 to live, I beg the favour of you too, to settle my business, when
 the return of my tobacco Comes home - I have a great many open
 Counts against the people, the are all full, and I want you to
 inform yourselves, if any should be disputed, for I am
 certain there is not one sent in my books unjust; As to my
 estate it is very small, to leave to my dear wife an children,
 but it was honestly got, and I hope it will war well, as I do not
 understand writing the form of a will, I hope the judge of the Court
 an others, will not allow mine to be broke, by any means whatever,
 I call on all of my friends to depote my wishes, what little property
 we have got lovingly, we have worked together to get it, and with glad
 and grateful hearts, I leave it with my dear wife an children.
 I do hereby give my ever blessed wife Abedine all my
 horses, Cattle, pigs, Sheepes and farming utensils an all of
 her house hold an kitchen furniture and and our own negr
 girl named Mary forever, to do as she pleases with, if there is
 that much left after paying my debts, which I am sure there
 will be, and some Cash to spare, and I also give her all my
 money, after paying my just debts - I also give her all my lands
 her life time, that she may have a chance to keep the children

296 Together, & raise them in Credit, but she shall not sell it for
any Cause, and I want the land properly equally divi-
ded between the Children, at her death, or any Arrangement
that she may make, will be satisfactory to me, I do not
to see the land. Dear wife, these my last words to you,
and I know this is a world of trouble, I want you to comfort
yourself with the thoughts of meeting me in a better
world, where our weary some times is over - you are young
yet I want you to take Care of your health, and take
Care of our dear little Childrens, dont grieve yourself
about me, but strengthen your thoughts, that we shall
one day meet where our troubles will be over - Amen
