I Tho Clay of Daviess County and State of Kentucky do hereby make declare & publish this my last will and Testament revoking & disannulling all others.
My wife Mary with her Executors Oliver & Solomon her life time only.

There is to be a line run from Robt McCreery corner near my Cornfield parallel to the line that divides the two lots so as to take one hundred acres of this lot, but not to come into the field to be added to the other lot then Nestor is to have this side of the line including the plantation and tract & line on to the Ohio and Pop Creek to the Ohio River along the same to Del's line and so round with the negroes and stock I have set him off with to him & his heirs forever. Cynthia G & McCreery I have given her full portion of every thing to her & hers forever.
To my son Tacitus Clay I give the hundred acres taken from this lot by the line above described with the thousand acres in the other lot where Nestor now lives also the hundred acres where Mrs Davis settled joining Enock Kendel, be the same more or less. Two tracts in the State of Indiana both on the Ohio River opposite the mouth of Pop Creek, the other joining Samuel Snyder below two lots in the town of Evansburg.
