

In the name of God. I Richard Haves being of sound mind and memory do make this my last Will and Testament. It is my will that all of my Children have an equal part of my Estate. It is my will that my dear wife shall have the whole of my Estate real and personal and Ivised as long as she should remain single but subject to the following directions and distributions to wit. That my Executors and Executors shall not the whole of the debt due me over and above what may be necessary for the support and Education of wife & children in negroes as fast as the debt can be collected and the negroes so purchased to go to the possession of and use of my wife as the negroes which I now possess I give to my son Samuel Haves the part of the one thousand acre lot as laid off for him containing Three Hundred and Fifty Eight acres, and to my son Hugh Walker Three Hundred and Forty out of the same lot and adjoining on the lower side as laid off by Capt. Johnson - I give to my daughter Kitty five hundred and fifty acres lying in Hancock County as laid off by Capt. Johnson on which John J. Coleman lives. I give to my son Albert seven hundred acres beginning at Kitty upper corner on back line thence with her line to the river thence up the river to the lower end of town thence out the back line of town and thence to the back line, thence to the beginning so as to include seven hundred acres. I give to my son Edwin five hundred acres beginning at Kitty ^{on the river} lower line thence ^{down} out from the river with her line so far as to Mrs. Adams line thence out from the river with her line so far as that a line running parallel with the river line will include five hundred acres. I give to my daughter Mary four hundred acres on the tract of one thousand acres opposite Rockport lying on the upper side side of and running from the river to the back line so as to include the quantity. I give to my son Albert the negroes Annas, Sam, Mary, Sarah, Jenny, Absalom, Joe, Maria & Esther. I give to my son Edwin and Washington, Sally, Juliett, Nancy, Tom, Anna, Melly and - Challen. I give my son Benjamin the tract of land adjoining Walkers on the lower side supposed to contain four hundred and thirty six acres being the balance of the tract which Sam & Walker own. He is to have possession whenever he marries or becomes of age. I give to my son Aglet four hundred and fifty acres of land adjoining that given to my daughter Mary on the lower side and laid off in the same way as nance. I wish my wife to allot to Benjamin Susan & William as many negroes as have been given to my other children as soon as they marry or become of age. I have already given to my daughter Kitty two thousand five hundred dollars instead of negroes and to my son Aglet the same. My son Aglet to be charged with five hundred in addition because of the extra expenses in Education and three hundred dollars to be allowed Benjamin because his education has been so

much the less expense my wife will also give each as much personal property as the others have had. My wife shall have Susan & William well Educated out of the estate and they together with Albert Edwin & Benjamin to be clothed boarded &c until each one shall ~~reach~~ his distribution that the others have had. My wife may if she chooses make an additional distribution of negroes to the children if she should wish to do so. In case my wife shall marry it is my will that instead of the whole as before mentioned she shall have one half for life only. Lastly I appoint my dear wife Clara Haves Executrix and my sons Samuel, Richard, Albert, Edwin and Benjamin my Executors to this my last Will and Testament. All money due by any of my sons and sons in law to me to be paid to the Estate or considered as a part of their dividend at the option of my wife. The appointment of Executors not to operate as a relinquishment of their debts. As I own no debt I don't wish my Executors or Executors to give security for their ~~same~~ Executorships. All Whatever has been heretofore given and is given by this will shall be considered as so much of this share of the Estate except the three hundred dollars to Benjamin and the extra five hundred dollars to be charged to Aglet in the same way and it is clearly my will that all my Children may be made equal in the distribution of my Estate hereby revoking all former wills made by me in testimony whereof I have set my hand and seal this 12th day of November 1828
