

Richard Wade is to account for two hundred and eighty one dollar, being the amount of a certain tract or parcel of land, containing one hundred and forty and a half acres, whereon he now lives to which I made him a deed; also for four hundred and eighty four dollars & fifty cents paid for him to Henry Carey. Pierce Wade is to account for five hundred dollar—

Rachel Gray is to account for five hundred dollar

James Wade is to account for two hundred and fifty dollar, being the amount of two tracts of land, one whereon he now lives, containing fifty seven acres, the other a part of a survey of two hundred acres, his part of said survey to join John Chandlers line on the South, and run from thence to the top of the dividing ridge, between Mud Camp & Marrowbone according to the survey, already made by Thomas Barton, to which tracts of land, I shortly intend, making him a deed—

Serrimick Wade is to account for six hundred dollar, the amount of the land, whereon he now lives, the amount above stated being brought down to the standard of Silver. Mary King being without an heir of her own body, I bequeath unto her ten dollar as her portion, I also bequeath unto her during her natural life, an equal part with the rest of my children, provided however, that she shall by security or otherwise, make such part safe and secure, to be delivered to my heirs at her demise.

But it shall be considered as her prerogative to bestow or bequeath the whole amount to any one or more of ^{such} heirs, at her own will and pleasure.

And whereas my negroes desire to continue in my family; I do hereby have it as my will, that they shall be valued, personally, by disinterested men, and shall have the privilege of choosing their own Master or mistress, who shall be allowed to take them

at their valuation, But if none of the legated, will purchase them at said price, they shall be sold to the highest bidder, and the money arising from such sale or sales, divided as the rest of my estate. I allow Elizabeth Hays, the refusal of One hundred acres of land, which I purchased of John R. K. Palmer, at one hundred dollars, but if she does not desire to purchase at that price, the lands to be sold to the highest bidder as the rest of my property.

And where as I have lent money to Peter and John Simmerman to the amount of \$1750.00 in specie or U. S. paper, I leave it as my will, that my executors, collect said money, according to contract, if not collected before my decease. Also a judgment in Salisbury Court, North Carolina against Jeremiah Wade for five or six hundred dollars, I know not the particular amount, I leave to Richard Wade, provided he shall see fit to collect said judgment - if not any other of the legated, may collect it for their own use, I leave as the executors of this my will, William B. Root, Isaac H. Deane, Edward Clark and George P. Harland, any one or more of them,

As witness my hand and seal this 3rd of September 1824

 Said Bowman has acted as an agent for about one year & a half longer than the time the said boy has been with him, for which we deem an allowance of \$60 in Common we at the paper in making this statement we are fully assured of the sufficiency of the services rendered the estate being involved, and said statement, and much difficulty in paying off and arranging the debts all of which has been faithfully and effectually attended to by Bowman -

We also report that there is a judgement as John Bowman for \$1. obtained in the Cumberland Circuit Court in favor of the State, but nothing yet made there, the amount can be ascertained by reference to the Clerk's office - all of which is submitted to the hon. Court - June 13th 1826.
