In the name of God amen I William Tapscott calling to mind that it is appointed unto all men once to die and although possessing still by the mercy of God all the faculties of mind yet being weak in body & infirm and make this my last will and testament hereby revoking all others. Imprimis It is my will that my whole estate both real and personal be vested in my beloved wife Nancy Tapscott for the support of herself and our children after the payment of my just debts. 2nd I devise to my son Henry William One hundred and fifty acres of my land out of the 1000 purchased by me of James Madison in Davies County to include the Plantation and house, He paying an equal proportion of the purchase money which may be due for the said land at the time of my death in proportion of the value of the 500 acres to the rest of the tract. And a negro boy and girl hereafter to be designated by my wife and to be put into possession of them with the Plantation at her death. 3rd all the rest of my estate both real and personal I will and devise to my five daughters viz Nancy Fanny Peland Sally and Dulcett - equally to be divided between them at the death of my wife but in case either of my said daughters should marry before that event then she is to be put into possession of her share of the estate any thing in the previous part of this will notwithstanding.

4th It is my particular will and desire that my Household and Kitchen Furniture should not be sold or taken into the inventory of my estate either for the payment of my debts or the settlement of my estate. But I hereby will the whole of my said Household and Kitchen Furniture to my beloved wife as a specific legacy to dispose of as she thinks proper, being anxious to prevent the disagreeable Confusion incident upon an appraisement or sale of the species of property.

5th Should I leave any debt unpaid at my death I will and desire that such negroes or other property as shall be selected by my wife should be sold by my Executors to discharge the same. I hereby constitute and appoint my wife Nancy Tapscott an Executrix and Phillip Triplett Executor of this my last will and testament and require that no account be required from them by the County Court.

As witness my hand this 27th Dec 1828
